

Dear Bobcats,

I am proud to congratulate our Frostburg State University Women's Lacrosse team on winning its fourth consecutive Mountain East Conference Tournament Championship. This remarkable accomplishment reflects the discipline, determination and teamwork that define Bobcat Athletics.

With this victory, the Bobcats advance to the NCAA Tournament and will face West Chester on Thursday, May 7, at 2 p.m. As they step onto the national stage, they carry with them the pride and support of the entire Frostburg State community.

Our campus community is invited to show its Bobcat pride at a campus-wide send-off for Women's Lacrosse on Wednesday as the team departs at 1:30 p.m. from the PE Center. I encourage faculty, staff and students to join us to cheer them on and wish them well as they begin their NCAA journey.

I would also like to congratulate our Women's Tennis team on earning a berth in the NCAA Regional Tournament. What a historic achievement! The Bobcats will face Charleston on Friday at Indiana University of Pennsylvania in the second match of the day, with competition expected to begin around 2 p.m. The team is scheduled to leave campus Friday morning; final travel details will be confirmed soon, so please stay tuned.

In closing, to our student-athletes, coaches, athletics staff and teammates across campus: thank you for representing Frostburg State University with excellence, integrity and heart. I invite everyone to join me in cheering on our Bobcats in the days ahead.

With Bobcat pride,

Darlene Brannigan Smith, PhD
Interim President
