The option for students to begin university courses in their first year of nursing at CCBC.

ATB ASSOCIATE TO BACHELOR'S NURSING DEGREE OPTION

A COOPERATIVE VENTURE BETWEEN
Community College of Baltimore County and Frostburg State University

General Information for this Online Option

(Option is delivered in a fully online format with no on campus requirements)

I. General Program Information

This dual enrollment option is available to eligible students once they are accepted to the CCBC Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be enrolled as degree students at CCBC and FSU and begin to take FSU online courses during the Nursing Program at CCBC. Once the Associate of Science Degree (A.S.) is awarded at CCBC, students must take and pass the nursing licensure exam, the NCLEX-RN, and then continue coursework at FSU to complete the Bachelor of Science Degree in Nursing (B.S.N.).

Program length is 9 terms, including winter and summer sessions, and it takes approximately 2 ½ years to complete.

CCBC courses will be held at the CCBC Essex or Catonsville campuses; FSU courses will be taken as online courses.

Two degrees will be awarded: A.S. from CCBC and B.S.N. from FSU (where a minimum of 30 credits will be required from FSU to graduate).

Advisors will be available from both CCBC and FSU.

Financial aid will be arranged through Frostburg State University Office of Financial Aid.
