## HALLOWEEN DESCENDS on FSU

### Enjoy DARK TALES at Poe Marathon Reading

In celebration of Halloween, FSU's Center for Creative Writing, the Lewis J. Ort Library and the One Book-One Allegany County program will present a marathon reading of Edgar Allan Poe's works, including his ground-breaking horror and detective stories. The readings will be presented on Monday, **Oct. 29**, in Lane University Center 201 and Tuesday, **Oct. 30**, in Frost Hall's Cook Chapel from 11 a.m. to 1:30 p.m. both days.

Volunteers will read stories such as "The Tell-Tale Heart," "The Murders in the Rue Morgue" and "The Fall of the House of Usher" in their entirety. Some of Poe's most famous poems, including the harrowing "Annabel Lee," "The Raven" and "The Bells," will also be recited. Professors, employees and community members will read their favorites from Poe. Each person who attends will have the opportunity to share a favorite selection of Poe's.

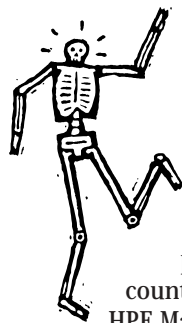

This event is free and open to the public. For more information, contact Jeff Maehre at [jamaehre@frostburg.edu](mailto:jamaehre@frostburg.edu).

### Run FRIGHTFULLY Fast

The Main Street Mile kicks off the City of Frostburg's Halloween Parade this year at 6:30 p.m., Tuesday, **Oct. 30**, on Main Street. Runners and walkers are invited to lead the parade in a race down Main Street. The race begins at the flashing light on Armstrong Street adjacent to the Sand Springs Saloon and runs down to Grant Street, a distance of exactly one mile. The course record for men is 3:58.3, held by Bernie Semler, a graduate student, in 1997. The record

for women is 5:07.0, held by Maureen Hall, and was set in 2001. These fast times have yet to be approached, even by varsity track athletes here at FSU. Anyone wishing to participate is welcome to register at Armstrong Insurance, 21 S. Water Street, from 5 to 6 p.m.

Registration is \$7 and the first 100 racers will receive medals. Trophies go to the top male, top female and top master's runners. This event is co-sponsored by the Queen City Striders and points earned in the race count in their race circuit. The

HPE Major's Club is organizing the race, and proceeds from the event will be used to purchase equipment for the physical education program at the school with the most participants. A trophy will also be given to the "Most Original Costume" for the runner or walker who best captures the spirit of Halloween.

### SAVOR THE SHADOWS During Blackout Day

FSU's Sierra Student Coalition is planning Frostburg's first **Blackout Day** for Tuesday, **Oct. 30**. This is an effort to help reduce the use of non-renewable energy sources, in accordance with the current petition for the University System of Maryland to become carbon neutral. To make this event a success, the Coalition invites the entire University community to help: Show your support by wearing black Oct. 30, and throughout the day, please be energy-conscious and turn off all lights and appliances when you're not using them. And from one hour, from noon until 1 p.m., all students, staff and faculty are asked to turn out their lights and turn off any other equipment, like computers, televisions, stereos, etc. The goal is that

the Blackout will include all of the residence halls, academic buildings and student activity buildings on campus. During this hour, members of the Student Sierra Coalition will walk around the campus and thank everyone participating in **Blackout Day**. Many thanks in advance for making **Blackout Day** a success!

## Visual Art

### Art Opens Students' Eyes

Ask Francesca Pehr to explain the unique power of expression visual art offers, and you'll get a thoughtful and mature answer.

"Artwork can use words to express an idea, but unlike writing, you also have the benefit of line, color, shape, light, value, perspective, unity and other elements and principles that let you communicate ideas and feelings that words cannot always grasp," she says.

As a freshman enrolled in the Art and Design Learning Community at FSU, Pehr is using artwork to address sexual abuse for the class' upcoming exhibition, "We've Got Issues," **on view Nov. 9 through Nov. 11** at FSU's Lane University Center Loft. Organized by the class and featuring works they created this semester, "We've Got Issues" highlights the talents of FSU's art students and reflects what they have learned from their course together. **The exhibition opens with a free, public reception from 4 to 6 p.m. Friday, Nov. 9, at the Lane University Center Loft.**

The University's Learning Communities program groups like-minded students together to brave introductory

courses in their shared areas of academic interest. Instructor Trish Limbaugh coordinates the Art and Design Learning Community with Randall Rhodes, chair of the visual arts department. During the course, she takes students on fieldtrips to American art landmarks like Frank Lloyd Wright's Fallingwater in Pennsylvania and notable museums in Washington, D.C. To prepare for the "We've Got Issues" show, students must do extensive research on their specific topics and how they've been depicted in art, write artist statements and design a postcard and poster.

For "We've Got Issues," each student selected a current topic or problem—Hurricane Katrina, depression, environmental destruction and the effect the military has on families are among the countless subjects explored in the show. As serious as the content is, the title itself is both literal and tongue-in-cheek.

"We've Got Issues" perfectly sums everything up without taking ourselves too seriously," says Alice Groesbeck, a student who is creating artwork that uses mushrooms to address body image.

"I read about how mushrooms can release spores into the air and contaminate everything around them, causing other plants to grow a sometimes poisonous fungus," Groesbeck says. "I realized this could be a powerful metaphor for peer pressure and how one person's negativity can easily influence another person's thoughts... I hope that by drawing a mushroom infecting a flower to represent body image, the viewer will be affected by my piece and remember it later on."

For more information about the "We've Got Issues" exhibition and to learn more about the Art and Design Learning Community, contact Limbaugh at x4173 or [plimbaugh@frostburg.edu](mailto:plimbaugh@frostburg.edu) or Rhodes at x4047 or [rrhodes@frostburg.edu](mailto:rrhodes@frostburg.edu).

### Storybook Favorites Focus of Revue

Lose yourself in the light-hearted laughter and magic of children's literature when Frostburg State University's Cultural Events Series and TheatreworksUSA present "If You Give a Mouse a Cookie & Other Story Books" at 2 p.m. Saturday, **Nov. 3**, in the Pealer Recital Hall of the Performing Arts Center located on the Frostburg campus.

This sparkling musical revue based on eight popular children's books provides a full hour of enchantment for children, with enough intelligence and imagination to entertain adults as well. Ten musical skits tell stories from childhood favorites in a revue which appeals to a broad and diverse audience. The revue draws from "Amazing Grace," "Borreguita and the Coyote," "If You Give a Mouse a Cookie," "Imogene's Antlers," "Martha Speaks," "Master Man," "Math Curse" and "Owen."

Tickets are \$10 for the general public, \$10 for FSU faculty and staff, \$6 for

To purchase tickets or for more information about this performance, call the FSU Cultural Events Box Office at x3137 or toll free at 1-866-TIXX-CES, or visit online at [ces.frostburg.edu](http://ces.frostburg.edu). ## Mail-Order Brides Subject of Play

University Theatre will continue the Main Stage series with Beth Henley's highly acclaimed play "Abundance" on **Nov. 9, 10, 15, 16 and 17** at 7:30 p.m. and **Nov. 10** at 2 p.m. in the F. Perry Smith Studio Theatre of the Performing Arts Center.

From the Pulitzer Prize winning author of "Crimes of the Heart" comes this tender and quirky story that, according to the New York Times, "...sometimes has the tone of a rambunctious tongue-in-cheek Twain story, with echoes of Thomas Berger's Little Big Man."

Starting in the 1860s, and spanning 25 years, mail-order brides Bess and Macon travel to the Wyoming Territory for romance, adventure and the "boundlessness of it all." Their pioneer journey entails big dreams, disappointing and abusive husbands, betrayal, reversals of fortune, Indian captivity, and a big money lecture tour. From young girls to wise women, they must learn to survive both life and friendship in the ever expanding west.

For reservations and information, please call the Theatre and Dance box office at x7462 (M-F, 9 a.m. - 4 p.m.), or stop by the box office in the Performing Arts Center Lobby (M-F, 12 - 2 p.m.). For your convenience, the walk-up lobby box office will also be open from 5-7 p.m. during production weeks.

Tickets are \$5 for students and \$10 for non students.

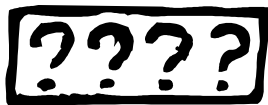

## Take Note

### 411 on Weather-Related School Closings

If FSU experiences a closing or delay on bad weather days, information will be available at the MAIN UNIVERSITY NUMBER (x4000, option 2). You can access the system after 6 a.m. Notification of delays or closures will also be made on the main page of the FSU Web site ([www.frostburg.edu](http://www.frostburg.edu)) and through campus e-mail.

You may also register for text message or e-mail notification through the new e2Campus text messaging notification system. If you haven't signed up yet, go to the "Technology" link on the FSU home page ([www.frostburg.edu](http://www.frostburg.edu)), choose "Text Messaging Alerts" and follow the instructions. You must use your FSU user name and password to access the site. Don't forget to do the final verification portion of the signup, or you won't receive the messages. FSU also still subscribes to [www.schoolsout.com](http://www.schoolsout.com), which offers e-mail and text message notification. Visit the site to learn more.

the radio—WE ARE OPEN. On most cancellation days, the University will be closed until 5 p.m. A decision on evening classes and events will be made by 3 p.m. that day. Likewise, the message under option 2 at the main University number will either announce the closure, or announce, "There are no closures or delays at this time."

Personnel compensation for closures or delays will be based on the appropriate cancellation/delay message as presented on the FSU voice-mail system. A reminder: "Essential personnel" are required to report to work at regular time in the event of any cancellation or delay. These individuals have been notified of their "essential" status by their respective department heads. A list of these employees is available in the Office of Human Resources.

In the event of liberal leave, it is expected that everyone will make an effort to report to work and class. The final decision with regard to your own personal safety resides with you. If, in your judgment, it is not safe for you to come to work or to class while the University is still open, you must contact your supervisor or faculty member and provide this information. Employees will be charged for the appropriate leave time. The announcement of liberal leave neither relieves essential employees of their need to report to work during inclement weather nor does it cancel classes.

### Help Available for Alcohol Abuse

FSU President Jonathan Gibraltar and Allegany College of Maryland President Donald Alexander submitted a letter to the Sunday, Oct. 21, issue of the *Cumberland Times-News*, endorsed by a number of local agencies, urging a community-based approach toward dealing with alcohol abuse among college students. Those who endorsed the letter urged that information regarding community and university resources for students with substance abuse issues be shared. There are many resources throughout the county and on the Internet, but three are immediately available to the students and local community: **Alcoholics Anonymous, the Allegany County Health Department and Counseling and Psychological Services at FSU.**

A local Alcoholics Anonymous group meets several times a week at the Frostburg Presbyterian Church on Broadway. This group has assisted numerous people in dealing with their addiction to alcohol. For information, call the Alcoholic Anonymous office in Cumberland at (301) 722-6110. The Allegany County Health Department provides a wide variety of substance abuse prevention services, including help with alcohol abuse. For information about services provided by the Health Department, call (301) 759-5050 or visit the Web site at [alleganyhealthdept.com/](http://alleganyhealthdept.com/)

Unless FSU closure is announced on voice-mail or

For more information about these offices, visit the Web site at [frostburg.edu/counsel/](http://frostburg.edu/counsel/).

## Speaker Sheds Light on Sudan

John Bul Dau, one of the "Lost Boys of Sudan," will speak about his journey from growing up in war-torn Sudan to his position now as a prominent public voice raising awareness about the plight of Sudanese in U.S and around the world on **Wednesday, Nov. 7,** at 7 p.m. in the Lane University Center Alice R. Manicur Assembly Hall.

In 1987, Bul Dau's village was attacked by government troops involved in civil war between the Muslim-controlled government in northern Sudan and the non-Muslims in southern Sudan. The attack scattered his family, and Dau was forced to travel for three months on foot to reach relative safety in Ethiopia. Dau stayed in a refugee camp in Ethiopia for four years until civil war broke out once again, and he was forced to flee. He wandered hundreds of miles and faced disease, starvation and violence until finally arriving in Kenya. After several years in a refugee camp in Kenya, Dau was sponsored by the First Presbyterian Church in Skaneateles, N.Y., arriving in the United States in 2001.

Despite the initial culture shock of seeing women driving cars and huge

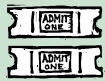

stores filled with food, Dau has succeeded in the U.S. He has been able to bring his sister, mother and fiancée from Sudan, works 60 hours a week as a security guard and received an associate's degree at Onondago Community College. He is currently pursuing a degree at Syracuse University's Maxwell School of Citizenship and Public Affairs.

Additionally, Dau has begun two non-profit organizations to help Sudanese youth in Syracuse and throughout the United States. His move to the U.S. and early experiences in Sudan are the subject of the film "God Grew Tired of Us," and he is the author of a memoir by the same name.

This event is free and open to the public. For more information, contact the Office of Student and Educational Services at x4311.
