

**Computer Science & Information Technology Strategic Plan
Academic Year 2019-2020**

Goals and action priorities:

1. Curricular Review to make sure it is aligned with ACM/ABET and industry every 2 years.
2. Faculty Training and professional development
 - 2.a. Attend training
 - 2.b. After conference presentation
3. Create an advisory board for each major
 - 3.a. Reach out to industry and other academics for information
 - 3.b. Choose an expert in each major, and set up constitution to review quarterly or bi-annually.
