General Education Program

GEP Grading Policy

- The P/F grading option is not permitted in the General Education Program.
- The grading policy for all Core Skills is as follows:
  A-F grades will be assigned, with a CS possible for students who have met the CS criteria stipulated in the course syllabus. The grade of CS may be earned only once per course; any CS assigned thereafter will revert to an F. Exceptions to this policy will be made only with the recommendation of the instructor.
- A grade of C or better is necessary to satisfy each Core Skill.

Core Skills

Courses required of all students

- All Core Skills may be satisfied by examination.
- You are expected to take these courses during your first 24 credit hours, with the exception of the advanced composition course requirement.
- If you are placed in a required section of ENGL 101, ENGL 105 (Critical Reading), or DVMT 095 (Pre-Algebra Mathematics) based on your scores on University placement tests, you may not withdraw unless you are withdrawing from the University.
- Once you are enrolled in ENGL 101, First-Year Composition, you may drop the course only during the drop/add period of one week at the beginning of the semester (except for required developmental courses, which may not be dropped). Under unusual circumstances, the chair of the English department may approve exceptions. Poor performance would not normally constitute a basis for exception.
- You must continue taking a course which satisfies the requirement each semester until you have passed it with a grade of C or better.

Modes of Inquiry

- In Group E, IDIS 150 (First-Year FSU colloquium) or IDIS/SUST 155 (Introduction to Sustainability Studies) is required. The selected course should be completed prior to earning 45 hours or soon after transfer, if applicable.
- Other Modes of Inquiry courses should ordinarily be completed in the first 90 hours.

Bachelor of Science in Nursing
The Bachelor of Science in Nursing is a professional degree awarded only to students who complete the RN to BSN degree program. Orientation Requirement
Frostburg State University offers ORIE 101, Introduction to Higher Education, to provide new students with a complete introduction to all dimensions of college life. This one-credit course is required of all first-time students, including transfer students with fewer than 13 semester hours of transfer credit, and may be elected by any student who is new to FSU. You may not withdraw from this course unless you are withdrawing from the University. You will find a complete description of ORIE 101 in the Undergraduate Catalog.

In the fall semester, most ORIE 101 sections are part of learning communities in which students in your ORIE section will also enroll in at least one other class together. You may study a shared theme across a group of courses, enroll with others who share your interest in a potential major or career, or get to know students who are interested in using certain support services. Stand-alone ORIE 101 sections are offered primarily in the spring.

Graduation Information

Applying for Graduation
A system generated graduation date is entered for all students beginning their freshmen year for the National Student Clearinghouse. The Clearinghouse reports enrollment and anticipated graduation dates for all students at FSU for financial aid/student loan purposes. In most cases, this date is just an estimate and not a reflection of your actual graduation date. You may check your graduation date using PAWS. Once you have earned 70 credits you will be prompted to apply for graduation in PAWS. You should apply one year prior to graduation. You may also apply in person at the Registrar’s Office.

Academic Requirements Reports
You may review your academic requirements report using PAWS. Go to your Student Center > Other Academics drop down box > Academic Requirements > Go. If you review your report and you see no major requirements listed something has not been accurately entered for you and you should come to the Registrar’s Office to have it corrected.

For unknown plans or students thinking of changing their plan, you may view the requirements of any valid plan at FSU by going to What if Report and click on Create New Report.

Please direct any questions concerning your academic advising report to your academic advisor.

Student Academic Responsibility
You are responsible for planning your academic program and for meeting the requirements of the University and its departments. This responsibility includes understanding and following all degree requirements, academic regulations, and procedures.

You must obtain, retain, and consult regularly the sections from the catalog that govern your graduation requirements. The degree requirements specified in the catalog assigned to you at the time of admission or re-admission serve as a two-way contract between you and the University. The contract specifies that the basic requirements to earn a bachelor’s degree, the General Education Program, and major and minor requirements will not be changed as long as you have completed a degree within seven years of the time of your initial enrollment in college. In turn, you are responsible for meeting these requirements.

Other academic regulations and procedures may change during the period of your enrollment, and it is your responsibility to know and follow the academic regulations and procedures currently in effect. All changes in regulations and procedures will be published in official University publications such as the Undergraduate and Graduate Catalogs, the Undergraduate Registration Guidelines and Graduate Schedule Booklet. Prior notice of changes will be provided. The current catalog may be accessed on the web: www.frostburg.edu/ungrad/catalog.htm.

You are assigned an advisor, whose role is to assist you in planning the academic program and in interpreting degree requirements and academic regulations. It is your responsibility to confer regularly with your advisor. The advisor provides the best, most current information possible, but, ultimately, it is your responsibility to request and use this advice wisely in meeting graduation requirements and following academic regulations.

After you declare a major, you are assigned an advisor in that department. It is your responsibility to declare or change your major so that an appropriate advisor can be assigned. Please see the Department Chair of the major you wish to declare.

Commencement
To participate in commencement, you must have successfully completed, or be enrolled during the semester prior to the ceremony, in all course work required for you to complete your degree. If you complete your degree requirements in January or May, you are eligible to participate in the May commencement ceremony. If you complete your degree requirements in August, or December, you are eligible to participate in the December ceremony. Exceptions to these rules require a written request to the Registrar’s Office at least four weeks prior to the commencement ceremony, accompanied by evidence that you have enrolled in, and paid tuition for, course work that will meet the remaining requirements during the summer session immediately following May commencement or the January Intersession immediately following December commencement. Permission will be granted only if you have no more than two courses totaling no more than nine credits remaining to complete your degree and have a 2.0 cumulative FSU grade point average and a 2.0 cumulative FSU grade point average in your major at the time of the request, as determined by the official degree audit performed by the Registrar.

Participation in commencement does not confer a degree. Your degree will be posted on your official transcript and you will receive a diploma only after you have documented that you have met all degree requirements.
This template is to be used as a reference guide only. Check in PAWS for your specific exam time.

**Students** - Self Service > Student Center > Other Academics (drop down box) > Exam Schedule

**Faculty** - Self Service > Faculty Center > My Exam Schedule

Final Exam information will be posted on the above sites after the final registration deadline.

Final exams have precedence over all other activities. For example, if you are graduating and have a final exam that overlaps the commencement rehearsal, you are to attend the final exam.

E-Mail - Official Communication

Policy Statement
A University-assigned email account shall be used as one of the University’s official means of communication with all students attending FSU as well as Faculty and Staff employed by FSU. Students and employees are responsible for all information sent to them via their University-assigned email account. If a student or employee chooses to forward University email to another account, he or she is responsible for all information, including attachments, sent to the other email account.

Student Responsibilities
You are responsible for checking your University email account and reviewing relevant information on a daily basis. You will be given a maximum of 10 megabytes of storage on the email server. You must purge unnecessary messages from your account to avoid exceeding your storage quota. Exceeding the quota will prevent the delivery of additional email messages.

Course Overload
To enroll for more than 18 semester hours of credit, you must have earned a Frostburg State University cumulative grade point average of 3.0 or above, have completed at least one semester of course work at FSU, and have the written permission of your advisor. Exceptions to these overload guidelines shall be made only upon the recommendation of the advisor and the approval of the department chair (or Associate Provost if the student has not declared a major).

Policy on Missing First Class Meeting
You are responsible for dropping/adding courses/sections at all times. Failure to do so will result in a grade of FX in the course or section “dropped” and no credit in the course or section “added.” However, if you are enrolled in a class and miss the first class meeting without notifying the instructor/department, the department chair at his/her discretion has the authority to drop you from the course if other students are waiting for space in the class. All other drops must be initiated by you. If you miss the first class meeting, you should ask the Department Chair if you have been officially dropped from the class.

If the Department Chair does not initiate your dropping the course and you do not attend class or participate you will receive a failing grade.

Change/Declaring a Major
To declare or change a major or advisor, please go to the Department Chair. You are encouraged to declare your major by the end of your sophomore year. Often, declaring a major is an effective way to explore your interest in a particular area. Once you have declared a major, you are assigned an advisor within the department of your intended major.

Pass/Fail Option
To register for a course Pass/Fail (P/F), obtain your advisor’s approval on the Pass/Fail form and submit the form to the Registrar’s Office by September 22, 2020. Please refer to your catalog for the complete governing regulations.

Course Repetition and Grading
Any course taken at Frostburg State University for the Core Skills Requirements of the General Education Program must be repeated until a satisfactory grade is achieved - at least a C in all courses.

A course may be counted toward graduation requirements only once regardless of how many times it is repeated unless the officially approved course description states that the course can be repeated for credit.

Beginning with courses repeated in fall 2007 and after, when you repeat coursework in which you earned a grade of A, B, C, D, F, FX or WF, the last grade earned, whether higher or lower, will count in your cumulative grade point average. Only a grade of A, B, C, D, F, FX, WF, or P (in courses where all students are graded P/F) can replace the previous grade earned. The earlier grade will continue to appear on your transcript, but the credit hours attempted or earned and the grade earned in the previous attempt will not be used in calculating the cumulative grade point average and cumulative credits. The coursework must be repeated at Frostburg State University.

Grade Grievance Procedures
The University grade grievance procedures are designed to streamline the process by resolving grade disputes as soon as possible using non-adversarial methods.

Please note that:
1. The only basis for filing a grievance under these procedures is arbitrary and capricious grading.
2. You must request that the Department Chair mediate the grade dispute no later than the 15th class day of the semester following the term in which the disputed grade was received (September 21, 2020, for grades received in spring 2020 or summer 2020).
3. If mediation does not resolve the dispute, you must file a written grievance with the instructor’s college dean no later than the 30th class day of the following semester (October 12, 2020, for grades received in spring 2020 or summer 2020).

The full text of the University Procedures for Review of Alleged Arbitrary and Capricious Grading may be found in the current Undergraduate and Graduate Catalogs and the Pathfinder.

Distance Education
The principal mission of distance education at Frostburg is to enhance student access to the University’s academic programs. The University is committed to providing students the support and resources they need to succeed as participants in distance education.

Interactive video instruction at FSU is conducted through the University System of Maryland’s Interactive Video Network (IVN). This network allows students the opportunity for interaction with other institutions within the state of Maryland and beyond, particularly between the University System of Maryland at Hagerstown and FSU’s main campus.

For information about distance learning opportunities, contact Academic Computing and Instructional Technologies.

Online Courses
Online courses at FSU allow students to pursue their degree requirements outside of the traditional classroom setting and can accelerate or enhance their time to degree. They also help students acquire the technical skills and learning strategies important to the pursuit of their academic and career goals. Courses taught online at FSU have most of their class materials (other than textbooks) available electronically and use the web as the primary means of communication. These courses may require some on-site contact between students and the instructor (e.g., an orientation session or proctored testing) at various times throughout the academic term. Frostburg State University’s online courses are open to all eligible students who are prepared to learn in an online environment.

When using PAWS to do a Basic Class Search, under Campus choose “Online Courses”. This will list all available online courses.

Six-Week 2 Intensive Online Courses
Intensive courses will be offered exclusively online during the last six weeks of the semester.
Oct. 19 Last day to register
Oct. 26 First day of class
Oct. 30 Last day to file pass/fail option
Nov. 17 Last day to withdraw with a “W”
Dec. 11 Last day of classes

Blended Courses
Blended courses involve a combination of online and face-to-face instruction where a significant proportion of student learning activities are online and the time students physically spend in the classroom is significantly reduced but not entirely eliminated. The amount of instructional materials presented online and the time students spend in the classroom will vary according to the requirements of the course as set by the instructor.
Withdrawal from the University

To leave the University, you must withdraw officially by completing the following procedure. Failure to follow this procedure may jeopardize the right to withdrawal without penalty and to any refunds (see Refunds Policy in the Billing Information section).

To withdraw from the University prior to the end of the drop/add period for the semester in which you are enrolled, you must notify the Registrar’s Office in writing. That office will remove you from your classes and notify the University and Student Billing Office that you will not be attending the current semester. You must contact the University and Student Billing Office to arrange any refund that may be due to you.

If you withdraw after the end of the drop/add period for a semester in which you are enrolled, your permanent academic record will always carry one of the following notations, as well as the date on which withdrawal procedures were completed. You will receive a W in each class if you withdraw within the first 60 percent of a term; W or WF depending on the circumstances surrounding your withdrawal after the first 60 percent of the term; or FX, unofficial withdrawal. A W or WF will not be considered after the last day of classes. You must see the University and Student Billing Office to arrange payment of any charges.

To be eligible for a W after the first 60 percent of a term, you must provide written documentation of extenuating circumstances (such as medical problems) to the Office of the Vice President for Student Affairs. With approval of the Office of the Provost, the Registrar’s Office will post a W for all courses and notify all other relevant campus offices of your withdrawal.

If you withdraw without notification, the date of withdrawal will not be known, and you will not be entitled to Ws on your transcript; grades will reflect instructors’ appraisal of your overall performance, usually FX.

Leave of Absence

If you withdraw from Frostburg State University with the intent to return within a semester or a year, you may request a leave of absence. If you are on an official leave of absence, you will continue to receive communications from the University, will not have to submit a readmission application or admissions deposit, and will be able to participate at the same time as continuing students in such activities as registration and the housing lottery. You must notify the Financial Aid Office that you are on leave, and file financial aid and scholarship applications by the regular deadlines.

To be eligible for a leave of absence, you must have a 2.0 cumulative grade point average at the end of your last term of enrollment, and have no judicial system penalties or charges pending. You may obtain an application for a leave of absence at the Registrar’s Office.

The application requests information about the reasons you are requesting a leave, and for how long you are requesting a leave (one calendar year maximum). Your advisor will need to sign off on your application, which you then must return to the Registrar’s Office no later than the last day of the drop/add (late registration) period in your first semester of leave.

If you are planning study at another college during your leave, you must complete an Authorization to Attend Another Institution form (available in the Registrar’s Office) and obtain the required approvals. If you plan study abroad during your leave, you must use the procedures currently in place for international study, administered by the Center for International Education.

You must keep the University informed of your home and mailing addresses during your leave in order to receive the privileges specified. If you do not enroll at the University at the end of the time period specified in your leave request, you will need to go through the readmission process whenever you return.

Call to Active Military Duty

A student called to active military duty during a national or international crisis or conflict should inform the University of the reason for his/her withdrawal prior to leaving, including presentation of copies of appropriate military orders, in order to benefit from special policies and procedures governing interruption of one’s academic career for such military service. Please contact any one of the following offices, who will assist in facilitating your withdrawal and will contact other offices to ensure that special exceptions concerning refunds and W or I grades are applied:

Transferring Credits for Continuing Students

Once you enroll as a degree candidate at Frostburg State University, you must request prior permission to pursue course work at another institution and transfer it into your program at Frostburg State. This procedure is for your protection to ensure that course work is transferable, is equivalent to the course for which you seek credit, and meets the requirement you want to fulfill. Grades earned at other institutions are not included in your FSU grade point average.

If you have 0-89 total credits earned (including previous transfer credits and credits in which you are currently enrolled at FSU or elsewhere), you must follow these procedures:

1. Obtain a list of course offerings and catalog descriptions for the course(s) you want to take at another institution.
2. Complete the Authorization to Attend Another Institution Form in the Registrar’s Office, Pullen 144.
3. Have course equivalencies determined by the Transfer Credit Officer in the Admissions Office, Pullen Hall.
4. Return the form to the Registrar’s Office for official signature.
5. Take the approval form to register at the other institution.
6. After completion of the course work, have an official transcript forwarded from the other institution to -Frostburg State University, Registrar’s Office, 101 Braddock Road, Frostburg, MD 21532-1099.

In addition to the steps noted above, the following special rules apply:

If you have 90 or more total credits (including previous transfer credits and credits in which you are currently enrolled at FSU or elsewhere), you may transfer a maximum of seven additional credits of general education or general elective course work, provided that you still earn a minimum of 30 credits towards the degree at Frostburg State University. These credits may include courses that count toward the major or minor only if you will earn half of your major or minor credits at Frostburg State University. After you have a total of 90 or more credits:

1. Your academic advisor (or department chair/Coordinator) must give prior approval for additional transferred credits of general education or general elective course work.
2. Your department chair or coordinator must give prior approval for additional transferred course work that counts toward the major or minor.

If you have 70 credits transferred from two-year colleges, you cannot transfer additional credit from a two-year college. This is a State regulation and no exceptions are allowed.

Exceptions to the rules specified above require a written appeal to the Academic Standards Subcommittee, Hitchins 213, at least one month prior to the term in which you wish to study at another institution.
Ebills are sent to registered students the week of July 6. Tuition, fees, and all previous balances are to be paid in full or acceptable financial arrangements made no later than August 7, 2020. No paper bills will be mailed.

To avoid lines in making payments at the University and Student Billing Office, send or bring payment upon your receipt of the bill (M-F 8:00 AM - 4:30 PM).

Payment of Account

It is in your best interest to pay by certified check, treasurer’s check, cashier’s check, or cash. Please do not send cash by mail. Refunds are delayed by 15 business days when you pay by personal check or ACH. If you receive Senatorial Scholarships (or other awards from the Maryland State Scholarship Board), National Defense Loans, Educational Opportunity Grants, and/or Other Race Grants those amounts are deducted.

If an award is not made by July 5, this amount is unlikely to appear on the bill. In this case, notification is sent from the Financial Aid Office to the University and Student Billing Office. You may deduct this amount from the bill. If official notification is not received until after filing, you must pay the amount shown. A refund is made upon written request from the student.

You may pay online using Visa, Master Card, Discover or American Express (a convenience fee applies). ACH (electronic check) is available on-line as well. Login to PAWS and click make a payment.

The payment deadline is August 7, 2020. A late payment fee of $30 and a late registration fee of $30 is assessed for unpaid accounts beginning August 31.

Once you go through the registration process, you are obligated to pay fees even though you withdraw from the University.

You must sign up to receive your Ebill notification. Login to PAWS and click on finances, then Ebill to set it up. No bills are mailed.

Failure to pay your bill does not constitute withdrawal from the University. You must notify the Registrar’s Office in writing to withdraw.

Previous Balance

You must pay previous balances and obligations in full before registering and attending a subsequent semester. A previous balance results in the withholding of a student’s transcripts and other University services.

Credit Balances

1. If you submit a written request before July 1, refund checks for credit balances (where eligible) become available at the University and Student Billing Office during late registration.
2. As a recipient of grants and loans received after July 1 and/or Senatorial Scholarships, you cannot receive refunds until all papers are processed, normally no sooner than four weeks following late registration.
3. Bobcat credit vouchers may be issued by the University and Student Billing Office if funds are delayed.

All students with financial aid or enrolled in a payment plan are required to complete an FSU deferment form online through the PAWS Student Center.

Payment Plan

Frostburg State University has partnered with Higher One to offer a payment plan through TuitionPay. The plan is an interest-free, debt-free way to spread tuition payments over a number of months. To enroll in our payment plan, login to your PAWS account, click View E-Bill, Installment Payment Plans.

4-Pay Plan*

Enrollment in the 4-pay plan is for one semester. The total billed amount less anticipated financial aid is divided by four. Cost of the plan is $45/semester. Fall due dates: August 1, September 1, October 1 and November 1. Spring due dates: January 1, February 1, March 1 and April 1.

All students with a balance due who are not enrolled in a payment plan, have 3rd party payment, or financial aid are assessed an additional late payment fee after September 14, 2020.

**Charges for Collection Fees**

A 17% collection fee is added to your account when you do not pay promptly by the State Central Collection Unit. Also, your account is referred to the Central Collection Unit. Your Maryland State Income Tax Refund will be held for non-payment of state obligations. Additionally, the debt is reported to the credit bureau as a delinquency.

**Employee Tuition Remission**

The application should be completed as early as possible and no later than the last day of registration to afford proper credit and automated processing through the billing system. A new application for Tuition Remission must be completed for each term. Fees are due by the payment due date. See the quick links section on the above listed website for additional information.

**Avoid Lines**

**Pay By Mail or Online**

Please Note:

- Notwithstanding any other provision of this or any other University publication, the University reserves the right to make changes in tuition, fees, and other charges at any time such changes are deemed necessary by the University and the University System of Maryland Board of Regents.

**STAFFORD LOANS**

**Federal Stafford Loans**

You may apply for subsidized loans, which means that the federal government will pay the interest on your loan while you are in school and during specified deferments. You must demonstrate financial need to receive the loan. The amount of your loan is based on such eligible factors as documented need, enrollment status, and academic program.

**Unsubsidized Federal Stafford Loans**

After being considered for a subsidized Stafford Loan, you may be evaluated for another option, the Unsubsidized Stafford Loan. The federal government does not pay your interest on this loan during your enrollment in school, during any grace period, or during periods of deferment. Accordingly, you are responsible for payment of interest during these periods. You, as the borrower, may choose to pay the interest during these periods or request that the interest be added to the loan principal, no more frequently than quarterly. So long as you continue your enrollment at least half-time, your deferment remains.

**How To Apply**

You can gain information about the application process for all types of aid including eligibility requirements by contacting the Financial Aid Office at 301-687-4301.

Please Note:

Federal regulations require your written permission to deduct, from your financial aid on an annual basis, miscellaneous institutional charges such as library fines, etc. This form is available online through PAWS self service under accept/decline financial aid. If you choose not to complete the permission form, you will be responsible for paying the miscellaneous obligation(s) from personal funds by the bill payment deadline date. The University may not apply your loan funds to any charge(s) assessed to you in a prior award year.
FROSTBURG STATE UNIVERSITY FINANCIAL RESPONSIBILITY POLICY

Registering for courses at Frostburg State University is a contractual agreement, whereby you agree to comply with all laws, rules and regulations applicable to your registration, payment of fees, enrollment and attendance. The rules and regulations that comprise the terms and conditions of this contract are contained in the FSU catalog in effect during the years of your enrollment.

In addition to reading, agreeing with and accepting all of the terms and conditions set forth in the FSU catalog, you must specifically acknowledge the following:

1. All fees and other University expenses are due on the date listed in the written registration materials and on the FSU website for each semester. A late payment fee is assessed for all students who have not completed the payment or made payment arrangements by the due date. Students may enroll in a payment plan through FSU’s third party provider, or the FSU in-house payment plan for summer and intersession. More information about payment plans is available on the FSU website and in the Office of the Bursar.

2. It is the student’s responsibility to cancel their registration by dropping all courses before the end of the registration period if proper financial arrangements have not been made. The student is responsible for ensuring that he or she is no longer enrolled.

3. It is the student’s responsibility to complete all of the requirements for the Office of Financial Aid to disburse, provide third-party documentation, enroll in an approved payment plan, or submit payment, by the billing due date each semester. Any student who has not completed payment or joined a payment plan by the 10th business day of the semester will be charged a fee and placed into a payment plan that splits the amount due into two payments. Additionally, the student will be assessed a late payment and a late registration fee. Each subsequent late payment will result in an additional fee.

4. It is the student’s responsibility to review the bill and submit payment in a timely manner. Students are notified each semester through their Frostburg email account that the e-bill is available for viewing. The student must then enroll in the E-bill system via their PAWS account. The student may also add another payer to the E-bill. Both the student and the additional payer will receive an email each time a bill is generated.

5. FSU reserves the right to withhold future services (registration, transcript request, diploma, etc.) to anyone who has any outstanding obligations with the University or who has an account that was submitted to the Maryland State Central Collection Unit.

6. In the event that financial aid is reduced or cancelled, or in the event the student has not met the specified requirements for receiving such aid, the student will become responsible for the full balance of outstanding charges.

7. If payment is in the form of a check (or E-Check) and the check is returned by the bank for any reason, a $30 fee will be charged to the account. If payment is not made, the student’s account may be submitted to the Maryland State Central Collection Unit.

8. Students leaving FSU prior to the 60% point in the semester, officially or unofficially, are obligated to return the federal aid received for that semester in accordance with the University’s Return of Title IV Funds Policy. Failure to return that portion of federal aid received may result in the amount owed being transferred to the Maryland State Central Collection.

9. Any debt owed to FSU as a result of the student’s failure to make required payments or failure to comply with the terms of the applicable program as governed by the FSU catalog will be a breach of the terms and conditions of this contract. Failure to respond to demands for payment made by FSU may result in such debts being transferred to the Maryland State Central Collection Unit.

10. Any debts transferred to the Maryland State Central Collection Unit will be assessed a 17% collection fee at the time of transfer and this information will become part of a student’s credit report.

ONCE YOU REGISTER FOR COURSES, YOU ARE AFFILIATING WITH FROSTBURG STATE UNIVERSITY (FSU), AND YOU ARE A PARTY TO A CONTRACT WITH FSU AND TO THE TERMS AND CONDITIONS DESCRIBED ABOVE. YOU ARE FURTHER AGREEING THAT YOU HAVE READ, UNDERSTAND AND WILL BE BOUND BY SUCH TERMS AND CONDITIONS.

If you have any questions regarding this Financial Responsibility Policy, please e-mail the Bursar’s Office at billingoffice@frostburg.edu or call the Bursar’s Office at 301-687-4321.
Credit by Examination

In addition to earning credit at FSU or transferring course credit from other accredited institutions, you may acquire credits through examination. The examinations accepted include Advanced Placement Examinations, College Level Examination Program (CLEP), International Baccalaureate exams and special departmental examinations.

Please see the Policies section in the current Undergraduate Catalog for a complete statement on the policies governing credit by exam.

Law Governing Financial Aid and Withdrawal

The Higher Education Act of 1998 established new rules regarding how colleges and universities determine the amount of financial aid that a student can retain if he/she withdraws. The new law was implemented at Frostburg State University beginning in Fall 2000. The following information describes how this law will be applied using a specific formula that the government has defined.

Implications of Withdrawal from the University

Effective Fall 2000, all students who withdraw or are dismissed from the university (including unofficial withdrawals) and attend less than 60% of the enrollment period (semester), will have their Title IV federal financial aid prorated based on the actual days of attendance. Therefore, before a student considers withdrawal, he/she should meet with a financial aid counselor to determine the financial impact on his/her federal financial aid. Title IV Federal aid includes, Pell Grant, Supplemental Educational Opportunity Grant (SEOG), Perkins Loan, Stafford Loans (Subsidized and Unsubsidized), and Parent Loan to Undergraduate Students (PLUS).

Under this policy, the Financial Aid Office will determine the percentage of Title IV aid earned based on the length of enrollment. Once determined, the student may be responsible for charges that were once covered by Title IV aid. In some cases, a student may have to repay a portion or all of his/her refund as a result of withdrawing before 60% of the enrollment period elapses. After the unearned portion of financial aid has been established, the funds will be returned to the federal programs in the following order: Unsubsidized Stafford Loans, Subsidized Stafford Loans, Federal Perkins Loans, Federal PLUS Loans, Federal Pell Grants, and Federal Supplemental Educational Opportunity Grants. In cases where a student is receiving institutional funds, he/she should check with the Financial Aid Office for policies concerning these awards.

Note: Students who unofficially withdraw and receive FX grades will not be eligible for financial aid for a subsequent semester. In addition, students may have to repay money that was awarded in the semester from which they unofficially withdrew. These students will have the right to appeal to a university official where mitigating circumstances exist. Check with the Financial Aid Office for details.

If you have any questions concerning the law, please contact the Financial Aid Office at 301-687-4301.

Financial Aid Satisfactory Progress Standards

The United States Department of Education mandates that colleges and universities have in place satisfactory progress standards (SAP) that must be met in order for a student to receive Title IV funds (Federal Pell Grants, Federal Subsidized and Unsubsidized Loans, Federal PLUS Loans, Federal Supplemental Education Opportunity Grants, Federal Work-Study, and Federal Perkins Loans). In addition, the Financial Aid Office uses satisfactory academic progress standards to determine eligibility for FSU grants and Maryland State Scholarship awards. The SAP policy can be reviewed online at http://www.frostburg.edu/ungrad/faid/satisfactoryacademicprogress.htm.

Family Educational Rights and Privacy Act (FERPA) Information

Annually, Frostburg State University informs students of the Family Educational Rights and Privacy Act of 1974, (Buckley Amendment).
