## Graduation Information

### Applying for Graduation

A system-generated graduation date is entered for all students beginning their freshmen year for the National Student Clearinghouse. The Clearinghouse reports enrollment and anticipated graduation dates for all students at FSU for financial aid/student loan purposes. In most cases, this date is just an estimate and not a reflection of your actual graduation date. You may check your graduation date using PAWS. You should apply one year prior to graduation. You may apply for graduation using PAWS. Go to your Student Center >Degree Progress>Apply for Graduation. You may also apply in person at the Student Services Office.

### Academic Requirements Report

You may review your academic requirements report using PAWS. Go to your Student Center>Degree Progress>My Academic Requirements. If you review your report and you see no major requirements listed something has not been accurately entered for you and you should go to the Registrar's Office to have it corrected.

For unknown plans or students thinking of changing their plan, you may view the requirements of any valid plan at FSU by going to What if Report and click on Create New Report.

Please direct any questions concerning your academic requirements report to your faculty mentor or program advisor.

### Student Academic Responsibility

You are responsible for planning your academic program and for meeting the requirements of the University and its departments. This responsibility includes understanding and following all degree requirements, academic regulations, and procedures.

You must obtain, retain, and consult regularly the sections from the catalog that govern your graduation requirements. The degree requirements specified in the catalog assigned to you at the time of admission or re-admission serve as a two-way contract between you and the University. The contract specifies that the basic requirements to earn a bachelor's degree, the General Education Program, and major and minor requirements will not be changed as long as you have completed a degree within seven years of the time of your initial enrollment in college. In turn, you are responsible for meeting these requirements.

Other academic regulations and procedures may change during the period of your enrollment, and it is your responsibility to know and follow the academic regulations and procedures currently in effect. All changes in regulations and procedures will be published in official University publications such as the Undergraduate and Graduate Catalogs, the Undergraduate Registration Guidelines and Graduate Schedule Booklet. Prior notice of changes will be provided. The current catalog may be accessed on the web: [www.frostburg.edu/ungrad/catalog.htm](http://www.frostburg.edu/ungrad/catalog.htm).

You are assigned a faculty mentor, whose role is to assist you in planning the academic program and in interpreting degree requirements and academic regulations. It is your responsibility to confer regularly with your mentor. The mentor provides the best, most current information possible, but, ultimately, it is your responsibility to request and use this advice wisely in meeting graduation requirements and following academic regulations.

After you declare a major, you are assigned a mentor in that department. It is your responsibility to declare or change your major so that an appropriate program advisor can be assigned. Forms for the declaration of a major, change of major, and change of program advisors are available in the FSU Student Services Office.

### Commencement

To participate in commencement, you must have successfully completed, or be enrolled during the semester prior to the ceremony, in all course work required for you to complete your degree. If you complete your degree requirements in January or May, you are eligible to participate in the May commencement ceremony. If you complete your degree requirements in August or December, you are eligible to participate in the December ceremony. Students who have completed all course work other than an internship, field experience, capstone, or practicum that by design or circumstance must be completed during Intersession or Summer can request an exception to these rules by making a written request to the Registrar's Office at least four weeks prior to the commencement ceremony.

You must have a 2.0 cumulative FSU grade point average and a 2.0 cumulative FSU grade point average in your major at the time of the request, as determined by the official degree audit performed by the Registrar.

Evidence must also be provided that you have enrolled in, and paid tuition for, the internship, field experience, capstone, or practicum that will meet the remaining requirements for graduation.

Participation in commencement does not confer a degree. Your degree will be posted on your official transcript and you will receive a diploma only after you have documented that you have met all degree requirements.

If you are approved to walk in the ceremony, your name will not appear in the commencement program and you are not considered for any University honors until the time you complete your requirements.

## 6 Academic Policies and Procedures

### Advising

Upon admission into the University you are assigned a faculty mentor. Undergraduate students must have their mentor check their enrollment box prior to registering thru PAWS. Drop/Add forms must be signed by your mentor in order to be processed.

### Change/Declaring a Major

Exceptions to these overload guidelines shall be made only upon the recommendation of the mentor and the approval of the department chair (or Assistant Provost if the student has not declared a major).

### Independent Study/

#### Research Paper/Thesis

If you are enrolling in an Independent Study or for a Research Paper, you must submit a completed Independent Study/Research Paper Form with the Course Registration Form. The form must be signed by the faculty supervisor of the project, the Department Chair and the Dean. This form may be obtained from an academic department.

The University will make every effort to offer scheduled courses. The University reserves the right, however, to cancel a course due to insufficient student registration. It also reserves the right to change instructors from those published in the course listings.

### Pass/Fail Option

Please see the current Catalog for more details.

If a student or employee chooses to forward University email to another account, he or she is responsible for all information, including attachments, sent to the other email account.

### Student Responsibilities

You are responsible for checking your University email account and reviewing relevant information on a daily basis. You will be given a maximum of 10 megabytes of storage on the email server.

You must purge unnecessary messages from your account to avoid exceeding their storage quota. Exceeding the quota will prevent the delivery of additional email messages.

### Statement on Non-Discrimination and Equal Opportunity

Frostburg State University affirms its commitment to a campus environment that values human diversity and respect for all individuals. To that end, Frostburg State University does not discriminate on the basis of race, color, religion, sex, gender, sexual orientation, gender identity or expression, national or ethnic origin, age, status as an individual with a disability (including pregnancy), veteran status, genetic information, or other protected classes under applicable state and federal laws. It is the policy of Frostburg State University to ensure all persons have equal opportunity and access to its academic and educational programs, services, activities, and facilities and this commitment shall be an integral part of every aspect of the academic and employment programs and processes, including, but not limited to, the recruitment, selection, testing, training, promotional advancement, and treatment of employees.

Any member of the Frostburg State University community has the right to raise concerns or make a complaint regarding discrimination or equal opportunity without regard to personal factors that are irrelevant to the program involved and without fear of retaliation.

- Inquiries regarding non-discrimination policies and procedures and complaints of discrimination, harassment and retaliation may be directed to Dr. Ben Brauer, Office of ADA/EEO & Immigration Compliance, 126 Hitchins, 301-687-3035; [btbrauer@frostburg.edu](mailto:btbrauer@frostburg.edu).

- Inquiries regarding Title IX policies and procedures and complaints of sexual harassment, sexual assault and other forms of sexual misconduct may be directed to the Office of Gender Equity, 126 Hitchins, 301-687-3035.

## Family Educational Rights and Privacy Act (FERPA) Information

Annually, Frostburg State University informs students of the Family Educational Rights and Privacy Act of 1974, (Buckley Amendment). This act, with which the University intends to comply fully, was enacted to protect the privacy of education records, to establish the right of students to inspect their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Policy and Regulations Office concerning alleged failures by the University to comply with the Act.

The University's Policy on the Disclosure of Student Records explains in detail the procedures used for compliance with the provisions of the Act and lists educational records maintained by the University. A summary of The University's Policy on the Disclosure of Student Records is printed in the *Pathfinder* and *FSU Catalog*. In addition, copies of the complete policy are available in the Registrar's Office, Pullen 144.

You may complete the Release of Information and Directory Restrictions forms in PAWS. To release information, go to your Student Center > Academic Records > Release of Information. To restrict information, go to your Student Center > Personal Information > FERPA Restrictions. Release of Information forms are purged at the completion of each academic year.

## Grade Grievance Procedures

The University grade grievance procedures are designed to streamline the process by resolving grade disputes as soon as possible using non-adversarial methods.

1. The only basis for filing a grievance under these procedures is arbitrary and capricious grading.
2. You must request that the Department Chair mediate the grade dispute no later than the 15th class day of the semester following the term in which the disputed grade was received (September 18, 2023, for grades received in spring 2023 or summer 2023).

3. If mediation does not resolve the dispute, you must file a written grievance with the instructor's school dean no later than the 30th class day of the following semester (October 9, 2023, for grades received in spring 2023 or summer 2023).

The full text of the University Procedures for Review of Alleged Arbitrary and Capricious Grading may be found in the current Undergraduate and Graduate Catalogs and the Pathfinder.

## Course Repetition and Grading

Any course taken at Frostburg State University for the Core Skills Requirements of the General Education Program must be repeated until a satisfactory grade is achieved - at least a C in all courses.

A course may be counted toward graduation requirements only once regardless of how many times it is repeated unless the officially approved course description states that the course can be repeated for credit.

Beginning with courses repeated in fall 2007 and after, when you repeat coursework in which you earned a grade of A, B, C, D, F, FX or WF, the last grade earned, whether higher or lower, will count in your cumulative grade point average. Only a grade of A, B, C, D, F, FX, WF, or P (in courses where all students are graded P/F) can replace the previous grade earned. The earlier grade will continue to appear on your transcript, but the credit hours attempted or earned and the grade earned in the previous attempt will not be used in calculating the cumulative grade point average and cumulative credits. The coursework must be repeated at Frostburg State University.

## Call to Active Military Duty

A student called to active military duty during a national or international crisis or conflict should inform the University of the reason for his/her withdrawal prior to leaving, including presentation of copies of appropriate military orders, in order to benefit from special policies and procedures governing interruption of one's academic career for such military service. Please contact any one of the following offices, who will assist in facilitating your withdrawal and will contact other offices to insure that special exemptions concerning refunds and W or I grades are applied:

## 8 Academic Policies and Procedures

### Transferring Credits for Continuing Students

Once you enroll as a degree candidate at Frostburg State University, you must request prior permission to pursue course work at another institution and transfer it into your program at Frostburg State. This procedure is for your protection to ensure that course work is transferable, is equivalent to the course for which you seek credit, and meets the requirement you want to fulfill. Grades earned at other institutions are not included in your FSU grade point average.

**If you have 0-89 total credits earned** (including previous transfer credits and credits in which you are currently enrolled at FSU or elsewhere), you must follow these procedures:

1. Obtain a list of course offerings and catalog descriptions for the course(s) you want to take at another institution.
2. Complete the Authorization to Attend Another Institution Form.
3. The Hagerstown Center will forward the form to the Registrar's Office to have course equivalencies determined by a Transfer Credit Officer in the Admissions Office.
4. The Registrar's Office will sign off as final approval and you will receive a copy of the form.
5. Take the approval form to register at the other institution.
6. After completion of the course work, have an official transcript forwarded from the other institution to: Frostburg State University, Registrar's Office, 101 Braddock Road, Frostburg, MD 21532-1099.

In addition to the steps noted above, the following special rules apply:

**If you have 90 or more total credits** (including previous transfer credits and credits in which you are currently enrolled at FSU or elsewhere), you may transfer a maximum of seven additional credits of general education or general elective course work, provided that you still earn a minimum of 30 credits towards the degree at Frostburg State University. These credits may include courses that count toward the major or minor only if you will

earn half of your major or minor credits at Frostburg State University. After you have a total of 90 or more credits:

1. Your program advisor (or department chair/coordinator) must give prior approval for additional transferred credits of general education or general elective course work.
2. Your department chair or coordinator must give prior approval for additional transferred course work that counts toward the major or minor.

**If you have 70 credits transferred from two-year colleges**, you cannot transfer additional credit from a two-year college. This is a State regulation and no exceptions are allowed.

Exceptions to the rules specified above require a written appeal to the Academic Standards Subcommittee, Hitchins 213, at least one month prior to the term in which you wish to study at another institution.

### Distance Education

The principal mission of distance education at Frostburg is to enhance student access to the University's academic programs. The University is committed to providing students the support and resources they need to succeed as participants in distance education.

Interactive video instruction at FSU is conducted through the University System of Maryland's Interactive Video Network (IVN). This network allows students the opportunity for interaction with other institutions within the state of Maryland and beyond, particularly between the University System of Maryland at Hagerstown and FSU's main campus.

For information about distance learning opportunities, contact the Center for Instructional Technologies.

### Online and Remote Courses

Online and remote courses at FSU allow students to pursue their degree requirements outside of the traditional classroom setting and can accelerate or enhance their time to degree. They also help students acquire the technical skills and learning strategies important to the pursuit of their academic and career goals. Courses taught online and remote at FSU have most of their class materials

(other than textbooks) available electronically and use the web as the primary means of communication. These courses may require some on-site contact between students and the instructor (e.g., an orientation session or proctored testing) at various times throughout the academic term. Frostburg State University's online courses are open to all eligible students who are prepared to learn in an online environment.

When using PAWS to do a Basic Class Search, under Campus choose "Online Courses". This will list all available online courses.

### Six-Week 2 Intensive Online Courses

Intensive courses will be offered exclusively online during the last six weeks of the semester.

Oct. 16 Last day to register

Oct. 23 First day of class

Oct. 27 Last day to file pass/fail option

Nov. 14 Last day to withdraw with a W

Dec. 11 Last day of classes

### Blended Courses

Blended courses involve a combination of online and face-to-face instruction where a significant proportion of student learning activities are online and the time students physically spend in the classroom is significantly reduced but not entirely eliminated. The amount of instructional materials presented online and the time students spend in the classroom will vary according to the requirements of the course as set by the instructor.

***Ebills are sent to registered students on July 7. Tuition, fees, and all previous balances are to be paid in full or acceptable financial arrangements made no later than August 11, 2023. No paper bills will be mailed.***

## Payment of Account

It is in your best interest to pay by **certified check, treasurer's check, or cashier's check**. Please do not send cash by mail. Refunds are delayed by 15 business days when you pay by personal check or ACH. If you receive Senatorial Scholarships (or other awards from the Maryland State Scholarship Board), National Defense Loans, Educational Opportunity Grants, and/or Other Grants those amounts are deducted. If an award is not made by July 5, this amount is unlikely to appear on the bill. In this case, notification is sent from the Financial Aid Office to the University and Student Billing Office. You may deduct this amount from the bill. If official notification is not received until after filing, you must pay the amount shown. A refund is made upon written request from the student.

You may pay online using Visa, Master Card, Discover, or American Express, (a convenience fee applies). ACH (electronic check) is also available on-line. Login to PAWS and click make a payment.

The payment deadline is August 11, 2023  
A late payment fee of \$30 is assessed  
beginning August 28, 2023.

Once you go through the registration process, you are obligated to pay fees even though you withdraw from the University.

**You must sign up to receive your Ebill notification. Login to PAWS Student Center and click view e-bill to set it up. No bills are mailed.**

Failure to pay your bill does not constitute withdrawal from the University. You must notify the Registrar's Office in writing to withdraw.

## Payee Designation

Designate Frostburg State University as the payee on checks, money orders, certified checks, traveler's checks, and cashier's checks. Send your payment to the University and Student Billing Office and identify the account to be credited.

## Application Fee

First time FSU students, please include an additional separate check for the \$30.00 Application Fee, along with the completed Application Form.

## Six-Week 2 Intensive Courses

Students are expected to enroll in intensive courses during the regular registration period. Intensive courses are counted towards full time tuition and are part of your semester bill. Students registering for accelerated courses after the add/drop period, that are not already full time, must pay at the time of registration.

## Employer Paid Tuition/Fees

Students must present written verification of employer's intent to pay during the period when bill payment is due. Student must also fill out a Deferred Payment Form (no charge) and pay any difference. Employer must pay based upon registration.

## Employee Tuition Remission

Tuition remission benefits are available for permanent faculty, staff, and retirees (including their spouses and dependent children) of Frostburg State University as determined by University policy. Eligible faculty and staff applying for Tuition Remission will use the online system <https://www.usmd.edu/tuition-remission/> for themselves and their eligible dependents. Retirees and schools not participating in the online process will continue to submit the paper form to HR.

The application should be completed as early as possible and no later than the last day of registration to afford proper credit and automated processing through the billing system. A new application for Tuition Remission must be completed for each term. Fees are due by the payment due date. See the quick links section on the above listed website for additional information.

## Previous Balance

You must pay previous balances and obligations in full before registering and attending a subsequent semester.

A previous balance results in the withholding of a student's transcript.

## Credit Balances

1. If you submit a written request before July 1, refund checks for credit balances (where eligible) become available at the University and Student Billing Office during late registration.
2. As a recipient of grants and loans received after July 1 and/or Senatorial Scholarships, you cannot receive refunds until all papers are processed, normally no sooner than four weeks following late registration.
3. Bobcat credit vouchers may be issued by the Billing Office if funds are delayed.
4. Please request Bobcat vouchers by August 16, 2023.

## Payment Plan

Frostburg State University has partnered with Higher One to offer a payment plan through TuitionPay. The plan is an interest-free, debt-free way to spread tuition payments over a number of months. To enroll in our payment plan, go to <https://tuitionpaymentplan.com/frostburg> or call 877-821-0625.

## 4-Pay Plan

Enrollment in the 4-pay plan is for one semester. The total billed amount less anticipated financial aid is divided by four. Cost of the plan is \$45/semester. Fall due dates: August 1, September 1, October 1 and November 1. Spring due dates: January 1, February 1, March 1 and April 1.

All students with a balance due who are not enrolled in a payment plan, have 3rd party payment, or financial aid are assessed a \$75 payment plan fee after September 15, 2023.

## STAFFORD LOANS

### Federal Stafford Loans

You may apply for subsidized loans, which means that the federal government will pay the interest on your loan while you are in school and during specified deferments. You must demonstrate financial need to receive the loan. The amount of your loan is based on such eligible factors as documented need, enrollment status, and academic program.

### Unsubsidized Federal Stafford Loans

After being considered for a subsidized Stafford Loan, you may be evaluated for another option, the Unsubsidized Stafford Loan. The federal government does not pay your interest on this loan during your enrollment in school, during any grace period, or during periods of deferment. Accordingly, you are responsible for payment of interest during these periods. You, as the borrower, may choose to pay the interest during these periods or request that the interest be added to the loan principal, no more frequently than quarterly. So long as you continue your enrollment at least half-time, your deferment remains.

### How to Apply

You can gain information about the application process for all types of aid including eligibility requirements by contacting the Financial Aid Office at 301-687-4301.

### Please Note:

Federal regulations require your written permission to deduct, from your financial aid on an **annual basis**, miscellaneous institutional charges such as library fines, etc. The form is available online through PAWS self-service accept/decline financial aid. If you choose, **not** to complete the permission form, you will be responsible for paying the miscellaneous obligation(s) from personal funds by the bill payment deadline date. The University may **not** apply your loan funds to any charge(s) assessed to you in a prior award year.

## FROSTBURG STATE UNIVERSITY FINANCIAL RESPONSIBILITY POLICY

Registering for courses at Frostburg State University is a contractual agreement, whereby you agree to comply with all laws, rules and regulations applicable to your registration, payment of fees, enrollment and attendance. The rules and regulations that comprise the terms and conditions of this contract are contained in the FSU catalog in effect during the years of your enrollment.

In addition to reading, agreeing with and accepting all of the terms and conditions set forth in the FSU catalog, you must specifically acknowledge the following:

1. All fees and other University expenses are due on the date listed in the written registration materials and on the FSU website for each semester. A late payment fee is assessed for all students who have not completed the payment or made payment arrangements by the due date. Students may enroll in a payment plan through FSU's third party provider, or the FSU in-house payment plan for summer and intersession. More information about payment plans is available on the FSU website and in the Office of the Bursar.
2. It is the student's responsibility to cancel their registration by dropping all courses before the end of the registration period if proper financial arrangements have not been made. The student is responsible for ensuring that he or she is no longer enrolled.
3. It is the student's responsibility to complete all of the requirements for the Office of Financial Aid to disburse, provide third-party documentation, enroll in an approved payment plan, or submit payment, by the billing due date each semester. Any student who has not completed payment or joined a payment plan by the 10th business day of the semester will be charged a fee and placed into a payment plan that splits the amount due into two payments. Additionally, the student will be assessed a late payment and a late registration fee. Each subsequent late payment will result in an additional fee.
4. It is the student's responsibility to review their bill and submit payment in a timely manner. Students are notified each semester through their Frostburg email account that the e-bill is available for viewing. The student must then enroll in the E-bill system via their PAWS account. The student may also add another payer to the E-bill. Both the student and the additional payer will receive an email each time a bill is generated.
5. FSU reserves the right to withhold future services (registration, transcript request, diploma, etc.) to persons who have any outstanding obligations with the University or who has an account that was submitted to the Maryland State Central Collection Unit.
6. In the event that financial aid is reduced or cancelled, or in the event the student has not met the specified requirements for receiving such aid, the student will become responsible for the full balance of outstanding charges.
7. If payment is in the form of a check (or E-Check) and the check is returned by the bank for any reason, a \$30 fee will be charged to the account. If payment is not made, the student's account may be submitted to the Maryland State Central Collection Unit.
8. Students leaving FSU prior to the 60% point in the semester, officially or unofficially, are obligated to return the federal aid received for that semester in accordance with the University's Return of Title IV Funds Policy. Failure to return that portion of federal aid received may result in the amount owed being transferred to the Maryland State Central Collection.
9. Any debt owed to FSU as a result of the student's failure to make required payments or failure to comply with the terms of the applicable program as governed by the FSU catalog will be a breach of the terms and conditions of this contract. Failure to respond to demands for payment made by FSU may result in such debts being transferred to the Maryland State Central Collection Unit.
10. Any debts transferred to the Maryland State Central Collection Unit will be assessed a 17% collection fee at the time of transfer and this information will become part of a student's credit report.

**ONCE YOU REGISTER FOR COURSES, YOU ARE AFFILIATING WITH FROSTBURG STATE UNIVERSITY (FSU), AND THAT YOU ARE A PARTY TO A CONTRACT WITH FSU AND TO THE TERMS AND CONDITIONS DESCRIBED ABOVE. YOU ARE FURTHER AGREEING THAT YOU HAVE READ, UNDERSTAND AND WILL BE BOUND BY SUCH TERMS AND CONDITIONS.**

If you have any questions regarding this Financial Responsibility Policy, please e-mail the Bursar's Office at [billingoffice@frostburg.edu](mailto:billingoffice@frostburg.edu) or call the Bursar's Office at 301-687-4321.

### Law Governing Financial Aid and Withdrawal

The Higher Education Act of 1998 established new rules regarding how colleges and universities determine the amount of financial aid that a student can retain if he/she withdraws. The new law was implemented at Frostburg State University beginning in Fall 2000. The following information describes how this law will be applied using a specific formula that the government has defined.

### Implications Of Withdrawal From The University

Effective Fall 2000, all students who withdraw or are dismissed from the university (including unofficial withdrawals) and attend less than 60% of the enrollment period (semester), will have their Title IV federal financial aid prorated based on the actual days of attendance. Therefore, before a student considers withdrawal, he/she should meet with a financial aid counselor to determine the financial impact on his/her federal financial aid. Title IV Federal aid includes, Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Perkins Loan, Stafford Loans (Subsidized and Unsubsidized), and Parent Loan to Undergraduate Students (PLUS).

Under this policy, the Financial Aid Office will determine the percentage of Title IV aid earned based on the length of enrollment. Once determined, the student may be responsible for charges that were once covered by Title IV aid. In some cases, a student may have to repay a portion or all of his/her refund as a result of withdrawing before 60% of the enrollment period elapses. After the unearned portion of financial aid has been established, the funds will be returned to the federal programs in the following order: Unsubsidized Stafford Loans, Subsidized Stafford Loans, Federal Perkins Loans, Federal PLUS Loans, Federal Pell Grants, and Federal Supplemental Educational Opportunity Grants. In cases where a student is receiving institutional funds, he/she should check with the Financial Aid Office for policies concerning these awards.

Note: Students who unofficially withdraw and receive FX grades will not be eligible for financial aid for a subsequent semester. In addition, students may have to repay money that was awarded in the semester from which he/she unofficially withdraws. These students will have the right to appeal to a university official where mitigating circumstances exist. Check with the Financial Aid Office for details.

If you have any questions concerning the law, please contact the Financial Aid Office at 301-687-4301.

### Financial Aid Satisfactory Progress Standards

The United States Department of Education mandates that colleges and universities have in place satisfactory progress standards (SAP) that must be met in order for a student to receive Title IV funds (Federal Pell Grants, Federal Subsidized and Unsubsidized Loans, Federal PLUS Loans, Federal Supplemental Education Opportunity Grants, Federal Work-Study, and Federal Perkins Loans). In addition, the Financial Aid Office uses satisfactory academic progress standards to determine eligibility for FSU grants and Maryland State Scholarship awards. The SAP policy can be reviewed online at <http://www.frostburg.edu/ungrad/faid/satisfactoryacademicprogress.htm>.

### Procedures for Verification of Enrollment for Students

Frostburg State University has authorized the National Student Clearinghouse to act as its authorized agent for providing enrollment verifications. Students may obtain a verification of enrollment letter free of charge, 24 hours/7 days a week, through the National Student Clearinghouse using PAWS - Student Center >Enrollment> Enrollment Verification.

## Textbook Ordering Procedures for Undergraduates Frostburg State University at USMH

Textbooks may be purchased in person in the Bookstore on the Frostburg State University main campus or online at the Bookstore's web site.

The bookstore places orders for textbooks from publishers when they are received by the department/faculty who teaches the specific class. We do not stock textbooks until it is known what books are going to be used for the class. As the textbooks are received from the publishers, they are priced and put on sale. Typically textbooks for the upcoming semester are not available for sale more than two weeks prior to the first day of class.

If you choose to make your purchases in person, bookstore staff is always available for assistance. Please have your class schedule with you for faster service. Regular bookstore hours are Monday-Friday 8:00am to 4:15pm. During the first two weeks of the semester there are extended hours, usually until 6:30pm.

If you choose to make your purchases online, visit <http://bookstore.frostburg.edu> and choose textbooks, then follow the prompts to complete your order. Textbooks may be either shipped to you by UPS ground (shipping charges apply), picked up at USMH-Office 305, or picked-up in person in the bookstore. For USM Hagerstown pick-up and for using financial aid funds for textbook purchases, please contact Kathy Griemsmann for procedures, 240-527-2741. Please have your class schedule with you when you go online as the textbooks are listed by Dept. Course and Section Number. If your particular Section Number is not listed it is probably because we didn't receive a request from the department/faculty for a textbook.
