### Accomplishments

### Why did you choose Frostburg State?

Frostburg State has a fantastic reputation in online learning. FSU is known for its non-traditional student base and online format, yet FSU continues to keep the “personal touch” for students while in class or seeking student services.

### What is your favorite memory as a student?

Graduation Day! My graduation in 2018 came 20 years and one day from my first master's degree. I am proud to have walked across the stage and become a Bobcat Alum!

### Which professor influenced you as a student?

Eugene Whitaker. He made financial accounting understandable and... fun?

### What advice would you give to a student currently studying your major?

Build your network! In class I met folks from all over the state with differing experiences, networks, jobs and dreams. Connect with people!
