Why did you choose Frostburg State?

Close to home, small class sizes, and beautiful scenery.

What is your favorite memory as a student?

Meeting new friends that have stayed in my life, even after graduation.

Which professor influenced you as a student?

All of them. They all pushed me to do a little bit more and gave me the confidence to know I would succeed in whatever it was I was working on.

What advice would you give to a student currently studying your major?

Don't give up! Some classes may give you issues and you may want to give up, but don't. You'll be glad you stuck it out.
