FSU Announces Award for Associate Degree Holders

$1,250 Per Semester Available for Students With 3.0 GPAs

Graduates of Maryland community colleges may now be able to attend FSU at a significant discount, following the establishment of the FSU Associate Degree Scholars Award.

The award is available to students who graduated from any Maryland community college, as well as Potomac State College of West Virginia University, with an Associate of Arts, Associate of Science or Associate of Arts in Teaching degree with a cumulative 3.0 grade point average. Certain Associate of Applied Science degrees may qualify as well.

The award is worth $1,250 per semester and will be awarded for a total of four semesters if the student enrolls full-time and maintains a 3.0 GPA.

The aim of the award is to bring the tuition costs for a student’s final two years of a bachelor’s degree closer to that of a community college. For Maryland students, that would translate to a 47 percent discount from FSU’s 2011-2012 in-state tuition rate of $2,652 per semester. For out-of-state students, it would be a 16 percent discount over the out-of-state rates, except for those in contiguous counties (Somerset, Bedford, Fulton, Franklin and Adams counties in Pennsylvania; Grant, Mineral, Hampshire, Morgan, Berkeley and Jefferson counties in West Virginia; and Loudoun County in Virginia), where students already receive discounted tuition; this award would provide a 22 percent discount over the contiguous county rate.

Students should still apply for all applicable scholarships and grants and complete the Free Application for Federal Student Aid (FAFSA) by March 1 of every year to help cover the remaining educational costs. For students with significant financial need, additional financial aid opportunities may be available as well, including scholarships through the FSU Foundation.

For info, contact the Office of Admissions at x4201, or visit www.frostburg.edu or www.facebook.com/frostburgadmit.

FSU Hosts Provocative Traveling Exhibit

A traveling exhibition of Ferris State University’s Jim Crow Museum of Racist Memorabilia will be at FSU’s Stephanie Ann Roper Gallery from Oct. 21 through Nov. 9. The opening reception is scheduled for Friday, Oct. 21, from 7 to 9 p.m., in conjunction with FSU’s Homecoming and Leadership Weekend.

“Racist Things,” a sampling from the Museum’s 4,000 pieces, represents nearly 150 years of anti-black, racist objects and images. It addresses the relationship between Jim Crow segregation and everyday objects that belittle African-Americans. Examples vary from Jim Crow memorabilia to caricatured images of blacks on postcards, games, ashtrays and drinking glasses.

Admission is free. The gallery is open Sunday through Wednesday from 1 to 4 p.m.

The exhibit is made possible by a Catherine R. Gira Campus-to-Community Grant, FSU’s Black Student Alliance, the President’s Council on Diversity, the Diversity Center, the support of numerous FSU academic departments and an Allegany Arts Council Special Project Grant.

For info, contact Dr. Amy C. Branam at x4293.

Western Maryland Press Festival

This annual event brings together editors and publishers with writers and educators of the local literary community. Participating journals and presses display books, submission guidelines and other promotional materials. This year the festival has been expanded to a weekend-long event, starting with a poetry slam on Thursday, Oct. 13, at 7 p.m. at Dante’s Bar in Frostburg. On Friday, Oct. 14, there will be a reading featuring several authors from participating presses at 5 p.m. at Main Street Books, a reception for press and journal attendees from 6:30 to 7:30 p.m. at the Center for Creative Writing on Main Street and a panel discussion on the author/editor relationship at 7:30 p.m. at the Frostburg library.

For info, contact Dr. Shawn Golden-Llewellyn at x4234.

To complete the screening, students will need to refrain from eating or drinking anything but water for at least eight hours before the screening. The screenings involve having a vial of blood drawn to check the blood sugar and cholesterol levels.

Each student screened will be eligible to receive follow-up care at Brady Health Center, including free consultations with nursing staff and the CHILL dietician.

In exchange for the student’s time, each participant will receive a complimentary breakfast and a free CHILL T-shirt, and will be entered in drawings for other free CHILL prizes.

The first 25 students in line each morning for the screenings will also receive a special bonus CHILL prize.

To be eligible for the screening, students must be at least 18 and not have any previous diagnosis concerning their blood sugar or heart health. Students who do not qualify for this screening are encouraged to contact Brady Health Center to make an appointment to have the screening performed at a later date.
