## Pre-professional program

### PRE-PROFESSIONAL PROGRAM

Total Hours:

58

#### Coordinator:

William Seddon, Professor and Chair, Department of Biology

- All candidates are expected to earn and maintain **at least a 3.0** cumulative grade point average in order to be considered competitive for the program.
- Only the top 36 candidates, from all institutions offering prerequisite courses, will be considered for admission to the Occupational Therapy Program at Towson University. You can apply anytime you meet the application requirements.
- If you currently hold a baccalaureate degree, you don't have to meet Towson's GenEd requirements. See the current Towson University catalog for more details.
- You cannot major or minor in Occupational Therapy Preparation.

The following courses are prerequisites for students interested in the Occupational Therapy Program at Towson University. Applicants are encouraged to visit the occupational therapy pages on Towson's web site for additional information about their program, including any changes made subsequent to this catalog. These courses may also be taken, together with additional requirements, by students interested in completing a professional occupational therapy program at other institutions.

- By December 21 of the year previous to application, candidates must complete Introductory Biology and two of the following: Freshman Composition, Introduction to Psychology, and Introduction to Sociology. The remaining prerequisite course must be completed by May 30 of the application year. Candidates must earn a B grade in all of these courses.
- By March 1 of application year, candidates must complete a minimum of 14 credits of college-level courses. Candidates must earn a GPA of 2.7 or better.
- By the screening deadline, candidates must complete at least 30 hours of human service activity. See application form for details.
- By August 31 of the year prior to the first term of the Occupation Therapy Program candidates must complete a minimum of 23 credits that meet Towson University's General Education requirements.

## Summary of Requirements for Pre-professional Program in Occupational Therapy

### 1. Prerequisite Courses: (13 hours)

BIOL 149 General Biology I  
 ENGL 101/111 Freshman Composition  
 PSYC 150/151 General Psychology  
 SOCI 100/111 Intro. to Sociology

### 2. Other courses that meet Towson's GenEd requirements:

Select one course per group. Take no more than three courses from the same discipline. Courses with asterisks are also FSU GEP courses.

### Coordinator:

Mary Mumper, Associate Professor,  
Department of Chemistry

- The following 2-to-3 year pre-professional course pattern is suggested for students particularly interested in the University of Maryland, Baltimore School of Pharmacy. Students interested in attending other schools of pharmacy should consult their catalogs for specific entrance requirements.
- Each student enrolled in the pre-pharmacy program must earn and maintain a **minimum 3.00** cumulative grade point average.
- The Pharmacy College Admissions Test (PCAT) is also required and should be taken in the fall semester of the student's last year of study at FSU.
- For students who want to earn a baccalaureate degree at FSU before applying to a school of pharmacy, a major in chemistry or biology is appropriate.

# Physical Therapy Preparation

## Pre-professional program

### Coordinator:

Wayne Yoder, Professor, Department of Biology

- Professional schools *differ substantially* in their requirements for admission and it is the responsibility of the student to ensure the completion of the necessary pre-physical therapy courses for the professional schools of interest.
- You are expected to earn and maintain at least a 3.20 cumulative grade point average.
- Physical Therapy experience as volunteer or aide is required (100-200 hours) as is a current CPR certificate.
- You cannot major or minor in pre-physical therapy.
- Application requirements for the University of Maryland, Baltimore include:
  - Bachelor's degree (any major)
  - Successful completion (C or better) of the 52 specified credit hours or prerequisite course work
  - Submission of GRE scores.

The following pre-professional courses are required of students interested in the University of Maryland, Baltimore's Physical Therapy Program. Students interested in attending other professional schools should work closely with the coordinator of the Physical Therapy Preparation program to plan an appropriate program.

Hours Required at FSU	120
Hours Required at UMBC	21
<b>Total Hours Required</b>	<b>141</b>

### Coordinator:

Mohammed Eltayeb, Chair,  
Department of Physics and  
Engineering

- Frostburg State University students may apply three FSU physics courses (nine credit hours) towards an undergraduate degree in Physics from FSU and towards a master's degree in Applied Physics from the University of Maryland, Baltimore County. The three courses which have UMBC equivalents are:  
PHYS 312  
PHYS 313  
PHYS 417
- Since the Applied Physics program at UMBC normally requires 30 credit hours of graduate work, a student in the BS/MS program will be required to complete a minimum of only 141 hours to earn both the BS and MS degrees.

## Summary of Program Requirements at FSU:

1. Completion of all requirements for the physics major at Frostburg State University.
2. Completion of the following FSU courses as physics electives: PHYS 313 and PHYS 417.
3. Completion of all Frostburg State University general education and basic baccalaureate requirements.
4. Completion of a total of at least 120 semester hours at FSU.

## Requirements for Formal Admission to the Program through UMBC:

1. An application submitted to the FSU Physics Department Chair at the beginning of the junior year. This will include an application form, undergraduate transcripts and three letters of recommendation.
2. A minimum cumulative grade point average of 3.0.
3. Formal application to the UMBC Graduate School for admission to the Applied Physics MS program by December of the senior year. Application procedures are described in the UMBC Graduate Catalog.

# Leadership in Psychology

## Certificate

### Coordinator:

Megan Bradley, Associate Professor,  
Department of Psychology

- The Leadership in Psychology Certificate provides you the opportunity to gain valuable knowledge and experience that employers and graduate programs seek in applicants. It includes coursework on the best teaching/learning practices and leadership theories in psychology. In the field experience course, you will apply these skills by serving as a learning mentor for students enrolled in General Psychology.
- You must apply for acceptance into the field experience course (PSYC 394) prior to enrolling in the certificate program.

### 1. Enroll at Frostburg State University as a degree-seeking student.

### 2. Complete a minimum of 18 credit hours distributed as follows:

#### a. Prerequisite Courses (6 hours)

PSYC 150/151 General Psychology (GEP Group D)  
PSYC 210 Child Development  
or PSYC 212 Adolescence and Adulthood

#### b. Psychology Courses Related to Group Leadership (3 hours)

Select one of the following:

PSYC 385 Group Processes  
PSYC 414 Theories of Personality  
PSYC 418 Social Psychology

#### c. PSYC 394 Learning Mentor in Psychology Field Experience (3 hours)

You must apply for approval and receive permission from the department to enroll; thus, only those students who are approved to enroll in PSYC 394 can complete this certificate. Applications and a list of requirements for enrollment are available in the Department of Psychology.

A grade of C or better is required.

#### d. Electives (6 hours)

Select any course(s) listed under **b.** above that were not used to meet the Group Leadership requirement and/or enroll in PSYC 394 for an additional 3 to 6 credits (reapplication and departmental approval are required).

### 3. A certificate of completion of the Leadership in Psychology program will be awarded to degree-seeking students who complete the above requirements.

- Since the Social Work curriculum is highly sequential in design, students who begin their course of study after the first semester of their sophomore year will often need more than four years to complete the program
- Only courses in which a grade of C or better is earned will count toward satisfaction of major requirements.
- Academic credit is not given for life or work experiences.
- The Social Work program has a competitive admissions process. Department faculty reserve the right to select those candidates who demonstrate the greatest potential for developing as professional social workers.

The major in Social Work is designed to prepare you for generalist practice. It is built upon a liberal arts foundation and provides you with the knowledge, values, and skills needed to help individuals, families, groups, organizations and communities.

Content in the major forms the foundation for professional practice. The curriculum covers values and ethics, diversity, social and economic justice, populations-at-risk, human behavior and the social environment, social welfare policy and services, social work practice, research and field practicum. All students are required to complete a full-time internship which constitutes the last semester of the senior year.

Graduates with a major in Social Work may begin professional practice in a variety of fields including mental health, aging, family and children's services, health care, addictions, juvenile and adult corrections, developmental disabilities, and community planning and development.

The Social Work program is accredited by the Council on Social Work Education (CSWE). Graduates of the program are eligible to apply to take state social work licensure exams at the baccalaureate level and to compete for employment positions where such a license is required. In addition, qualified graduates may also apply for advanced standing in graduate schools of social work which allows for completion of a Master's degree in less time than it would otherwise take. Contact the Department Chair for further information.

## Requirements for Admission to the Social Work Program

Applicants must meet the following admissions requirements in order to be accepted into and complete the Social Work program. Enrollment in the program is controlled by the number of slots available in the program at the time of admission. Admissions decisions are based on a competitive process. Application deadlines for all students, including transfer students, are established each semester by the program and publicly announced by the department.

## Admission Requirements

- Completion of at least 30 credit hours.
- Cumulative GPA of at least 2.3 (or recommendation of faculty member).
- Completion of a declaration of major form.

- Students with a degree in social work are eligible to earn Maryland State certification as addiction counselors. Several social work courses count towards the requirements. See the Addictions Counselor Preparation section of this catalog.

4. Completion of an application to the Social Work program which includes a self statement and three letters of reference. Application packets are available from the department.
5. Completion of SOWK 370 with a grade of C or better.
6. Approval of the Social Work Department Admissions Committee (which may require a personal interview with the Social Work faculty). The Admissions Committee may award special provisional admission.

## Graduation Requirements

1. Completion of SOWK 492 (Capstone) with a grade of C or better and SOWK 495 with a grade of P.
2. Cumulative GPA of at least 2.3 both overall and in courses required for the major.
3. Meet program performance standards set by the department as measured by a standardized exit exam. Students who do not successfully meet these standards will be given additional opportunities to repeat the exam but only at their own expense.
4. Completion of an exit interview with the Social Work faculty.

## Dismissal Policy

The following constitute grounds for dismissal from the Social Work program:

1. Inability to meet the academic requirements of the program.
2. Failure to address and correct deficiencies in competencies cited at last assessment review.
3. Violations of the National Association of Social Workers' Code of Ethics. (Copies of the Code are available from the Department of Social Work.)
4. Violations of FSU's Student Code of Conduct as outlined in the *Pathfinder* which would result in a referral to the University's Judicial System.

A grievance procedure for protecting students' rights to due process is outlined in the Social Work Student Handbook available from the Department of Social Work.
