**ACADEMIC PROGRAM ARTICULATION AGREEMENT BETWEEN
GARRETT COLLEGE
AND
FROSTBURG STATE UNIVERSITY REGARDING TRANSFER FROM ASSOCIATE
OF SCIENCE IN COMPUTER SCIENCE TO BACHELOR OF SCIENCE IN SECURE
COMPUTING AND INFORMATION ASSURANCE**

This Academic Program Articulation Agreement (“Agreement”) is entered into by and between Garrett College (the “Sending Institution”) and Frostburg State University (the “Receiving Institution”) (collectively, the “Institutions”) to facilitate the transfer of academic credits from Associate of Science in Computer Science, HEGIS 510300 and CIP 110101, for the completion of the Bachelor of Science in Secure Computing and Information Assurance, HEGIS code 070210 and CIP code 111003.

A. Qualifying Students

This Agreement pertains to the transfer of “Qualifying Students”, *i.e.*, those students who:

1. Have successfully completed the program at the Sending Institution;
2. Are enrolled in the Sending Institution, in good standing; and
3. Are accepted for admission to the Receiving Institution

B. Responsibilities of the Institutions

The Institutions agree to implement the transfer of Qualifying Students in accordance with applicable law and the following requirements and protocols:

1. A Qualifying Student may transfer from the Transferring Institution into the Receiving Institution for the completion of the Program.
2. Courses that the Receiving School will accept credits for towards completion of the Program include:

2. Either Institution may, at its sole discretion, terminate this Agreement upon delivering 60 days written notice to the other Institution and the Maryland Higher Education Commission. The parties agree that termination shall include an agreement that students currently enrolled in the program at the time of termination shall be permitted to complete the program as described herein.
3. Both Institutions agree to meet once every year to review the terms of this agreement.

D. Amendment

1. This Agreement constitutes the entire understanding and agreement of the Institutions with respect to their rights and obligations in carrying out the terms of the Agreement, and supersedes any prior or contemporaneous agreements or understandings.
2. This Agreement may be modified only by written amendment executed by both Institutions.

E. Governing Law

This Agreement shall be governed by, and construed in accordance with, the laws of the State of Maryland.

F. Counterparts

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

G. Notice of Agreement

1. The Institutions agree to provide a copy of this Agreement, with any amendments, to the Maryland Higher Education Commission.
2. The Institutions agree to provide copies of this Agreement to all relevant individuals and departments of the Institutions, including but not limited to students, academic department chairs participating in the transfer, offices of the president, registrar's offices, and financial aid offices.

H. No Third-Party Beneficiaries

There are no third-party beneficiaries to this Agreement.

Community College Transfer Guide

TRANSFER GUIDE

A.S. in Computer Science - Garrett College

B.S. in Secure Computing and Info. Assurance

This transfer guide is intended for students pursuing an Associate of Science in Computer Science from Garrett College. It demonstrates how a student can meet both requirements for the associates degree and prepare for a seamless transfer to Frostburg State University's B.S. in Secure Computing and Information Assurance.

Career Pathway:

The program focuses on the importance of securing all forms of technology used by an organization (communications, software, networks, data, and information). Our graduates have gone on to successful careers in Information Assurance, as well as in positions that include Cyber Intelligence Analyst, Network Security Specialist, and Counterintelligence Threat Analyst.

Frostburg Notes:

Frostburg State University accepts up to 70 credits from community college.

Computer science courses must have a grade of C or better to be applied towards major or minor requirements.

Frostburg State University is an Equal Opportunity Institution. Admission shall be determined without regard to race, color, religion, sex, national origin, age, status as a veteran, or disability.

FSU is committed to making all of its programs, services and activities accessible to persons with disabilities. To request accommodation through the ADA Compliance Office, call 301-687-3035 or use a Voice Relay Operator at 1-800-735-2258. Frostburg State University is a smoke-free campus.
