BOBCAT STADIUM COMPLEX NAMING OPPORTUNITIES

The recently completed upgrades to the Bobcat Stadium Complex will help position FSU to recruit quality students and increase its alumni and donor relations. These upgrades will allow FSU to stand out among Division III schools and grow the athletic programs.

The new stadium building features a hospitality suite where parents of student-athletes, alumni, friends and supporters of FSU can be entertained. The new building also includes two team rooms where student-athletes and those from the visiting team can have a warm place to strategize during halftime; upgraded restrooms and concession area; and expanded press box facilities.

The upgrades to the stadium complex create many recognition opportunities for individuals and organizations who wish to have their name permanently associated with the facility. Naming can also be made in honor of or in memory of loved ones. Commitments can be fulfilled over time, up to five years.
