

USMx Small Private Online Course (SPOC) Suicide Prevention Theory and Practice

Frostburg State University's College of Education is offering a one credit professional development online course through **edX edge** that is designed for counselors to obtain recertification credit and satisfy MSDE requirement for training on Laury'n's Law.

The course does not require admission to Frostburg State University. However, you can transfer the SPOC credit into an existing program of study at Frostburg State University. The course has been approved by MSDE for **one Continuing Professional Development (CPD) credit**.

Dates:

May 24, 2021 – June 25, 2021 (5-week course)

Course Information:

This course is interactive and totally online. It was developed by experts in the field with an USMx instructional designer. The one credit course will guide you through 5 modules. The modules include: Introduction to Suicide Prevention, Risk/Protective Factors, Special Population and Trauma Triggers, Self-Violence and Interventions, Student Engagement and Community Resources. There will be a module each week that will contribute to your professional knowledge and skills in the field.

Total Costs:

1 credit = \$200

Credit:

Upon completion of the registration process, you will receive the log-in information from the instructor on the week leading up to the course start date. A certificate and MSDE credit form will be awarded at the end of the course for MSDE Continuing Education Credit.
