

LEADERSHIP POSITION ELIGIBILITY

Because we strive for a balance between an organization's need for leaders who can devote time to an organization and the leaders' need for good academic standing, it is the policy of Frostburg State University, effective fall semester 1988, that a student must have at least a cumulative grade point average of 2.300 to be eligible to hold the following designated leadership positions in the organizations listed below:

Student Government Association - President, Vice
President
Campus Activities Board - President
Black Student Alliance - President
Residence Hall Association - President
Greek Council - President
Bottom Line - Editor
Nemacolin - Editor

The Student Activities Office must certify a student's eligibility before authorizing candidacy. A similar process must be followed for a student being considered for appointment to a designated leadership position.
