Important Information for Students

Family Rights and Privacy Information

Annually, Frostburg State University informs students of the Family Educational Rights and Privacy Act of 1974, (Buckley Amendment). This act, with which the University intends to comply fully, was enacted to protect the privacy of education records, to establish the right of students to inspect their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with The Family Educational Rights and Privacy Office (FERPA) concerning alleged failures by the University to comply with the Act.

The University's Policy on the Disclosure of Student Records explains in detail the procedures used for compliance with the provisions of the Act and lists the educational records maintained by the University. A summary of the University's Policy on the Disclosure of Student Records is published online at www.frostburg.edu/Pathfinder. In addition, copies of the complete policy are available in the Office of the Registrar, Pullen 144.

Your request to withhold the release of directory information for the Spring 2026 semester must be submitted, in writing, to the Office of the Registrar by January 30, 2026.

Billing Information

Tuition, fees, and all previous balances are to be paid in full or acceptable financial arrangements made in order to register. Please refer to the academic calendar and the below schedule for information on payment and refund deadlines.

Acceptable Financial Arrangements

Acceptable financial arrangements must be made by the established due date. Once you go through the registration process, you are obligated to pay fees even though you withdrew from the university. If you decide not to attend, you must withdraw from your classes to have charges voided.

1. **Cash, Check, Money Order, or online via Credit Card:** It is in your best interest to pay by **certified check, treasurer's check, cashier's check, cash, or credit card**. Please do not send cash by mail. Refunds are delayed by 15 business days when you pay by personal check or electronic check (ACH).
2. **Employee Authorization:** You may provide a letter from your employer on letterhead stationery authorizing the University to send your bill directly to your employer. *A letter authorizing FSU to bill directly to your employer is not the same as your employer reimbursing you after completion of the course(s).* Government employees should submit a completed Standard Form 182, DA Form 2171, or DD Form 1556. If your employer is paying only part of your bill, you will receive a bill for

the balance of the tuition and fees. If your employer is also paying for your books, please send a separate copy of the authorization to the bookstore with your book order.

3. Payment Plans:

Frostburg State University has partnered with CashNet to offer payment plans for the semester. The plan is an interest-free, debt-free way to spread tuition payments over a number of months. To enroll in the payment plans, log in to your PAWS account and go to the Student Center and click view e-bill. Payment plan options are available by clicking view E-Bill and enrolling in one of the plans.

4. 4- Pay Plan payment

Enrollment in the 4-pay plan is for one semester. The total billed amount less anticipated financial aid is divided by four. Cost of the plan is \$45/semester. Fall due dates: August 1, September 1, October 1, and November 1. Spring due dates: January 1, February 1, March 1, and April 1.

All students with a balance due who are not enrolled in a payment plan, have 3rd party payment, or financial aid are assessed an additional \$75 late payment fee on February 9, 2026.

E-bill notification

Paper bills are not sent to student: Notification that an E-bill is available is sent to your FSU email account. You must be registered for courses and sign up to receive your E-bill notification by December 1. Students registering after December 18 will not be able to access E-bills until after January 1. You will be notified by the billing office via email to check your E-bill.

Bill Payment Due Dates

15 week & 7 week 1 - January 2, 2026

7 week 2 - March 1, 2026

Payment deadlines are also available through the university billing website. Please check your account summary for billing details. Login to PAWS and click on Self Service then Student Center. Scroll down to finances then click View E-Bill to view your E-Bill. You may pay in full on-line with MasterCard, Discover, Visa or American Express (a convenience fee applies). ACH (electronic check) is also available on-online with a \$0.50 fee. Log in to PAWS or www.frostburg.edu/admin/billing.

Insufficient Registration and Instructor Changes

The University will make every effort to offer scheduled courses. The University reserves the right, however, to cancel a course due to insufficient student registration. We also reserve the right to change instructors from those published in the course listings.

Payee Designation

You are to designate Frostburg State University as the payee on checks, money orders, certified checks, traveler's checks, and cashier's checks. Send your payment to the Office of University Billing and identify the account to be credited.

Previous Balance

You must pay previous balances and obligations in full before registering and attending in a subsequent semester.

Charges for Collection of Fees

A 17% collection fee is added by the State Central Collection Unit to your account when you do not pay promptly. Also, your account is referred to the Central Collection Unit. If further collection action is required and an outside collection agency is retained, those charges are also added onto your bill. Your Maryland State Tax Income Refund will be held for non-payment of state obligations. Additionally, debt is reported to the credit bureau as a delinquency.

Return Check Consequence

If your payment is returned for any reason, a \$30 fee is assessed. Personal checks or electronic checks returned for any reason, the FSU Office of University Billing will not accept your personal checks in the future for payment of tuition and fees. For future payments, you must use a money order, cashier's check, or cash. Payment must be based on enrollment, not successful completion of a course. ACH and credit card returns are also assessed a \$30 fee.

Third Party Payment

In order to defer payment to a third party, a deferment form must be completed and documentation provided by the vendor i.e. Military, Department of Rehabilitation.

Tuition Refund

Payment must be received based upon enrollment, not successful completion, of course to qualify.

1. The date you personally submit the Withdrawal Form to the Office of the Registrar or the Office of Graduate Admissions, or use PAWs to electronically withdraw determines the amount of the credit and/or refund. The effective date of a mailed or emailed request to drop or withdrawal will be the date postmarked on the envelope or date of email submission.
2. The refund schedule on this page shows dates on which each proportionate refund applies. Please familiarize yourself with this policy before dropping a course or withdrawing from the University. Additionally, you should check with the financial aid office to determine how, if any financial aid will be impacted before you drop a course.
3. You must request a refund in writing to the billing office.
4. Residential meal plans are pro-rated weekly if a student withdraws. Voluntary meal plans are non-refundable. Housing is not pro-rated.
5. Any unpaid charges on a student's financial account with the University will be subtracted from the refund due prior to processing the refund request.
6. If you are dismissed by the University for disciplinary reasons, you are not entitled to a refund of tuition, fees and room.

Frostburg State University Financial Responsibility Policy

Registering for courses at Frostburg State University is a contractual agreement, whereby you agree to comply with all laws, rules and regulations applicable to your registration, payment of fees, enrollment and attendance. The rules and regulations that comprise the terms and conditions of this contract are contained in the FSU catalog in effect during the years of your enrollment.

In addition to reading, agreeing with and accepting all of the terms and conditions set forth in the FSU catalog, you must specifically acknowledge the following:

1. All fees and other University expenses are due on the date listed in the written registration materials and on the FSU website for each semester. A late payment fee is assessed for all students who have not completed the payment or made payment arrangements by the due date. Students may enroll in a payment plan through FSU's third-party provider, or the FSU in-house payment plan for summer and intersession. More information about payment plans is available on the FSU website and in the Office of the Bursar.
2. It is the student's responsibility to cancel their registration by dropping all courses before the end of the registration period if proper financial arrangements have not been made. The student is responsible for ensuring that he or she is no longer enrolled.
3. It is the student's responsibility to complete all of the requirements for the Office of Financial Aid to disburse, provide third-party documentation, enroll in an approved payment plan, or submit payment, by the billing due date each semester. Any student who has not completed payment or joined a payment plan by the 10th business day of the semester will be charged a payment plan fee and placed into a payment plan that splits the amount due into two payments. Additionally, the student will be assessed a late payment and a late registration fee. Each subsequent late payment will result in an additional fee.
4. It is the student's responsibility to review the bill and submit payment in a timely manner. Students are notified each semester through their Frostburg account email that the e-bill is available for viewing. The student must then enroll in the E-bill system via their PAWS account. The student may also add another payer to the E-bill. Both the student and the additional payer will receive an email each time a bill is generated.
5. FSU reserves the right to withhold future services (registration, transcript request, diploma, etc.) to anyone who has any outstanding obligations with the University or who has an account that was submitted to the Maryland State Central Collection Unit.
6. In the event that financial aid is reduced or cancelled, or in the event the student has not met the specified requirements for receiving such aid, the student will become responsible for the full balance of outstanding charges.
7. If payment is in the form of a check (or E-Check) and the check is returned by the bank for any reason, a \$30 fee will be charged to the account. If payment is not made, the student's account may be submitted to the Maryland State Central Collection Unit.

8. Students leaving FSU prior to the 60% point in the semester, officially or unofficially, are obligated to return the federal aid received for that semester in accordance with the University's Return of Title IV Funds Policy. Failure to return that portion of federal aid received may result in the amount owed being transferred to the Maryland State Central Collection.
9. Any debt owed to FSU as a result of the student's failure to make required payments or failure to comply with the terms of the applicable program as governed by the FSU catalog will be a breach of the terms and conditions of this contract. Failure to respond to demands for payment made by FSU may result in such debts being transferred to the Maryland State Central Collection Unit.
10. Any debts transferred to the Maryland State Central Collection Unit will be assessed a 17% collection fee at the time of transfer and this information will become part of a student's credit report.

ONCE YOU REGISTER FOR COURSES, YOU ARE AFFILIATING WITH FROSTBURG STATE UNIVERSITY (FSU), AND YOU ARE A PARTY TO A CONTRACT WITH FSU AND TO THE TERMS AND CONDITIONS DESCRIBED ABOVE. YOU ARE FURTHER AGREEING THAT YOU HAVE READ, UNDERSTAND AND WILL BE BOUND BY SUCH TERMS AND CONDITIONS.

If you have any questions regarding this Financial Responsibility Policy, please e-mail the Bursar's Office at billingoffice@frostburg.edu or call the Bursar's Office at 301-687-4321.

Financial Aid

Application Process

All students applying for financial aid through the University must complete the *Free Application for Federal Student Aid (FAFSA)*. The application is available online at <https://studentaid.gov>. By successfully completing this federal application and adding FSU's school code (002072), graduate students will have completed the first step to being considered for federal, state, and institutional aid.

Scholarships

Information on FSU Scholarships is available at the following link:

<https://www.frostburg.edu/admissions-and-cost/financial-aid/types-of-aid/scholarships.php>

Student Loans

Federal Loan Programs are the major form of self-help aid that is available to graduate students who are enrolled for at least five credits per semester. To be considered for federal loans, a student must complete the FAFSA form.

A Direct Unsubsidized Loan is a federal loan available to graduate students who have completed a FAFSA and are enrolled at least half-time. The amount that a student can borrow is dependent on the school's determined cost of attendance. You are responsible for paying the interest on a Direct Unsubsidized Loan during all periods.

****(For students who have utilized Grad Plus Loans prior to July 1, 2026)**** A Federal GRAD PLUS Loan can be approved once all eligibility for the Federal Unsubsidized Direct Loan has been exhausted. However, the GRAD PLUS Loan requires students to complete a separate Graduate Plus Loan application on studentaid.gov. The application process includes a credit check. *Interest on the GRAD PLUS loan begins when the loan is disbursed and continues until the loan is paid in full. Interest rates are determined yearly by the US Department of Education. Please check with the Financial Aid Office for the interest rate annually.*

*Note: If your interest is capitalized, it will increase the amount you have to repay. If you choose to pay the interest as it accumulates, you will repay less in the long run. **Grad Plus Loans will no longer be an option for new borrowers starting in the 26/27 aid year.***

Generally, a graduate student can borrow up to \$20,500 each academic year in a Federal Unsubsidized loan. Keep in mind that a student may receive less in loan funding if he/she receives other financial aid or resources (such as the benefit of tuition waivers) that are used to cover a portion of your cost of attendance. The GRAD PLUS loan does not have an eligibility ceiling; however, a student can only borrow up to the submitted cost of attendance each year.

IMPORTANT NOTES ABOUT FINANCIAL AID INCLUDING STAFFORD LOANS

- ☐ Students must reapply for financial aid each year
- ☐ Graduate Students must be enrolled for at least 5 credits
- ☐ Students must be fully accepted and in good SAP standing to a degree program

Graduate Satisfactory Academic Progress (SAP)

The United States Department of Education mandates that Frostburg State University has an established Satisfactory Academic Progress policy for financial aid recipients. The policy must be qualitative and quantitative. The policy must be at least as strict as the academic policy governing students not receiving financial aid. If a student completes the Free Application for Federal Student Aid (FAFSA), he or she is subject to these regulations.

Qualitative Requirement (GPA)

Frostburg requires graduate students to have a 3.0 cumulative grade point average to graduate. The SAP standards for graduate students mirror the graduation requirements. Graduate students must maintain a 3.0 cumulative grade point average to continue to receive financial aid.

Students need to be aware that they could be required to appeal both to their program coordinator to remain enrolled at FSU academically and the Financial Aid Office to maintain financial aid eligibility.

Quantitative Standards (completion rate)

Students must complete 67% of all courses attempted including courses transferred to FSU to meet SAP regulations. To determine the completed average, a student needs to add all attempted hours (including credits transferred to FSU), add all the hours of completed courses (including credits transferred to FSU), then divide the completed credit hours by the attempted credit hours.

Example: 6 completed credit hours / 12 attempted credit hours = 50% completion rate

Maximum time to completion FSU graduate students cannot attempt above 150% of the total number of credits needed to earn a degree. Due to graduate programs requiring a different number of credits per program, students will need to calculate this rule based on their program of study.

Attempted credits include the following grades A, B, C, D, F, P, N, FX, W, WF, NC, NR, CS, I, AP, CE, CL, IB, PT and all transfer credits.

Completed credits include the following grades A, B, C, D, P, AP, CE, CL, IB, PT and all transfer credits.

All students will be evaluated at the end of each semester (summer, fall, intersession and spring). Students will need to review the progress rules and their transcript when making enrollment decisions.

Frostburg State University evaluates and measures students by standards established in federal regulations. Each student will have one of four statuses:

1. Meets SAP standards (eligible to receive financial aid)
2. SAP Warning (explanation below)
3. SAP Probation (explanation below)
4. SAP Not Met (not eligible to receive financial aid)

SAP Warning

Students who **do not meet standards for the first time in their academic career** will be placed on **SAP warning**. A warning is assigned to a student who fails to meet SAP but is allowed to continue to receive Title IV aid for **one** additional payment period (semester).

SAP Probation

Students who do not meet SAP standards after one payment period on SAP Warning will be denied financial aid. However, students will then have the right to appeal by submitting an appeal form, academic plan, and in most cases accompanying support documentation. If the appeal is granted, the student will be placed on **SAP probation** and continue to receive Title IV aid for **one** additional payment period. Students will receive an email notification to their FSU email account. Additional communications via Navigate and academic advisors may also be utilized.

Appeals will be considered for the following circumstances:

1. Students who demonstrate the following extenuating circumstances: death of a relative, injury or illness of the student, or other special circumstances.
2. The school has determined that the student will be able to meet SAP standards after the subsequent payment period and
3. An academic plan had been established by the student and/or his or her advisor to meet graduation requirements and the student continues to follow the academic plan.

Students will not be allowed to appeal each semester if they do not meet SAP standards for the same reasons. Once a student is on SAP probation, he or she must meet SAP standards the next semester or meet the requirements of the previously developed academic plan to regain financial aid eligibility. The only exception to this rule is if a different extenuating circumstance occurs. Please contact the Financial Aid Office if you feel the exception applies to your situation.

The Financial Aid Office will evaluate each student individually to see if meeting standards is ever a possibility. If a student will never be able to meet one of the standards listed above, FSU has the right to deny aid indefinitely.

Special Note: Federal regulations require your written permission to deduct from your financial aid on an annual basis any miscellaneous institutional charges such as library fines, etc. You must sign a Use of Title IV Funds permission form located on the FSU University Student Billing Office website at (http://www.frostburg.edu/admin/billing/pdf/FORM_useoftitleivfunds.pdf). If possible, you should submit this permission form prior to billing. If you choose not to complete the permission form, you will be responsible for paying any miscellaneous obligation/s from personal funds by the bill payment deadline date. Please note: The University may not apply your loan funds to any charge/s assessed to you in a prior award year.

Return of Title IV Funds for Financial Aid Recipients

Frostburg State University performs the mandatory Return of Title IV Funds calculation. All Title IV financial aid recipients who officially and/or unofficially withdraw from the University are affected by this regulation. For example, Federal Stafford Unsubsidized Direct Loans and Federal GRAD PLUS Loans.

When a student withdraws from the University before 60% of the semester has elapsed, his or her Title IV financial assistance will be adjusted based on the amount of aid the student has earned up to the date of withdrawal. After the calculation has been performed, the amount of unearned aid will be returned to the various Title IV programs. The funds will be returned to the various programs in the following order:

Proration of Institutional Aid

If a grad student withdraws from FSU and was initially receiving institutional aid, such awards will be prorated in parallel with the university tuition refund percentages. For example, if the student receives a 40% refund of tuition, the institutional aid will then get prorated, and the student would keep 60% of the award. After the published tuition refund schedule comes to an end each semester, institutional aid is no longer prorated for withdraw situations.

Federal GRAD PLUS Loans, Federal Stafford Unsubsidized Direct Loan

Each student will be responsible for the remainder of his/her bill after Title IV funds have been returned. Therefore, a student contemplating a withdrawal from the University should contact the Financial Aid Office about how financial aid will be adjusted as a result of withdrawal.
