### Beall Scholarship to FSU Benefits Mountain Ridge Students

#### PharmaCare Establishes Four-Year Award to Benefit Frostburg Community

Sarah Fuller, the first recipient of the J. Glenn Beall Jr. Memorial Scholarship, speaks with John Balch, president of PharmaCare Networks.

When PharmaCare opened a new pharmacy in Frostburg in the summer of 2006, **John Balch**, president of the PharmaCare Networks, was ready to commit to its new community. The new Mountain Ridge High School rising within sight of the business on New George's Creek Road and his own belief in the value of education made for an easy decision.

After PharmaCare gave Mountain Ridge a computer lab in its first year, school officials suggested that a scholarship would be a more beneficial gift in the long run. The J. Glenn Beall Jr. Memorial Scholarship, a

full, four-year scholarship for Mountain Ridge students attending FSU, was born.

Balch chose to name the scholarship in honor of the late U.S. senator in recognition of the stature he held in the community, and that of his family before him.

"Sen. J. Glenn Beall was a longtime friend and one of the most legendary citizens of Frostburg," Balch said. Beall served as Maryland's U.S. senator in the 1970s and was a successful businessman and committed community volunteer.

PharmaCare has committed more than \$92,500 to cover the costs of four years of full in-state tuition and associated

fees at FSU for a Mountain Ridge High School graduate each year.

**Sarah Fuller**, a freshman at FSU who is the first Beall Scholarship recipient, learned of her good fortune graduation night.

"When they called it out, I was a little shocked. I couldn't really believe they said my name," she said. But her family heard right, and they all jumped up and cried. Fuller's mother, Kim Fuller, who is a single mom, could now stop worrying about how to put her daughter through college.

While Balch and PharmaCare are not involved in the selection process – that is handled by Mountain Ridge – it turns out Balch knew Fuller's mother, and she was in his office the very next morning to express her thanks.

Fuller, who earned other scholarships and works in the FSU Admissions Office to cover books and other expenses, is now able to plan for graduate school as soon as she graduates from FSU. She intends to major in early childhood education.

Balch purposely did not seek a minimum grade point average as a requirement for the scholarship. His concern was that it go to a good, hard-working student and that it would be awarded every year. "In exchange, I hope they appreciate it and get a good education," he said.

Sarah Fuller is grateful and on her way to that good education. Her advice for other students? "Try your best. Get the best grades you can. It can affect you in good ways."

The FSU Foundation has embarked on a \$15 million comprehensive campaign, *Staking Our Claim: The Campaign for Frostburg*, to raise badly needed funding for higher education in Western Maryland. Donations to the Foundation support student scholarships and programs, academic programs, faculty development and other critical University needs. ## Theatre

### Artist Rauschenberg Inspiration for Play

Justin Truesdale and Emilie Waymire in "bobrauschenbergamerica."

FSU's University Theatre will present "bobrauschenbergamerica" **Thursday, March 5, through Saturday, March 7,** at 7:30 p.m. each evening in the PAC Drama Theatre.

"bobrauschenbergamerica" offers a wild road trip through America's landscape as one of America's greatest artists, Robert Rauschenberg, would have conceived it if he were a playwright instead of an artist. The play paints a collage of people, places, music and dance by the way of love stories, picnics, business schemes, shootings, chicken jokes and golfing. "bobrauschenbergamerica" embodies the sheer exhilaration of living in a country where people make up their lives as they go.

For reservations and/or more information, call the University Theatre box office at x7462 Monday through Friday from 9 a.m. to 12:30 p.m. or 1:30 to 4 p.m. Tickets are \$6 for students and \$12 for general admission.

### CES Presents 'Seussical'

#### Family-Friendly Event a Musical Romp Through Stories of Dr. Seuss

Enjoy a wild musical romp through some of Dr. Seuss' best-loved stories when FSU's Cultural Events Series presents a TheatreworksUSA production of "Seussical," with two performances at 3 p.m. and 7 p.m. **Sunday, March 8,** in the PAC Pealer Recital Hall.

"Seussical" unites many of the beloved Dr. Seuss' best-known characters (and some new ones) in a charming yet lively celebration of the powers of imagination and the rewards of daring to dream. As master of ceremonies, the Cat in the Hat helps to weave together the adventures of two original thinkers – Horton, the gentle elephant, and JoJo, youngest inhabitant of Who, the tiniest planet in the universe. A fast-paced, whimsical adaptation of the original Broadway version, "Seussical" offers a myriad of musical styles – from Latin to pop, swing to gospel and R&B – and is recommended for ages four and up.

Tickets for the TheatreworksUSA production of "Seussical" are \$8 for adults and \$6 for young people under 17. Group rate tickets are also available. Tickets may be ordered by calling 1-866-849-9237 or x3137, or by visiting [ces.frostburg.edu](http://ces.frostburg.edu).

support WFWM and its programming. The concert will feature performances by the Short Mountain String Band, Highland Grass and Black Diamond.

The Short Mountain String Band from Hampshire County, W.Va., plays Appalachian-style music that might have been heard at square dances over 100 years ago. All members bring occasional singing to the mix but instrumental tunes are the rule.

Highland Grass, a West Virginia-based band, is well known around the Appalachian Mountain region and neighboring states for their hard-driving, high-energy, traditional style of bluegrass and bluegrass gospel. Highland Grass is an acoustic five-piece band featuring banjo, fiddle, guitar and upright bass.

Black Diamond, a Cumberland-based bluegrass band, is just as comfortable playing gospel as traditional bluegrass. While the band has been together for only two years or so, each member has extensive experience in various bands over the years. Nowadays, they can be found every Tuesday night practicing at the Queen City Creamery on Harrison Street in Cumberland.

All three bands are donating their time to help support WFWM. Tickets are \$10 and will be available at the door. For information, contact WFWM at x4143.

## RecycleMania Is Here!

Each day, FSU students use tons of paper, plastic bottles and cans. Would you like to help make FSU a cleaner and greener campus? Does your organization need extra community service hours? Would you like to win a prize for yourself and FSU? FSU and the Learning Green and Living Green Initiative are bringing back the nationally recognized program, RecycleMania.

### What is RecycleMania?

RecycleMania is a friendly competition and benchmarking tool for college and university recycling programs to promote waste reduction

activities in their campus communities. RecycleMania is a good way for students to get involved on campus and earn community service hours for helping make FSU greener.

### How do I participate?

RecycleMania runs through **Saturday, March 28**. Over a 10-week period, schools report recycling and trash data that are ranked against other schools competing in RecycleMania. The competition is judged by the largest amount of recyclables per capita, the largest amount of total recyclables, the least amount of trash per capita and the highest recycling rate. Each week, the numbers are totaled and the official Web site ([www.recyclemania.org](http://www.recyclemania.org)) keeps a running tally of the scores. Participating schools are allowed to monitor the progress of their school with the other competing schools. **Therefore, the more FSU students get involved, the better the chance FSU has to win this nationally recognized program!** Continuing its successful efforts in going green would only showcase the talent that each student brings to this campus. Each and every student can affect recycling through RecycleMania.

All students are welcome to participate, and all recognized student organizations receive recognition for participating.

RecycleMania is a great program designed for students to engage in recycling and saving the environment. For more information, contact Monica Urbanski at [lqlq@frostburg.edu](mailto:lqlq@frostburg.edu).

### FSU Students Offer Free Tax Prep

Free help with basic 2008 federal and Maryland income tax returns will be offered through early April by FSU College of Business students trained and approved by the IRS. Faculty members will oversee these student preparers.

The IRS-sponsored Volunteer Income Tax Assistance Program offers this assistance to taxpayers filing Form 1040EZ, Form 1040A or a **basic** Form

1040 federal tax return. Electronic filing will also be available.

Appointments must be made in advance by calling Dr. Joyce Middleton, VITA site co-coordinator, at x4154. Students will work Saturdays from 11 a.m. to 3 p.m. in Framptom Hall (except **March 14** and **March 21**). A drop-off service will also be available throughout the week.

Taxpayers should bring tax packages mailed by the IRS and the state, W-2s from all employers, all Form 1099s, a copy of last year's returns, if available, and other relevant information. Taxpayer and dependent Social Security numbers must be verified with proof of ID. Taxpayers should also know the amount of any federal Economic Stimulus Payment received in 2008.

### Qigong Class

A Qigong class will be offered Tuesday evenings from **March 3 to March 31** from 6:30 to 7:30 p.m. at the Frostburg Community Center at 27 S. Water St. The instructor will be Hania Merrill.

Qigong (pronounced chee-gung) is an ancient Chinese self-healing system involving a series of gentle, natural exercises that regulates the flow of Qi, life energy in the mind and body. It creates harmony through the use of mind, breath control, easy movements and comfortable posture. This powerful 5,000-year-old Chinese healing art is the heart of traditional Chinese medicine.
