THE FSU FOUNDATION, INC.

## LANE UNIVERSITY CENTER NAMING OPPORTUNITIES

The Lane University Center has been the hub of student life on the Frostburg State campus since its opening day in 1973. The building has served as the venue for countless concerts, speakers, dances, lectures, meetings, tournaments, social events and other memorable milestones for students and the FSU community. With the renovation and expansion of the building has come new recognition opportunities for those who wish to have their name or that of a loved one permanently associated with the center. Commitments can be fulfilled over time, up to five years.

Your contribution will also fund an endowment that provides support to the FSU Department of Student and Community Involvement, as recommended by a committee of University students and staff appointed by the assistant vice president for Student & Community Involvement. For more information contact the Office of University Advancement at 301-687-4068.

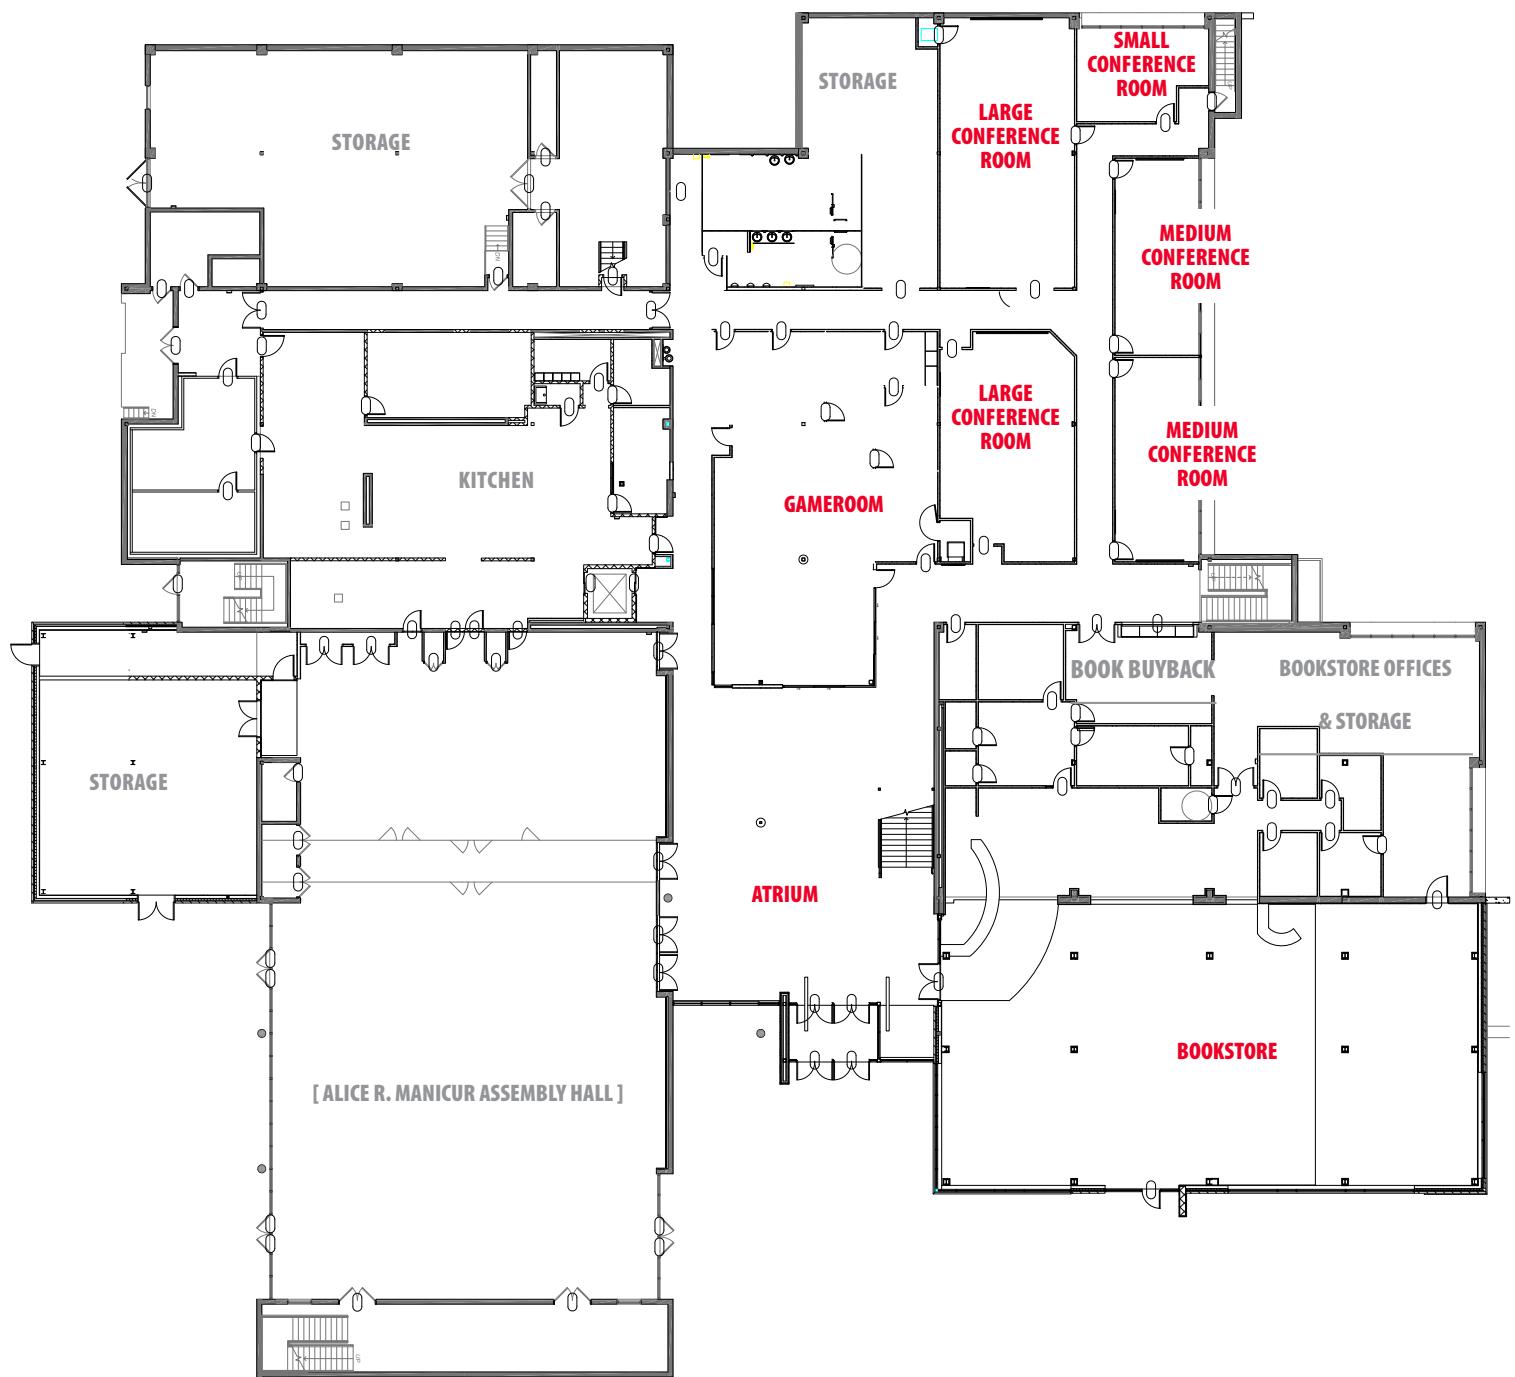

*Your gift will be counted toward FSU's Forging Futures campaign.*
