

The Trident Initiative at Frostburg State University Proudly Hosts

**New Business Ventures
Presentations of Entrepreneurial Business Concepts
Proposed by Students of
New Business Ventures (MGMT 315) Spring 2008 Class**

May 8, 2008, 6-9 P.M.

**USM-Hagerstown
32 West Washington Street
Hagerstown, Maryland 21740**

You are cordially invited to attend New Business Ventures presented by the entrepreneurship students at Frostburg State University. These exciting new business concepts are the result of feasibility studies conducted during the semester.

Six teams will present their new business concepts which include: an entertainment club; a home construction business; a trucking company; a fitness club; a personal care business; and an IT services company.

The evening will begin with a buffet dinner served in the atrium of the five-story USMH building. **Katie Trent**, a recent graduate of FSU and a startup entrepreneur, will be our featured speaker. At 6:45 P.M., the student teams will begin their presentations of business ideas.

Please Join Us May 8, 2008!
