Important Message on Registration Deadline and Financial Obligation

You must register and pay for summer session courses or enroll in a payment plan by the deadlines listed on the Summer Session Calendar. If you register or change your schedule after this date, you will be assessed a late fee of \$30. Once you are registered and if you choose not to attend, you must submit an official Withdrawal Form to the Registrar's Office. Official withdrawal from all courses in any summer session on or after the first day of classes obliges you to pay a prorated portion or the entire amount of the bill (see Refund Schedule page 11).

Course Load

You may register for two courses, or a maximum of seven semester hours of credit per session. If you are on Academic Probation, you may not register for the third four week session.

Distance Education (DE)

FSU's distance education program uses live interactive video and multimedia technology to transmit learning activities to and from up to three geographically distinct locations in real time (without delay).

Instructors will be available for individual teleconference time at the beginning and end of each class period. Instructors originate a portion of the classes from each site.

A student facilitator at each classroom site will provide support by setting up and operating the system components and assisting instructors with course materials and proctoring exams.

See the course offerings listed as "telecourse."

These are not online courses. See Page 18 for online course information.

Course Descriptions

You may request an FSU catalog which includes course descriptions by calling the Admissions Office at 301-687-4201 or visiting our website at www.frostburg.edu.

Independent Study/Research Paper

For independent studies, research papers or projects, you must submit your completed proposal form when you register. The proposal form requires approval signatures by the faculty supervisor, Department Chair and Dean. These forms may be obtained from the academic department chair.

Final Grades

Paper grades are not mailed to students. Access the PAWS System for grades. If you need an official copy of your grades, you will need to order a transcript.

Graduate Students

Permission to Register

Graduate courses may be taken as a degree seeking or non-degree seeking student.

All graduate students must file an Application for Graduate Study. You may obtain an application from the Office of Graduate Services, Pullen Hall, Room 141, phone 301-687-7053. *Should 18 months elapse without a registration, you must submit a new application.*

Master's and Doctoral cohort programs may follow different summer registration guidelines, please contact the Office of Graduate Services for questions, 301-687-7053 or gradservices@frostburg.edu.

Advisement

You are assigned an advisor upon admission. Assistance is also available from the Department Chair and Graduate Program Coordinator. A student enrolled in the Biological Sciences Program must meet with his/her Advisor for registration activation.

Undergraduate Students

Permission to Register

Students having regular admission to the University may enroll in the Summer Session. If you are from another college or university, a high school student entering your senior year, or an area adult, you may register for Summer Session by completing the Summer Session Enrollment Permission Form and Registration Form (included in this booklet). This form contains instructions for processing. If you are a high school student who will become a senior in the next school year, you must obtain a recommendation from your high school counselor or principal.

Permission to enroll in the Summer Session in no way constitutes admission to undergraduate programs at the University.

Advisement

Before you register you must meet with your Advisor for registration activation.

Course Repetition and Grading

Any course taken at Frostburg State University for the Core Skills Requirements of the General Education Program must be repeated until a satisfactory grade is achieved - at least a C in all courses.

A course may be counted toward graduation requirements only once regardless of how many times it is repeated unless the officially approved course description states that the course can be repeated for credit.

Beginning with courses repeated in fall 2007 and after, when you repeat coursework in which you earned a grade of A, B, C, D, F, FX or WF, the last grade earned, whether higher or lower, will count in your cumulative grade point average. Only a grade of A, B, C, D, F, FX, WF, or P (in courses where all students are graded P/F) can replace the previous grade earned. The earlier grade will continue to appear on your transcript, but the credit hours attempted or earned and the grade earned in the previous attempt will not be used in calculating the cumulative grade point average and cumulative credits. The coursework must be repeated at Frostburg State University.

REGISTRATION PROCEDURES

PAWS Internet Registration System

Registration will be conducted using the PAWS Internet based registration system. You will view your academic record, service holds, the Schedule of Classes, registration time period (Enrollment Appointment) and register for classes using this system. Go to <http://paws.frostburg.edu/students> to log-in.

Please note the following:

- There are multiple sessions for Summer 2019. Be sure to register for the correct session.
- Most registrations will take place through PAWS (24/7) beginning on April 1, 2019. Some transactions such as independent study registration and load limit over-rides will still be conducted in person at the Registrar's Office.
- **All Undergraduate students and Graduate Biological Science students must contact their advisor prior to attempting to register so that he or she can authorize registration.** Make sure to check for prerequisites with your Advisor. The system will prevent you from registering if you do not have the proper prerequisites.

Family Educational Rights and Privacy Act (FERPA) Information

Annually, Frostburg State University informs students of the Family Educational Rights and Privacy Act of 1974, (Buckley Amendment). This act, with which the University intends to comply fully, was enacted to protect the privacy of education records, to establish the right of students to inspect their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Policy and Regulations Office concerning alleged failures by the University to comply with the Act.

The University's Policy on the Disclosure of Student Records explains in detail the procedures used for compliance with the provisions of the Act and lists educational records maintained by the University. A summary of The University's Policy on the Disclosure of Student Records is printed in the *FSU Catalog*. In addition, copies of the complete policy are available in the Registrar's Office, Pullen 144.

Note: Notwithstanding any other provision of this or any other University publication, the University reserves the right to make changes in tuition, fees, and other charges at any time such changes are deemed necessary by the University and the University System of Maryland Board of Regents.

Only certified checks, money orders, or cash may be presented in payment of the statement of fees. Please do not send cash through the mail. Make payee designation on certified checks and money orders "Frostburg State University." Present to the University and Student Billing Office checks and money orders with adequate identification for the individual whose bill is to be credited for payment. Delays of refunds will occur if other than the above methods of payment are used. Refunds must be requested in writing; otherwise, the funds will be credited to your account.

The University accepts online payments through PAWS or www.frostburg.edu/admin/billing.

If you are under a plan for third party billing, you must enclose proof of such an agreement with your Registration Form. Third party must pay based on registration.

Employee Tuition Remission

Tuition remission benefits are available for permanent faculty, staff, and retirees (including their spouses and dependent children) of Frostburg State University as determined by University policy. Eligible persons may obtain a Request for Tuition Remission Form from the Office of Human Resources. The form is to be completed, signed by employee's supervisor/department chair/designee and returned to the Office of Human Resources for employment verification and forwarded to the University and Student Billing Office for processing. The form should be completed as early as possible and no later than the last day of registration to afford proper credit and automated processing through the billing system. A new request for Tuition Remission must be completed for each session. Fees are due by the payment due date.

Payment Plan Option

You must fill out a form in the Billing Office to request a payment plan. You will then make payments as follows:

- Upon registration 1/3 of tuition and fees, plus a \$30 enrollment fee are due.
- The second 1/3 of tuition and fees June 6, 2019.
- The final payment of tuition and fees July 6, 2019.

Any payment received more than three days after the due date is subject to a \$20 late payment penalty. Once enrolled in a payment plan you must drop/withdraw from a course to be removed.

Fall Financial Aid may not be used to pay for summer session enrollment.

Charges for Collection of Fees

A 17% collection fee is added to your account when you do not pay promptly. Also, your account is referred to the Central Collection Unit. If further collection action is required and an outside collection agency is retained, those charges are also added onto your bill. Your Maryland State Tax Income Refund will be held for non-payment of state obligations.

If a previous balance is due, transcripts are withheld pending payment and further registration is not allowed. A guaranteed form of payment is required to immediately release your hold (i.e. cash, money order, or credit card).

Course Cancellation

While the University makes every effort to offer the courses listed in the schedule, the University reserves the right to cancel a course because of insufficient enrollment or other unforeseen circumstances. Every effort will be made to phone students registered in classes when cancellations occur. **Be certain to record your telephone number on the Summer Session Registration Form or verify your address and phone number in PAWS.** Refer to the Summer Session Calendar (pages 2-3) for cancellation dates.

In the event a course is cancelled by the University, you must write the University and Student Billing Office to request a refund for the course. Otherwise, the refund amount will be applied to your subsequent semester's account.

Refunds

Please be advised that if you officially withdraw on or after the first day of class, it will cost you money (See Refund Schedule).

12 Financial Responsibility Policy

FROSTBURG STATE UNIVERSITY FINANCIAL RESPONSIBILITY POLICY

Registering for courses at Frostburg State University is a contractual agreement, whereby you agree to comply with all laws, rules and regulations applicable to your registration, payment of fees, enrollment and attendance. The rules and regulations that comprise the terms and conditions of this contract are contained in the FSU catalog in effect during the years of your enrollment.

In addition to reading, agreeing with and accepting all of the terms and conditions set forth in the FSU catalog, you must specifically acknowledge the following:

1. All fees and other University expenses are due on the date listed in the written registration materials and on the FSU website for each semester. A late payment fee is assessed for all students who have not completed the payment or made payment arrangements by the due date. Students may enroll in a payment plan through FSU's third party provider, or the FSU in-house payment plan for summer and intersession. More information about payment plans is available on the FSU website and in the Office of the Bursar.
2. It is the student's responsibility to cancel their registration by dropping all courses before the end of the registration period if proper financial arrangements have not been made. The student is responsible for ensuring that he or she is no longer enrolled.
3. It is the student's responsibility to complete all of the requirements for the Office of Financial Aid to disburse, provide third-party documentation, enroll in an approved payment plan, or submit payment, by the billing due date each semester. Any student who has not completed payment or joined a payment plan by the 10th business day of the semester will be charged a fee and placed into a payment plan that splits the amount due into two payments. Additionally, the student will be assessed a late payment and a late registration fee. Each subsequent late payment will result in an additional fee.
4. It is the student's responsibility to review their bill and submit payment in a timely manner. Students are notified each semester through their Frostburg email account that the e-bill is available for viewing. The student must then enroll in the E-bill system via their PAWS account. The student may also add another payer to the E-bill. Both the student and the additional payer will receive an email each time a bill is generated.
5. FSU reserves the right to withhold future services (registration, transcript request, diploma, etc.) to persons who have any outstanding obligations with the University or who has an account that was submitted to the Maryland State Central Collection Unit.
6. In the event that financial aid is reduced or cancelled, or in the event the student has not met the specified requirements for receiving such aid, the student will become responsible for the full balance of outstanding charges.
7. If payment is in the form of a check (or E-Check) and the check is returned by the bank for any reason, a \$30 fee will be charged to the account. If payment is not made, the student's account may be submitted to the Maryland State Central Collection Unit.
8. Students leaving FSU prior to the 60% point in the semester, officially or unofficially, are obligated to return the federal aid received for that semester in accordance with the University's Return of Title IV Funds Policy. Failure to return that portion of federal aid received may result in the amount owed being transferred to the Maryland State Central Collection.
9. Any debt owed to FSU as a result of the student's failure to make required payments or failure to comply with the terms of the applicable program as governed by the FSU catalog will be a breach of the terms and conditions of this contract. Failure to respond to demands for payment made by FSU may result in such debts being transferred to the Maryland State Central Collection Unit.
10. Any debts transferred to the Maryland State Central Collection Unit will be assessed a 17% collection fee at the time of transfer and this information will become part of a student's credit report.

ONCE YOU REGISTER FOR COURSES, YOU ARE AFFILIATING WITH FROSTBURG STATE UNIVERSITY (FSU), AND THAT YOU ARE A PARTY TO A CONTRACT WITH FSU AND TO THE TERMS AND CONDITIONS DESCRIBED ABOVE. YOU ARE FURTHER AGREEING THAT YOU HAVE READ, UNDERSTAND AND WILL BE BOUND BY SUCH TERMS AND CONDITIONS.

If you have any questions regarding this Financial Responsibility Policy, please e-mail the Bursar's Office at billingoffice@frostburg.edu or call the Bursar's Office at 301-687-4321.

How to find Online Courses in PAWS

When searching for online courses in PAWS you will find them all listed in one location. Using the Basic Class Search feature under Campus choose Online Courses. This will list all available online courses.

Registration Information

- The registration and payment deadlines are listed on the Summer Session Calendar, Pages 2-3.
- You may register in person or, if you are a continuing student, online using PAWS at <http://paws.frostburg.edu/students>. Make sure to change the campus to **ONLINE** when searching for courses to access the online course offerings.

If you are not a current FSU student, you may register for Summer by completing the Enrollment Permission Form and Registration Form, which is included in this booklet.

- Each online course requires a minimum number of students in order for the course to be offered. If, for some reason, the course you have selected does not have adequate enrollment, you will be notified by the Registrar's Office. Course tuition will be reimbursed (fees are reimbursable if you are not enrolled in another course); however, you must write the University and Student Billing Office to request a refund. Otherwise, the refund amount will be applied to your subsequent semester's account.
- If you wish to withdraw from an online course you may do so using PAWS or send an email to reginfo@frostburg.edu from your Frostburg State University email account.

For updated course information, please check PAWS.

If you are not a current FSU student you may access a copy of the schedule of classes by going to the FSU Registrar's Office Website www.frostburg.edu/about-frostburg/Administrative-Offices/registrars-office
