

Associate's to Bachelor's (ATB) Option General Information for this Online Option

(Option is delivered in a fully online format with no on-campus requirements)

I. General Program Information

This dual enrollment option is available to eligible students once they are accepted to the AACC Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be enrolled as degree students at AACC and FSU and begin to take FSU online courses during the Nursing Program at AACC. Once the Nursing Associate of Science Degree (A.S.) is awarded at AACC, students must take and pass the nursing licensure exam, the NCLEX-RN, and then continue coursework at FSU to complete the Bachelor of Science Degree in Nursing (B.S.N.).

Program length is 9 terms, including winter and summer sessions, and it takes approximately 2 ½ years to complete.

AACC courses will be held at the AACC campus; FSU courses will be taken as online courses.

Two degrees will be awarded: A.S. from AACC and B.S.N. from FSU (where a minimum of 30 credits will be required from FSU to graduate).

Advisors will be available from both AACC and FSU.

Financial aid will be arranged through Frostburg State University Office of Financial Aid.

II. Program Admission Requirements

- A. Admission to the AACC Nursing Program
- B. Selective process based on courses completed, GPA, and TEAS score
- C. GPA of 3.0 or higher in AACC required admission courses
- D. Additional required courses (completed by the start of the first nursing course) with a C or better:
 - Chemistry (CHEM 107/108) 4 credits (must include a lab)
 - Statistics (MATH 153) 3-4 credits
 - Nutrition (BIOL 256) 3 credits

III. ATB Program Progression

- Students must remain in AACC's Nursing Program to continue in the ATB Option.
- Students are expected to complete the sequence of study as outlined in the AACC-FSU ATB curriculum plan.
- Students must successfully pass the NCLEX-RN to complete the remaining FSU courses.

IV. General Application Procedures

Note: Students applying to the FSU ATB Option must also apply to the AACC A.S. Degree Nursing Program.

Admission to the FSU ATB Option is contingent upon admission to AACC's Nursing Program.

1. Before you can apply to Frostburg's Nursing Program, you **must first speak with your advisor** at AACC.
2. Once you have permission, from your advisor, to apply for dual-enrollment, apply online at <https://www.frostburg.edu/admissions-and-cost/undergraduate/apply/transfer-applicants.php>
3. Contact the FSU Department of Nursing, at nursing@frostburg.edu, to **request an application fee waiver code**. When prompted for payment, enter fee waiver code.
4. Have official transcripts from all previously attended colleges/universities sent to FSU Admissions.
5. Admissions will review file and send to the FSU Nursing Department.
6. AACC and FSU Nursing Departments will review for acceptance into the ATB option.
7. Student will be notified by email with admission decision.
