

“ They have helped students become better athletes, taught athletes how to become leaders, and the importance of lifelong relationships.”

~ Barry Holder ('84)

“ Coach Lewis & Hircock have given over 75 years to Frostburg State and its athletes. We hope that we can give a little something back to them.”

~ Carlos Acker ('86)

In November 2020, the Department of Athletics, along with members of the Bobcat Hall of Fame, made plans to recognize Coaches Bob Lewis and Charlie Hircock by naming the track in their honor. Bobcat alums from around the nation are working to raise the funds necessary to honor great coaches and mentors.

It is the Athletic Department's goal to raise \$350,000 that will go directly to renovating the track; upgrading its surface; and creating a home for University, local, and regional track meets for years to come.

Your gift toward the purchase of video boards in Bobcat Arena will be counted toward FSU's Forging Futures campaign.
