

FSU CONNECTIONS

FALL 2023

Fostering a Sense of Understanding of the University, its programs, and sense of self

¶ 901. Visual Arts Introduction

This Connection will introduce you to graphic design processes and techniques. You will also learn about the Department of Visual Arts, and the BFA in Art & Design. Choose this connection if you are interested in a focus in graphic design, photography, illustration, art education, ceramics, sculpture, printmaking, or painting. Enrollment in any section of ART 104 Two-Dimensional Design is strongly suggested.

Courses (4 credit hours)

Graphic Design (ART 207)	TR 9:00AM – 10:40AM	Pete Hertzfeld
Introduction to Higher Education (ORIE 101)	WF 10:00AM – 10:50AM	Travis English

Faculty Mentor: Travis English, Associate Professor and Chair of Visual Arts twenglish@frostburg.edu

¶ 902. Performing Arts Community - Music

This FSU Connection is an interactive experiential Connection for incoming first-year music majors and minors. This Community is limited to students intending to major or minor in music and is required for all Music majors.

Courses (8 credit hours)

Tonal & Aural Analysis I (MUSC-102)	TR 9:30AM – 10:45AM	Mark Gallagher
Tonal & Aural Analysis Lab (MUSC-102L)	MW 11:00AM – 11:50AM	Mark Gallagher
Music Appreciation (MUSC-110)	TR 11:00AM – 12:15PM	Jay DeWire
Introduction to Higher Education (ORIE 101)	TR 2:00PM – 2:50PM	Brent Weber

Faculty Mentor: Brent Weber, Associate Professor and Chair of Music bmweber@frostburg.edu

¶ 903. Performing Arts Community – Theatre and Dance

Connect, create, and collaborate in a supportive and engaging community made up of students, faculty, and staff. The Performing Arts Community: Theatre and Dance is designed for anyone interested in the transformational nature of live performance. With courses in Introduction to Theatre and Introduction to Acting, you can satisfy GEP and CORE major requirements while participating in the fall University Theatre and Dance production season.

Courses (7 credit hours)

Introduction to Theatre (THEA-106)	MWF 10:00AM – 10:50AM	Shea-Mikal Green
Introduction to Acting (THEA-110)	TR 9:30AM – 10:45AM	Darrell Rushton
Introduction to Higher Education (ORIE 101)	MW 11:00AM – 11:50AM	Shea Mikal-Green

Faculty Mentor: Shea-Mikal Green, Assistant Professor, Theatre & Dance smgreen@frostburg.edu

¶ 904. Strategic Communication and Emerging Media

The Strategic Communication and Emerging Media Connection will provide students interested in all forms of communication leadership (public relations, organizational leadership, digital media, social media, and more), the opportunity to learn more about these programs of study and career fields as well as to connect with students, faculty, and alumni with similar interests.

Courses (7 credit hours)

Introduction to Public Communication (CMST-122)	MWF 10:00AM – 10:50AM	Elesha Ruminski
Mobile Media Production (MCOM-205)	TR 12:30PM – 1:45PM	John Lombardi
Introduction to Higher Education (ORIE 101)	TR 2:00PM – 2:50PM	Annie Danzie

Faculty Mentor: Annie Danzie, Associate Professor, Communication amdanzie@frostburg.edu

¶ 905. Global Pathways

This Connection will help you explore options at FSU that can prepare you for a future in a profession that requires global knowledge and experiences. Maryland and the greater Washington metro area are among the most globalized job markets in the country. We will discuss options abroad, but also look at pathways that engage with global cultures and communities right here in the U.S.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)	MW 11:00AM – 11:50AM	Richard Russo
---	----------------------	---------------

Faculty Mentor: Richard Russo, Associate Professor and Chair of Geography rarusso@frostburg.edu

¶ 906. Criminal & Legal Studies

This FSU Connection is for first-year students interested in Law and Society as a major. You will share the experience of these three core courses the Law and Society major with your fellow students in the first semester. Once you complete these core courses, you can then pursue either a concentration in Criminal Justice or Legal Studies and consider a second major in Philosophy, Political Science, or Sociology.

Courses (10 credit hours)

Contemporary Ethical Problems (PHIL-102)	MWF 9:00AM – 9:50AM	David Atenasio
Introduction to American Politics (POSC-110)	MWF 1:00PM – 1:50PM	Scott Johnson
Introduction to Sociology (SOC1-100)	TR 9:30AM – 10:45AM	Wei Li
Introduction to Higher Education (ORIE 101)	MW 10:00AM – 10:50AM	Katie Weir

Faculty Mentor: Katie Weir, Assistant Director of Residence Life keweir@frostburg.edu

¶ 907. Honors Learning Community: Engaging Communities

A sociological perspective allows us to recognize society's influence on our everyday decisions and behaviors. But it also encourages us to realize that collectively, people can and do create their social worlds. This learning community combines SOCI 111: Honors Introduction to Sociology with IDIS 151: Experiencing Appalachia to explore our social worlds on a national and regional level. Most importantly, the Learning Community provides you the opportunity to develop professional skills by collaborating with local organizations to generate ideas and create programs contributing to positive social change. **NOTE: Must be a member of the University Honors Program.**

Courses (7 credit hours)

Honors: Introduction to Sociology (SOCI-111)	TR 11:00AM – 12:15PM	Kara Rogers Thomas
Honors: Experiencing Appalachia (IDIS-151)	TR 2:00PM-3:15PM	Kara Rogers Thomas
Introduction to Higher Education (ORIE 101)	TR 10:00AM – 10:50AM	Benjamin Norris

Faculty Mentor: Benjamin Norris, Associate Professor, Chemistry bnnorris@frostburg.edu

¶ 908. Money Wellness: The Language of Business

The Money Wellness: The Language of Business Connections is for students interested in exploring the language of business. This course will introduce you to the basic accounting principles and topics related to financial literacy, retirement, and banking.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)	MW 11:00AM – 11:50AM	Kiersten Bradley
---	----------------------	------------------

Faculty Mentor: Kiersten Bradley, Assistant Professor, Accounting kpbradley@frostburg.edu

¶ **909. Business Management and Leadership**

This connection introduces you to the study and practice of business management and leadership. Regardless of your future major, it is likely they will manage people and projects as part of the work you do. In this connection, you will learn how to plan effectively, organize people and systems to achieve goals, ensure that goals are being achieved, and lead others to achieve success. You will also explore the principles of personal, academic, and professional success.

Courses (4 credit hours)

Management of Organization (MGMT-251)	MWF 12:00PM – 12:50PM	Jeff McClellan
Introduction to Higher Education (ORIE 101)	WF 10:00AM – 10:50AM	Clarissa Lang

Faculty Mentor: Clarissa Lang, Director of Veteran Services calang@frostburg.edu

¶ **910. New Business Ventures**

You should choose this Connection if you are interested in starting your own business one day or want to explore the entrepreneurial mindset. You will have the opportunity to develop new business ideas and learn about strategies for starting new businesses. This is a practical course with the intention of motivating students to one day start their own business venture.

Courses (4 credit hours)

New Business Ventures (MGMT-315)	MWF 12:00PM – 12:50PM	Ryan Kentrus
Introduction to Higher Education (ORIE 101)	TR 11:00AM – 11:50AM	Suzanne Wright

Faculty Mentor: Suzanne Wright, University Advisor smwright@frostburg.edu

¶ **911. Excellence in Health and Exercise**

Orientation of incoming students to academic and social contexts of college life. Nature and process of higher education; educational and career planning; learning skills; support services.

Courses (4 credit hours)

Foundations of Exercise and Sport Science (EXSS-103)	TR 9:30AM – 10:45AM	Hunter Brakeall
Introduction to Higher Education (ORIE 101)	TR 11:00AM – 11:50AM	Jacqueline Durst

Faculty Mentor: Jacqueline Durst, Associate Professor and Chair of Kinesiology jrdurst@frostburg.edu

¶ **912. Be a Bobcat, Be a Teacher – Elementary Edition**

Explore your interest in teaching in the early childhood, elementary, and middle school grades. Through field trips, class discussions, book clubs, and engaging class activities, interact with other students who share your desire to make a difference in a student's life!

Courses (2 credit hours)

Introduction to Teacher Education (EDUC-100)	T 9:00AM – 9:50AM	Christina Durham
Introduction to Higher Education (ORIE 101)	TR 10:00AM – 10:50AM	Kate Kinsinger

Faculty Mentor: Kate Stahl Kinsinger, Director of the Center for Academic Advising kskinsinger@frostburg.edu

¶ **913. Exploring Careers in Social Science**

An understanding of people and society will be important in whatever career you pursue, whether it is in business, education, a health profession, or something. In this connection, you will explore the ways we learn about people, their behavior and relationships, and the societies they create. You will learn about how a strong foundation in the social sciences can be the launch pad for success in many careers, including social work, public service, and the helping professions.

Courses (4 credit hours)

Introduction to Sociology (SOC1-100)	MWF 11:00AM – 11:50AM	Robert Moore
Introduction to Higher Education (ORIE 101)	MW 12:00PM – 12:50PM	Brittany Baer

Faculty Mentor: Brittany Baer, University Advisor blbaer@frostburg.edu

¶ 914, Pathways to Becoming a Nurse

This FSU Connection is for all first-year students who have an interest in a nursing career. Within this Connection, you will not only learn more about FSU and how to navigate the first year of college but will also explore careers in nursing and participate in job shadowing with various nursing specialties.

Courses (5 credit hours)

General Biology I (BIOL-149)	TR 11:00AM – 12:15PM	Cody Kent
General Biology I Lab (BIOL-149L)	R 8:00AM – 9:50AM	David Puthoff
Introduction to Higher Education (ORIE 101)	MW 9:00AM – 9:50AM	Meghan O’Neal

Faculty Mentor: Meghan O’Neal, Assistant Professor, Nursing mkoneal@frostburg.edu

¶ 916. Sustainable Construction Management

You should choose this Connection if you are interested in the applied sustainability of building construction and design. Future employment opportunities include Construction Manager, Life-Cycle Manager, and Building System Analyst.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)	TR 1:00PM – 1:50PM	Linda Steele
---	--------------------	--------------

Faculty Mentor: Linda Steele, Program Coordinator lasteele@frostburg.edu

¶ 917. Careers in Professional Medicine and Science

This FSU Connection is for serious students interested in all of the professional medical fields: Medicine, Dentistry, Pharmacy, Optometry, Physical Therapy, Veterinary, etc. You will be engaged in a rigorous science intensive course of study. You will be enrolled in biology, chemistry, and a special Introduction to Higher Education class that will support your career goals. High competence in mathematics is assumed. We will be discussing the requirements and expectations of these highly competitive programs and career paths.

NOTE: Math Level 2 or higher required.

Courses (9 credit hours)

General Biology I (BIOL-149)	TR 11:00AM – 12:15PM	Cody Kent
General Biology I Lab (BIOL-149L)	T 8:00AM – 9:50AM	David Puthoff
General Chemistry I (CHEM-201)	MW 11:00AM – 12:50PM	Frederick Senese
General Chemistry I Lab (CHEM-201L)	F 11:00AM – 12:50PM	Frederick Senese
Introduction to Higher Education (ORIE 101)	MW 10:00AM – 10:50AM	Matthew Crawford

Faculty Mentor: Matthew Crawford, Associate Professor and Chair of Chemistry mjcrawford@frostburg.edu

¶ 918 Exploring Careers in Life Sciences

This FSU Connection is for serious students interested in all of the professional medical fields: Medicine, Dentistry, Pharmacy, Optometry, Physical Therapy, Veterinary, etc. You will be engaged in a rigorous science intensive course of study. You will be enrolled in General Biology and a special Introduction to Higher Education class that will support your career goals. We will be discussing the requirements and expectations of these highly competitive programs and career paths.

Courses (5 credit hours)

General Biology I (BIOL-149)	TR 11:00AM – 12:15PM	Cody Kent
General Biology I Lab (BIOL-149L)	W 8:00AM – 9:50AM	David Puthoff
Introduction to Higher Education (ORIE 101)	MF 11:00AM – 11:50AM	William Seddon

Faculty Mentor: William Seddon, Professor of Biology wseddon@frostburg.edu

¶ **919. Exploring Careers in Natural Resources**

This FSU Connection is for students interested in pursuing a career in Natural Resources science and management. You will complete coursework in Biology and an Introduction to Higher Education class that will help support your educational and career goals. Discussions will focus on requirements and expectations related to careers within the natural resources, including: wildlife & fisheries biology, botany, environmental science, interpretive biology, natural history, and/or habitat management & conservation.

Courses (5 credit hours)

General Biology I (BIOL-149)	TR 11:00AM – 12:15PM	David Puthoff
General Biology I Lab (BIOL-149L)	T 12:30PM – 2:20PM	TBD
Introduction to Higher Education (ORIE 101)	MW 10:00AM – 10:50AM	Clara Thiel

Faculty Mentor: Clara Thiel, Lecturer of Biology

crthiel@frostburg.edu

¶ **920, 921. Pathways to Becoming a Physicist or Engineer (Two Sections)**

These FSU Connections should be a first choice for students who are ready to explore the world of engineering and physics.

920. REQUIRES Math Level 1 or Higher (4 credit hours)

Introduction to Engineering Design (ENES-100)	MW 4:00PM – 4:50PM	Edris Hassan
Introduction to Engineering Lab (ENES-100L)	W 8:00AM – 9:50AM	Zhen Liu
Introduction to Higher Education (ORIE 101)	T 1:00PM – 1:50PM	Eric Moore
Introduction to Higher Education (ORIE 101)	R 1:00PM – 1:50PM	Linda Steele

Faculty Mentor: Eric Moore, Professor of Physics and Engineering

ejmoore@frostburg.edu

921. REQUIRES Math Level 1 or Higher (4 credit hours)

Introduction to Engineering Design (ENES-100)	MW 4:00PM – 4:50PM	Edris Hassan
Introduction to Engineering Lab (ENES-100L)	M 10:00AM – 11:50AM	John Lynch
Introduction to Higher Education (ORIE 101)	TR 1:00PM – 1:50PM	Linda Steele

Faculty Mentor: Linda Steele, Program Coordinator

lastele@frostburg.edu

¶ **922. Exploring Computer Science, Information Technology, and Cybersecurity**

You will learn about the many aspects of computer science, computer information systems, and information technology as a major and as a foundation for numerous careers. This community focuses on all aspects of computer science, computer information systems, and information technology including computer hardware, algorithmic development, introduction Java and the IDE, networking, operating systems concepts, digital logic, professional responsibility, ethics, and problem solving. This course is linked to the IDIS-150 sections, Personal Security and Privacy in the Age of Information. Courses taken in this Learning Community satisfy FSU graduation requirements: COSC-101 – tech fluency, IDIS-150 – GEP Section E.

Courses (7 credit hours)

The Discipline of Computer Science (COSC-101)	MWF 10:00AM – 10:50AM	Rebecca Flinn
Security & Privacy in the Digital Era (IDIS-150)	MWF 11:00AM – 11:50AM	Mian Qian
Introduction to Higher Education (ORIE 101)	WF 9:00AM – 9:50AM	Michael Flinn

Faculty Mentor: Michael Flinn, Professor and Chair, Computer Science & IT

mflinn@frostburg.edu

¶ **924. Exploring Computer Science - Accelerated**

You will learn about the many aspects of computer science, computer information systems. This Community focuses on accelerating your foundation in computer science. This Community allows students to accelerate their start into the required courses for Computer Science, Computer Information Systems, and Secure Computing & Information Assurance majors. This course is linked to the IDIS-150 sections, Personal Security and Privacy in the Age of Information. Courses taken in this Learning Community satisfy FSU graduation requirements: COSC-101 – tech fluency, IDIS-150 – GEP Section E. In addition, the student will take COSC-240 (Computer Science I), a requirement for the majors listed above. **NOTE: Student at Math Level 2 or Higher will be given preference.**

Courses (11 credit hours)

The Discipline of Computer Science (COSC-101)	MWF 11:00AM – 11:50AM	Rebecca Flinn
Computer Science I (COSC-240)	TR 8:00AM – 9:15AM	Steven Kennedy
Computer Science I Lab (COSC-240L)	TR 9:30AM – 10:25AM	Steven Kennedy
Security & Privacy in the Digital Era (IDIS-150)	MWF 10:00AM – 10:50AM	Mian Qian
Introduction to Higher Education (ORIE 101)	MF 9:00AM – 9:50AM	Michael Flinn

Faculty Mentor: Michael Flinn, Professor and Chair, Computer Science & IT mflinn@frostburg.edu

¶ **925. Environmental Science Pathways**

This Connection will introduce the academic programs, internship opportunities, and career pathways to students interested in being prepared to tackle our environmental challenges through science. As a future environmental professional, you will work to protect natural and human environments. Start thinking now about how you might gain valuable knowledge, skills, and experiences along your pathway! Recommended for this Learning Community: ENSC-150 (Introduction to Environmental Science), a GEP Natural Science course.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)	TR 9:30AM – 10:20AM	Tianna Bogart
---	---------------------	---------------

Faculty Mentor: Tianna Bogart, Associate Professor of Geography tabogart@frostburg.edu

¶ **926. Experiences in the Natural Environment**

This Learning Community provides a solid introduction to the study of the physical environment. Students learn about climates, rivers, mountains, and caves in Physical Geography, and then visit the wetlands, geologic outcrops, and natural environments they have learned in the classroom!

Courses (5 credit hours)

Physical Geography (GEOG-103)	MWF 8:00AM – 8:50AM	Tracy Edwards
Physical Geography Lab (GEOG-103L)	W 9:00AM – 10:50AM	Tracy Edwards
Introduction to Higher Education (ORIE 101)	MF 9:00AM – 9:50AM	Tracy Edwards

Faculty Mentor: Tracy Edwards, Lecturer, Geography tedwards@frostburg.edu

¶ **927. Making a Difference: Environment, Economy, Social Justice!**

Are you concerned about the environment, population growth, economic development, and social justice? Have you considered how YOUR actions will impact future generations? This Learning Community addresses these themes, and allows students to MAKE A DIFFERENCE by reaching out across campus and in the community. SUST-155 meets the GEP requirement of IDIS-150 AND is the foundation course for the Sustainability minor. This is a great Learning Community for students that aim to MAKE THEIR MARK at FSU and beyond.

Courses (4 credit hours)

Introduction to Sustainability Studies (SUST-155)	T 6:30PM – 9:00PM	Tracy Edwards
Introduction to Higher Education (ORIE 101)	MF 10:00AM – 10:50AM	Tracy Edwards

Faculty Mentor: Tracy Edwards, Lecturer, Geography tedwards@frostburg.edu

¶ **941. EHOSTARS - Sociology**

The EHOSTARS Learning Communities are a living-learning-serving experience for students committed to making a change in their communities. As EHOSTARS, members/students will become a part of a growing student service movement by participating in National Service. Students will make a difference in the Frostburg/Cumberland area by assisting at afterschool programs and other community-building events. Students in the program will commit to 200 or 300 hours of service and could earn over \$1,800 in educational and on-campus housing financial aid awards based on the hours completed.

Courses (4 credit hours)

Introduction to Sociology (SOCI-100)	TR 11:00AM – 12:15PM	Wei Li
Introduction to Higher Education (ORIE 101)	TR 9:30AM – 10:20AM	Ashley Daniels

Faculty Mentor: Ashley Daniels, Associate Director of Civic Engagement amdaniels@frostburg.edu

¶ **943. EHOSTARS - Leadership**

The EHOSTARS Learning Communities are a living-learning-serving experience for students committed to making a change in their communities. As EHOSTARS, members/students will become a part of a growing student service movement by participating in National Service. Students will make a difference in the Frostburg/Cumberland area by assisting at afterschool programs and other community-building events. Students in the program will commit to 200 or 300 hours of service and could earn over \$1,800 in educational and on-campus housing financial aid awards based on the hours completed.

Courses (4 credit hours)

Exploring Leadership (IDIS-150)	TR 11:00AM – 12:15PM	Ashley Daniels
Introduction to Higher Education (ORIE 101)	TR 9:30AM – 10:20AM	Patrick O'Brien

Faculty Mentor: Patrick O'Brien, Director of Civic Engagement pobrien@frostburg.edu

¶ **950. Learn Today, Serve Tomorrow, Honor the Fallen**

Calling all VETERANS and VETERAN DEPENDANTS! This class will be focused on navigating college and building skills towards a career to help honor those who have served or are serving. If you are a member of the service or are using benefits, this class will allow you to have direct connections with the Veterans Center to help you navigate college, benefits, and so much more.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)	TR 9:00AM – 9:50AM	Clarissa Lang
---	--------------------	---------------

Faculty Mentor: Clarissa Lang, Director of Veteran Services calang@frostburg.edu

¶ **951. Planning Your First Year of College**

This Connection is for students who are Undecided and want to chart out a plan for success.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)	MW 2:00PM – 2:50PM	Rubin Stevenson
---	--------------------	-----------------

Faculty Mentor: Rubin Stevenson, Senior Associate Athletic Director rstevenson@frostburg.edu

¶ 951, 952, Major Decisions (Two Sections)

Not quite sure about what major is the best choice for you? Through this class we will explore your strengths, abilities, and interests to help you find the right path. We will look at all the possible majors at FSU while we also strengthen your study skills and learn about the resources available on campus. Through interactive activities, you will get to know your classmates, learn about academic departments, and become comfortable exploring opportunities as a college student.

951. Course (1 credit hour)

Introduction to Higher Education (ORIE 101)

MW 02:00PM - 02:50PM

Rubin Stevenson

Faculty Mentor: Rubin Stevenson, Senior Associate Athletic Director

rstevenson@frostburg.edu

952. Course (1 credit hour)

Introduction to Higher Education (ORIE 101)

TR 10:00AM – 10:50AM

Amy Shimko

Faculty Mentor: Amy Shimko, Director of the Career and Prof. Development Center

alshimko@frostburg.edu

¶ 953. Getting Ready for the “Real World”

Do you want a job after graduation? Start thinking about it now! Getting a great job helps you afford the things you want in life. Employers are looking for graduates with key skills – start developing those while you are a student! Learn about the resources offered on campus to be ready for the workforce after graduation so you can get your dream job.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)

TR 11:00AM – 11:50AM

Larissa Allen

Faculty Mentor: Larissa Allen, Assoc. Dir, Career & Prof. Development Center

laallen@frostburg.edu

¶ 954. Rock Your Strengths

You will embark on an exciting journey of self-discovery. This voyage will lead you to understand and appreciate your unique talents and help you build the skills necessary to apply your strengths to succeed in college and achieve your goals.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)

TBD

Kimberly Kurek

Faculty Mentor: Kimberly Kurek, Director of Developmental Mathematics

kmkurek@frostburg.edu

¶ 956. Navigating the College Experience

This course will serve as a guide to navigating the academic and social transition to college. You will engage in self-discovery to reveal and build upon strengths to apply to course work. You also will develop skills to improve self-management related to time, motivation, focus, studying, and test taking.

Courses (1 credit hour)

Introduction to Higher Education (ORIE 101)

MW 2:00PM – 2:50PM

Leanna Noon

Faculty Mentor: Leanna Noon, University Advisor

lnoon@frostburg.edu

¶ 960. Get Psych'd for College

Take learning to a whole new level with this Learning Community. Get a better understanding of how your mindset affects your college success both in and out of the classroom. Dive deep and gain a better understanding of the strategies it takes to become a successful student and leader on campus. Through this orientation and General Psychology class, you will explore more of how the mind works and how to use it to get the most out of college.

Courses (4 credit hours)

General Psychology (PSYC-150)

TR 9:30AM – 10:45AM

Jamie Winters

Introduction to Higher Education (ORIE 101)

MW 11:00AM – 11:50AM

Latisha Cooper

Faculty Mentor: Latisha Cooper, Director of Student Accessibility Services

lvcooper@frostburg.edu

¶ **961. Wordplay**

You should choose this connection if you are interested in reading relatively short literary works written by famous writers. In addition, you will attend an FSU theatre production and a Center of Literary Arts event. At the end of the semester, you will have the option to either write a paper, or submit a creative project.

Courses (4 credit hours)

Introduction to Literature (ENGL-150)
Introduction to Higher Education (ORIE 101)

TR 11:00AM – 12:15PM
TR 10:00AM – 10:50AM

Amy Armiento
Ryan Gibson

Faculty Mentor: Ryan Gibson, University Advisor

rmgibson@frostburg.edu

☆ **Student Support Services**

The Student Support Services program is designed specifically to help first-generation, moderate- and low- income college students make a successful transition from high school to college. This learning community will focus on you having a successful first semester as well as developing plan to achieve your future goals. The community assists you with study skills, tutoring, academic advising, and financial guidance.

970. SucceSS with Psychology I (4 credit hours)

General Psychology (PSYC 150)

Introduction to Higher Education (ORIE 101)

TR 2:00PM – 3:15PM

MW 02:00PM - 02:50PM

Jamie Winters

Holly Clark

Faculty Mentor: Holly Clark, Director of TRIO Student Support Services

hsclark@frostburg.edu

971. SucceSS with Psychology II (4 credit hours)

General Psychology (PSYC 150)

Introduction to Higher Education (ORIE 101)

TR 11:00AM - 12:15PM

TR 9:30AM - 10:20AM

Kathleen Jacoy

Chance Burchick

Faculty Mentor: Chance Burchick, Student Development Specialist

caburchick@frostburg.edu

972. SucceSS with Sociology (4 credit hours)

Introduction to Sociology (SOC 100)

Introduction to Higher Education (ORIE 101)

TR 11:00AM – 12:15AM

TR 9:30AM – 10:20AM

Wei Li

Shawn Jones

Faculty Mentor: Shawn Jones, Student Development Specialist

rsjones@frostburg.edu
