

Tech Reps reviewed and discussed technology-based assignments for the field. They made suggestions for additions to the technology survey and for assessment of the technology lessons taught by the candidates.

## TECH REP CONNECTIONS

Fall 2002 Workshop for Tech Reps and Supervisors\*

Dr. Marcia Cushall presented information about and examples of web-based supplemental teaching materials. Dr. Kim Rotruck assisted the tech reps in updating their Blackboard files.

Dr. Rotruck presented an overview of activities for tech reps. Participants discussed technology needs and practices within their schools. They reviewed the surveys administered in the spring to teachers in their schools.
