All faculty members are invited to participate in the intramural program and attend intercollegiate sporting events. Faculty members may also use their employee ID cards for admittance to the swimming pool; racquetball, handball, and squash courts; golf/baseball practice room; and weight and cardiovascular rooms.

An assigned locker in the Cordts Physical Education Center dressing room area is available for a fee to be paid to the University Billing Office. Faculty members are to bring the receipt to the Equipment/Issue Room in the P.E. Center for locker assignment.

The Center specializes in the diagnosis and treatment of college health problems. Its mission is to provide students with timely, convenient, high quality, cost effective care, including health promotion and education. Any student enrolled for the current semester, whether full-time or part-time, may use the Health Center.

As a courtesy, the Center will take an occasional blood pressure or weight check for an employee. Unfortunately, it is not able to provide allergy injections or other medical services for faculty and staff.

## **ID Cards**

A parking regulations booklet is issued to each registrant at the time of vehicle registration.
