Welcome!

Your choice to live in a University residence hall provides you with an opportunity to live and learn in a unique residential community. Some boundaries on your personal freedom exist in order to create a healthy, safe atmosphere for all residents in the community. We ask you to acknowledge these boundaries and to live within them. This cooperative atmosphere is the essence of community residence hall living.

This handbook provides you with information which should help make your stay in the residence halls at FSU a positive experience.

Read this handbook carefully—
YOU ARE RESPONSIBLE FOR ALL ITS CONTENTS.

FSU is committed to making all of its programs, services and activities accessible to persons with disabilities. You may request accommodations through the Americans With Disabilities Act Compliance Office, 301/687-4102, TDD 301/687-7955.
Residence Life Office Mission Statement

The Department of Residence Life strives to provide FSU students with a safe and enjoyable living environment conducive to academic success, community development, and personal growth. Through campus collaboration, the staff promotes scholastic achievement, encourages respect for self and others, and prepares students to explore their place in the larger community.

Objectives:

♦ Promote an environment, on campus and within the halls, conducive to socially accountable attitudes and healthy behavior through the creation of a residence hall community which fosters personal growth.
♦ Assist campus residents to achieve academic success at every stage of their college career.
♦ Provide the opportunity for leadership and self-governance, encourage responsible decision making, and promote social justice. In general, we promote freedom coupled with responsibility.
♦ Provide diversified, well-coordinated extra-curricular and co-curricular programs and activities for resident students.
♦ Collaborate with other campus staff to establish and maintain a quality physical environment that promotes safe, healthy living conditions and an expanded consciousness of environmental concerns.
♦ Advocate for the development of a community in which students, faculty and staff learn together through mutual respect.

Residence Life Office Staff

The Who, What and Where of On-Campus Living

The Residence Life Office (RLO)

Located in the basement of Annapolis Hall, the Residence Life Office serves as the central office for the entire residence hall system. Students, as well as professional staff, work to ensure that your living environment is not only comfortable and satisfying, but also a real part of your total educational experience. The offices for the Director, the Assistant Director and the Coordinators are located in RLO, along with a number of Administrative Assistants.
Assistant Directors (ADs)
Assistant Directors are responsible for the overall management of the residence halls. ADs are full-time professional staff members of the University who have obtained significant residence hall experience. Their primary function is to assist students in the areas of educational, social, developmental and personal growth and to facilitate students’ adjustments to University and residence hall life. ADs train and supervise a staff of RDs, HRs and RAs, coordinate the developmental and educational programming for the halls, promote leadership development and community building, and introduce new concepts that will make residence hall living more rewarding and meaningful for all students who live on-campus.

Resident Directors (RDs)
Resident Directors are graduate students who live in the residence halls and have shown the ability to accomplish various administrative tasks. The RDs are primarily responsible for ensuring the development of a positive community within their hall, advising and working as liaisons between the residents and the Resident Assistants. They are also responsible for coordinating work orders, incident reports, and other duties as assigned. RDs supervise a hall staff consisting of RAs, act as hearing officers for administrative and student conduct hearings and advise the Hall Councils in the building to which they are assigned, in addition to assisting and supporting all hall programs.

Head Residents (HRs)
Some halls are assigned a Head Resident, an undergraduate student who serves as an RA, but also performs many of the administrative and building-management duties of a Resident Director.

Resident Assistants (RAs)
Resident Assistants (RAs) are the main work force of RLO. They are undergraduate students who live in the residence halls to help the residents in their adjustment to University life. The RAs are responsible for informing residents of the various rules and regulations as well as information concerning University resources and programs. There will be one RA in each building on duty each night to assist residents with any of a variety of problems, including personal counseling, roommate conflict, and confronting inappropriate behavior.
Leadership Opportunities in the Residence Halls

Hall Council
The purpose of each hall council is to become actively involved in their hall. Issues addressed by the Hall Councils include hall programming, both social and educational, as well as issues of improving residence hall life. Hall Council elections are held within the first two weeks of the start of the school year and each hall must be represented at the RHA meetings.

NRHH (National Residence Hall Honorary)
NRHH is a service organization representing the top 1% of residence hall students at FSU. Membership is limited to 15 students, who are generally inducted during the spring semester.

RHA (Residence Hall Association)
RHA provides a forum for students in which they may come together to air concerns about hall issues, programming, and general hall governance. All resident students are encouraged to become involved in RHA. Participation in RHA will provide students with the opportunity to work with others in improving the quality of residence hall life and programming. RHA is part of the Central Atlantic Affiliation of College and University Residence Halls (CAACURH), as well as a member of the National Association of College and University Residence Halls (NACURH). Every year, Frostburg State representatives attend three conferences sponsored by these groups.

Staff Positions
Staff positions in Residence Life include Resident Assistants, Head Residents and Resident Directors. Anyone interested in obtaining a position may inquire at RLO. After filling out an application, students will be invited to attend group and individual interviews. RA applicants must maintain a semester G.P.A. of 2.3 and a cumulative G.P.A. of 2.5.

Resident Assistant positions provide a room and a meal plan for those who are selected. Head Residents must maintain a 2.8 cumulative GPA and a 2.5 semester. Head Residents receive an apartment, board, and a stipend.

Resident Directors must maintain a 3.0. Resident Directors receive an apartment, board, tuition remission for up to 18 credit hours per year, and a stipend.

Residential Peer Mentors are compensated with free housing in a single room.
Residence Hall Facilities

Bike Lockers and Racks
Bicycles may not be kept in your room because they present a fire and safety hazard. RLO supplies a limited number of bicycle storage lockers for use by any residence hall student. The charge to rent one of these lockers is $20.00 for the academic year or $10.00 per semester and may be requested at the Residence Life Office. Lockers are located near Frederick Hall. Bicycles not removed from indoor or outdoor racks at the end of spring semester will be removed and disposed of by University Police.

Cable TV
All student rooms are cable ready for the hook-up of one TV. Because cable is available in every room, no external antennae, in any form, may be attached or extended from your room window.

Cable TV Troubleshooting Checklist

1. Did you connect your TV to the correct jack?
   TV jacks are near the floor and are round, screw on connections. If no, please try again.

2. Does the jack appear to be operational?
   (No loose wires, broken face plates, etc.)
   If no, then STOP and contact the Help Desk at 7777 or 301-687-7777. Be prepared to provide the information from this form.

3. Is the picture fuzzy or snowy?
   If yes, then check your TV setup to be sure you have chosen the “cable” or “CATV” option for your incoming signal and that you have programmed the TV to receive the channels that are provided by our local company. The TV remote is sometimes necessary to perform this function.

4. Is the picture still fuzzy and/or snowy?
   If yes, then STOP and contact the Help Desk at 7777 or 301-687-7777. Be prepared to provide the information from this form.
Computer Ports
All student rooms are equipped with a high-speed network connection for each student residing in the room. The 10-megabits/second connection provides access directly to the Internet. You will need an ethernet card and an appropriate cord to connect. (PLEASE do not attempt to plug a phone or any other types of communication equipment into the port. It is for your computer connection only. If you are unsure where to plug in your phone, please contact your RA.) The Campus Bookstore will have all the software, hardware and cabling necessary to connect to the network. Instructions on accessing the Internet from the residence halls, as well as assistance with hardware and software installation, is available by calling the help line at x7777.

Kitchens
With the exception of the use of the microwave oven, students are not permitted to cook in their rooms. Kitchens are equipped with stove, sink and refrigerator. Residents are asked to keep the kitchen clean and to be considerate of others when using the facilities. If the kitchen is misused or allowed to become excessively dirty, it may be locked and the residents may be billed a minimum $25.00 cleaning fee.

Laundry Rooms
Washers, dryers and wash sinks are located in each residence hall. These facilities are centrally located and are for the sole use of the residents of that hall. The University is not responsible for the condition of items washed or dried in the machines. These high-efficiency washers and dryers are available at no cost to the residents. They are provided and maintained by the Mac Gray Corporation (www.mac-gray.com). They use the LaundryView (www.laundryview.com) system which allows students to monitor the status of their laundry from their room via a computer.

Lounge Furniture
Lounge furniture is supplied for the use of all hall residents. It is not to be removed from the lounge area or used in your room. Resident Assistants will post notices when furniture is missing. All residents of the building will be billed the replacement cost if the furniture is not returned within 24 hours of posting.
Mailroom

The mailroom for all residence hall students is located on the first floor of Frederick Hall. Each student is assigned a mailbox at the beginning of the year with his/her roommate as a boxmate. Outgoing mail may be posted in the Frederick Hall Mailroom and will be sent with the day’s U.S. mail. **Residents are expected to check and remove their mail regularly from their box.** You may send mail through the campus mailroom to friends and offices on campus by using the “Campus Mail Slot” in the mailroom. Postage is not needed for on-campus mail. If you have received a package, you will receive a package slip in your mailbox, telling you where and when you may pick up your package; at that time, you must present your photo ID.

When sending family and friends your address, be sure it reads:

**Your Name**

**Your Room Number, Your Residence Hall**

1 Sand Spring Drive

Frostburg State University

Frostburg, MD 21532-3104

**PLEASE DO NOT HAVE YOUR FAMILY/FRIENDS SEND CASH!**

**IF THEY MUST SEND CASH,**

**PLEASE HAVE IT SENT INSURED.**

The mailroom will be closed on the following federal holidays: **Labor Day, Columbus Day, Veterans’ Day, Dr. Martin Luther King Jr.’s Birthday, and Presidents’ Day.** During the winter months, it may be necessary for the mailroom to close due to inclement weather.

Mail with incomplete or inaccurate names will be returned to the sender or sent to the dead letter office. No nicknames, please! Mail will not be given out at the window. You MUST have your key.

Microfridges

The microfridge is a microwave, refrigerator and freezer unit all in one. One microfridge is provided in each residence hall room. This unit is patented for its low wattage usage. No other type of microwave or refrigerator is permitted in residence hall rooms.
Parking
Parking is permitted on campus for students who obtain a permit upon registering their car with University Police. **Students must apply at the Business Office for a free parking permit.** Several parking lots on campus are designated as student lots. These lots are the only places where you may park your car. These lots are fairly well lit, but students should not keep valuable objects in their car when parked on campus.

Storage
Small storage closets are available in a limited number of clusters in Frederick and Westminster Halls ONLY. These are to be used for storage of boxes, trunks and various belongings during the year. No trash is to be stored in these closets. There is no facility for storage of personal belongings over the summer months. Residents must make arrangements to remove all belongings before summer break.

Telephone Service
Students are required to provide their own telephone. To reach a number on FSU’s campus, you dial the last four digits of the number. You must dial “9” to get an outside line. To place a long-distance call, students must use a "calling card" (issued by a long-distance carrier) or a "phone card" (purchased from a store). The card must have a toll-free number to dial.

Students are prohibited from accepting any collect calls, and from initiating “900” calls from residence hall rooms.

Telephone Troubleshooting Checklist
1. **Did you connect your phone to the correct jack?**
   - Phone jacks are near the floor or flush on the wall. Ethernet jacks are higher on the wall and are mounted in boxes. If no, please try again.

2. **Does the jack appear to be operational?**
   - (No loose wires, broken face plate, etc.)
   - If no, then **STOP** and contact the Help Desk at 7777 or 301-687-7777.

If you are experiencing other problems such as lost of dial tone, lost of ringer, static or noise, or disconnection during calls, please borrow someone else’s phone. Connect the phone to the proper jack and see if any of the problems remain the same. If no, purchase a new phone. If yes, then **STOP** and contact the Help desk at 7777 or 301-687-7777. Additionally, FSU phone lines are supposed to be used for local calls only. To make an on-campus phone call, dial the last four digits of the person’s number. Local or off-campus phone calls require a “9” before dialing the area code followed by the 7-digit phone number. For any other calls, students must purchase a calling card.
Vending Machines
Vending machines are located in every residence hall offering students their choice of sodas, juices and snacks. In the event that you should lose money from a vending machine, you should go to your Hall Office to complete a vending machine refund request form. Within one week, you will receive your refund in your mailbox.

Voice Mail Setup
The voice mail structure used for residence hall students consists of a mailbox equal to the room telephone number for student #1 and a “shared” mailbox for each additional student in the room. The mailbox numbering scheme for the second student in the room is: 9 + the last three digits of the room phone number (ie: room telephone number = 1234 – mailbox for student #1 = 1234; mailbox for student #2 = 9234). If there are more than two students in the room, then call 4317 or 4771 for third student mailbox information. All residence hall rooms with defined occupancies of two or more students have “shared” mailboxes. Single rooms do not have any shared mailboxes.

The first time you log into these mailboxes, you will be required to complete a tutorial. The tutorial will guide you through (1) creating a security code for your mailbox, (2) recording a name for your mailbox, and (3) creating a greeting for your callers. (Note: Be sure to complete the tutorial or it will repeat the next time you log into your mailbox.)

Following are the steps required to set up the residence hall mailboxes:

From your room phone, dial 4030.
The tutorial instructions will ask you to enter your mailbox number. As defined above, the first person’s mailbox number will be the last four (4) digits of the room telephone number. The second person’s mailbox number will be 9 + the last three (3) digits of the room telephone number. Enter your number.
You will then be asked to enter your “security code”. The default “security code” for all mailboxes assigned to your room is 21532. Enter 21532.
Next, you will prompt to enter a new security code. This code must be a minimum of 4 digits and a maximum of 15 digits. Enter your new security code.
You will then be prompted to enter your name. It is suggested that you use only your first name. Enter your name.
Next, you will be prompted to enter your greeting. Enter your greeting.
Congratulations! You have successfully set up your voice mailbox.

ALL MAILBOXES ARE DELETED AT THE END OF A SEMESTER, AND RECREATED PRIOR TO THE BEGINNING OF THE NEW SEMESTER.

ALL STUDENTS MUST RE-DO THEIR MAILBOX AT THE BEGINNING OF EACH NEW SEMESTER.
Brief Instructions for Accessing Your Shared Room Voice Mailbox

To access any messages that have been left for you in your voice mailbox, follow these steps:

Lift the receiver – if there is a stutter dial tone, then one of the room occupants has a voice mail message.
Dial 4030.
The voice mail system will tell you which occupant has a message and will instruct you to enter that mailbox number. Enter the mailbox number.
Next, you will be asked to enter your security code. Enter your security code.
You will then be given the opportunity to listen to your messages.

Reminder: If your personal mailbox is not set up, you will not be able to receive any messages. All mailboxes are deleted at the end of the semester and recreated at the beginning of the new semester. If you have questions contact your RA.
If a student’s voicemail is not working properly, please contact the Call Networking & Telecommunications Office at 4317 or 301-687-4317.
Residence Hall Procedures

Check-In
You will receive a Room Condition Report on the day you check into the residence hall. This form will have been filled out by your RA prior to your arrival. Be sure to check the room yourself for any damage and note changes on the Room Condition Report. Your signature indicates your agreement with the room condition as stated on the Inventory Form. This form is your only opportunity to note the condition of your room. Report any damages to your HR, RD, or RA so that it can be noted in the official copy in the hall office.

Check-Out
Your room is expected to be in the same condition when you leave as when you arrived. You are financially responsible for all damages done to your room since you checked in. This damage is determined, in part, by checking against your inventory form. Do not put your trash in the hallway as you clean your room before check-out. Use the trash rooms available for this purpose.
Residents may not occupy a room during any regularly scheduled shutdown period such as, but not limited to Thanksgiving, Winter Break, March Break, or summer. During shutdown periods rooms will be entered by authorized University personnel for various maintenance purposes, safety inspections, extermination, servicing heaters, etc. Any violations found at these times will lead to a referral to the student conduct system. If you receive permission to stay late there will be a charge.

Damage Deposits
Each year students are billed a $100 Damage Deposit to be used for deducting room and common areas through the course of the year. At the end of the school year you are entitled to all remaining funds in the deposit. Due to the necessity of processing this refund through the State Comptroller’s Office, it cannot be refunded immediately.

The most effective way to reduce or eliminate excessive abuse of University property is for each resident to assume responsibility for his/her own actions. It is your responsibility to treat hall facilities with respect. In particular, it is your responsibility to leave your room clean and in the condition in which you found it.

Charges for damages are based on current costs, which include travel, labor and shipping costs for repair or replacement of damaged facilities. You will also be charged for labor involved in housekeeping services beyond the normal requirements of their job (see Housing Contract).
NOTE:
1. You are responsible for damages in your room including the outside of the door. You also are responsible for any damage caused in the residence hall by your guests. Any initial damages not noted on your Room Condition Report are your responsibility.
2. If you see someone damaging your room or any part of the hall, report it to a RA, HR, RD or your AD at once. This action will help to eliminate damage charges being billed to the residence hall students.
3. RLO prefers to bill only the individual(s) actually responsible for damage and not the residents of the floor or hall. However, when those parties responsible are not known, the cost of damages will be deducted from the housing deposit of each hall resident. Remember: if you protect your “friends,” you and others end up paying for their destructiveness. Unpaid damage bills can result in the transcripts being held and denial of permission to register for the next semester.

Housing Contract
This contract is binding for one academic year and will be valid if the individual is returning to Frostburg State University as a student during the Spring Semester. The students and/or guarantor shall be responsible for the amount of charges except as noted in the terms and conditions of the Residence Life Contract. Students interested in ending their housing contract must make any request on-line at the RLO web site. Requests do not guarantee release.

Once a student signs a housing contract, he/she should not sign an off-campus lease in the hope of being released from the contract.
Each year after your freshman year, you must follow the room selection procedures in order to choose a room for the following year.
All notification regarding cancellation of your contract at any point in the academic school year must be made IN WRITING to RLO.
Copies of the Residence Hall Contract (Terms and Conditions) are available in the RLO. You are responsible for the provisions contained within the contract. Read it carefully!

Compliance with Campus Rules and Regulations

Rules and Regulations Responsibility
Each student, by signing the Residence Hall contract, agrees that they understand and will conform to the rules and regulations established by the University, the Code of Student Conduct, and the Pathfinder. Failure to do so can result in cancellation of the housing contract without any refund, or other disciplinary action.
FIRE SAFETY GUIDELINES AND REGULATIONS

**DO:**
- Use only heavy duty extension cords that are UL-approved, type 14/3 grounded wire with a maximum of 12 feet.
- Use multiple outlet power strips with circuit breakers and/or power surge protection.
- Use only metal wastebaskets or plastic ones with “UL” listed on the bottom.
- Keep room, corridor, and stairwell fire doors closed at all times.
- Keep bikes in designated storage areas only, not in residence hall rooms or in common areas such as hallways, stairways or lounges.
- Keep furniture and lofts away from doorways and wall mounted smoke detectors.
- Keep less than 20% of the total wall area covered with combustible materials, i.e. posters, flags, fish nets, etc.
- Report any safety or fire hazards to the Residence Life Office (x4121) immediately; e.g. fire doors, smoke detectors, exit signs, pull boxes, fire extinguishers, etc.

**DO NOT:**
- Bring or store gasoline, kerosene, ether, paints, propane, or other volatile liquids in a Residence Hall.
- Overload outlets or use electrical taps or “octopuses” to obtain more outlets; do not replace damaged wires or cracked/broken plugs.
- Suspend items from the ceilings, esp. over the bed, exit lights, smoke detectors, etc.
- Have open flames such as sterno, candles, incense, etc. in the Residence Halls.
- Fold or crease extension cords, or place extension cords under carpet.
- Leave permitted appliances unattended, i.e. coffee maker, popcorn popper, curling iron, etc. When unplugged, do not store these items until cool to the touch.
- Block your room doorway with furniture, lofts, tapestries or wall hangings.
- Add significant amounts of combustible mass to the rooms, e.g. stuffed chairs, couches
- Bring open-coiled appliances such as toasters, toaster ovens, or hot plates.
- Disconnect door closure devices. They are your first defense against smoke and flame spread.

**Student rooms will be inspected by University personnel periodically for fire safety violations.**
Room Cleaning

Residents are expecting to keep their rooms clean and tidy to a reasonable degree. Since accumulated trash, dirty clothes and food containers can attract vermin and/or insects, students are responsible for keeping their rooms clean and free of excessive dirty laundry, and must remove garbage to the trash rooms on a regular basis. During breaks any excessive cleaning issues or trash left will result in billing for item removal.

Lockout Policy

You are responsible for carrying your keys with you at all times. In an effort to encourage this responsibility, a LOCKOUT CHARGE POLICY is in effect.

The first request to be let into your room is free of charge (in your building only). All requests for loaner keys from RLO will result in a charge of $1.00. The second, and each subsequent request, will result in a charge of $1.00. Excessive lock-outs (i.e. 5 per semester, 7 per year) will result in a charge of $5 per occurrence, and may be handled through the student conduct process; this decision is to be determined in consultation with the Assistant Director.

All of the money that is collected belongs to each respective hall council to be utilized for programming and staff development by the residence hall staff.

If available, any RA in your hall may unlock your door for you or, between 8:00am & 4:30pm, you may pick up a temporary room key at RLO in the basement of Annapolis Hall. You will also pay $1.00 for this service at that time. If a loaner key is not returned within five business days to the Residence Life Office, a core change will be done and your damage deposit will be charged $25.00.

Room Key Responsibility

Students should be sure that their rooms are locked at all times when not occupied. Students should remember to carry keys at all times when leaving their rooms. Students should report lost keys immediately to the Resident Director or Head Resident in charge of their building, or the Residence Life Office. In order to maintain the security of the building, a door lock core change will be ordered for the room where a key has been lost. The student will be charged a minimum of $25 for the core change plus any and all key charges. University keys are not to be duplicated, except by the University locksmith, or lent to any other person.

You will not be let into another person’s room without that person being present. Housekeepers and University Police will not unlock your room door unless it is an extreme emergency.
Maintenance
Any time you are aware of damage in your room or the residence hall, report it at once to RLO or an RA between 8:00am - 4:30pm on weekdays, or to an RA after 4:30pm or on weekends. Maintenance personnel may enter your room to make repairs if you or your roommate are not present. You will not be charged for routine repairs, which are the result of normal use. Any heat complaint should be referred to the RA, HR, RD, or to RLO, so that quick action can be taken.

Room Change
All resident students have the option to change rooms for appropriate reasons. Designated room change periods are: the second week of classes during both the fall and spring semesters and at the end of the fall semester. Only 1 room change per semester per student is permitted; exceeding this limit may result in a $30 administrative charge. In order for a room change to be considered, a room change request form (available in the hall office) must be properly completed and submitted to your Hall Office. Falsification of signatures may result in student conduct action. All room changes must be approved by the Assistant Director. Failure to receive this approval will result in a $30.00 charge for improper room change. Once a room change has been processed, the move must be completed by the designated deadline.

Room Consolidation
Room Consolidation is done the second and third week of each semester. All students in two person rooms by themselves may be given the opportunity to pay the additional fee to keep the room as a single. Within three days of receiving the consolidation letter the student must contact the RLO to request keeping their room as a single. All students left in unpaid single rooms will be eligible for room consolidation. No student will be permitted to remain in a triple room without at least one roommate.

The room consolidation follows these guidelines:

a. Nobody will be forced to move to another building for consolidation.

b. After consolidation is completed there should be no more than one person of any sex left in an unpaid single room on any given floor.

Room consolidation follows this procedure:

a. Person with the latest acceptance date would be the person to move.

b. If both have same acceptance date the person with the least number of credits would move.

All newly emptied rooms would be used for people wishing singles on the single room waiting list.
If a student is on the singles waiting list and does not have a roommate, his/her bill will be adjusted to reflect the single room rate.

**Student Room Entry**

Authorized University personnel, including Residence Life staff, have the authority to enter a student’s room; this authority may be exercised in the interest of student safety, the protection of University property, or when a violation of University property is occurring. Such personnel may also enter your room if there is cause to believe that a serious policy violation is occurring. Your room can be searched by legal agents (i.e. Campus Police Officers) only with a warrant or with your permission in an emergency situation. University Personnel may search your room only:

1. When there is reasonable cause to believe that illegal or other detrimental use is being made of the property in violation of University policy.
2. Under authorization given in writing by an administrator designated by the President.

If possible the student will be present during the search. A resident’s refusal to open his/her room when requested by a staff member under these circumstances is considered a failure to comply with a reasonable request of a University official.

The RLO may conduct announced inspections of residence hall rooms each semester. The purpose of these inspections is to point out fire safety hazards in your room, which may be corrected early. If violations of fire safety are found, first a warning is issued followed by a disciplinary referral if violation is not corrected.

Your room may also be entered if a public disturbance is taking place, such as a continuously blaring alarm clock or stereo. When the University is shut down for regular breaks, Residence Life Staff and personnel will check the halls and your room for safety and fire purposes. It is your responsibility to lock your door and window(s). RLO staff is not permitted to open any student room for anyone other than the occupant.

**Room Decorating Guidelines**

Students’ rooms are considered their homes while attending FSU. Therefore, room decorating is encouraged, as long as it does not damage the contents of the room or create a fire hazard. To avoid being billed unnecessarily for damages to your walls, ceilings, or doors, do not use nails or bolts to attach items. Also, you may not hang items such as clothing from the pipes near the ceilings. Candles, candle burners and tart warmers are considered fire hazards and may not be used in student rooms.
Loft Beds
To give personality to the room FSU students may request to have their beds lofted. If students choose this option, they are to contact their RA and a work order will be placed into the system. Students have the option of getting a mid-loft or high-loft. However, if any of these options are chosen students must understand that the beds will be high off the floor and FSU will not be held responsible for any accidents.

Room Selection Lottery
Each spring semester there is a two-week period during which the RLO conducts a room selection lottery for the following fall semester. Students are required to sign a contract for a full academic year in order to select a room. If you do not take part in the room selection lottery, you will not be assigned a room for the coming semester, and later requests for housing will be filled only according to availability.

Single Rooms
Limited single rooms are available on campus. These rooms are selected in the Room Lottery held each spring. Throughout the year, students may contact the RLO to place their name on the “Singles Waiting List.” Should a single room become available, students on the list will be notified. This waiting list is renewed twice each year: at Single Room Lottery, and in late November. Students are responsible for checking their University email to see if an offer of a single room is made.

Triple Rooms
Since triple rooms are considerably larger than standard double rooms, they are available to returning students only if three such students sign up together during the Room Selection process in April. If, after registering for the room, one or more of the roommates decides to live elsewhere, the remaining roommate(s) can expect to be reassigned to a double room.

Residence Hall Security
The primary responsibility for safety and security within your residence community lies with you! You must take an active role in your building, making sure doors are not propped open and that you report suspicious persons or activity to the hall staff or the University Police (x4223). To enter your residence hall, you must first swipe your student ID card at the designated entrance. Your card only works in the building you live in and should never be loaned to others. In addition, the exterior doors in all the Residence Halls are equipped with digital cameras utilized by both Residence Life Staff and Campus Police.
Emergency Notification

Frostburg State University has implemented the e2Campus™ emergency notification system to notify the FSU community of emergency closures or evacuations of the campus. Participation in the service is optional and free to FSU students, faculty and staff.

To enroll, go to http://www.frostburg.edu/computing/fsualert
If you have any questions or are having difficulty registering, please call the FSU Help Desk at x7777 or 301-687-7777.

Theft and Insurance

Frostburg State University is not responsible for theft, damage or loss of personal belongings, money or other items belonging to students. The best safeguard against such loss from your room is to keep your door locked at all times, even when you are in the hall but not in your room (i.e. the shower or next door). Report any theft or suspicious persons to Residence Life staff or the University Police immediately.

We suggest you not keep large amounts of money or valuable items in your room. Items which may be attractive to thieves (stereos, TVs, radios, jewelry, etc.) should be insured through your family’s homeowner’s insurance. It is suggested that you engrave your valuables with your driver’s license number and keep a record of descriptive information, such as model or serial number. You can obtain an engraver and an “Operation ID” pamphlet from University Police. The University is not responsible for power surges. It is suggested that you use a power strip with a surge protector.

Residence Hall Policies

It is important that each person be aware of his/her own rights, and respects the rights and privileges of others. Each member of the residence hall community should be prepared to conduct himself/herself at all times in such a manner as not to infringe upon those rights. Students violating residence hall policies will be subject to University action within the Student Conduct System unless otherwise specified. Violations of the following policies can result in the cancellation of one’s housing contract or the non-renewal of one’s contract for the next year or semester. The Residence Life Office may hold a hearing prior to canceling one’s contract and the resident may be requested to “show-cause” why the contract should not be canceled. However, violations which endanger the health and safety of the residents or themselves, which cause serious physical damage to the facilities, or are disruptive to the study atmosphere, will be
dealt with promptly through administrative procedures and may result in removal from housing, pending a student conduct hearing. Continued violation of less serious policies may result in a contract review. Students not living in residence halls will also be expected to abide by these guidelines when visiting in the residence halls.

Alcohol Policy
The use and possession of alcoholic beverages for purposes of personal consumption in conformity with State, Local and University ordinances, is permitted within the confines of individual student rooms, except in residence hall areas which are designated as substance-free (alcohol/drug free). Student’s of-age are not to consume alcohol in any room in the presence of any students not of-age (with the exception of an under-age roommate). Consumption of alcohol in any other area of the residence hall (lounges, study rooms, TV lounges, cluster halls, baths, etc.) is strictly prohibited. Kegs and/or keg parties are not permitted in any residence hall area, including individual rooms. Beer kegs, empty kegs, beer bongs or any device used to artificially increase alcohol consumption are not permitted on campus. Alcoholic beverages shall not be brought into the residence hall by guests or visitors, even if of-age.

Disciplinary Procedures for Alcohol
Students may not possess, purchase or consume alcoholic beverages unless they are of legal age as defined by the State of Maryland for purchase, possession or consumption of such beverages. Any violation of the University’s Alcoholic Beverages Policy shall be construed as a violation of this section. The University policies are designed to minimize the risks associated with the consumption of alcohol, to reflect the needs of the entire University community and to uphold the law. The following sanctions will be imposed for violations of Improper Use and/or Abuse of Alcohol.

First Offense: Mandatory attendance at, and participation in, an alcohol education program offered by the Residence Life Office. A three-page paper written by the student on the information gained from the educational program as well as a $25.00 Alcohol Education Fine to the student for this program and a $75.00 Judicial Programs Fine will be assigned. Student's parent(s) or guardian will be notified by mail of the violation.

Second Offense: Mandatory attendance at, and participation in, a substance abuse program offered by the Residence Life Office. A three page paper written by the student on the information gained by the program as well as a $50.00 Alcohol Education Fine to the student for this program and a $100.00 Judicial Programs fine will be assigned. In addition, there will be one semester of disciplinary probation. Student's parent(s)/guardian will be notified by mail of the violation.
Third Offense: Minimum of one year additional disciplinary probation, plus a $100.00 Alcohol Education Fine and a $100.00 Judicial Program Fine will be assigned. In addition, a third violation may result in housing contract cancellation and removal from University housing, or suspension from the University. Student's parent(s)/guardian will be notified by mail of the violation.

Fourth Offense: Recommendation that the student be suspended from the University.

Climbing on Roof, Removal of Screens, Entering Public Areas of your Hall, Exiting through Window, Sitting in Windows
Students are not permitted on the roof of any residence hall. Nothing, including trash, should be thrown or dropped from the windows. SCREENS ARE NOT TO BE UNSCREWED OR REMOVED FROM WINDOWS. Windows are not to be used as a means of entrance to or exit from a room. Students are not permitted to sit in windows at any time.

Care of University Property
No student shall take any University-owned furnishings/equipment out of the room assigned to him/her or move any of the equipment of the residence halls. Equipment/furniture assigned to a hall is for use by residents of that hall and should not be shifted from one hall to another. Furnishings assigned to public areas within the hall are for use by all residents and should not be moved to individual rooms. Such removal will be considered an act of theft. Alterations to the residence hall rooms (including, but not limited to, electrical wiring, attaching hardware to walls, ceilings or doors, constructing platform beds or painting room) are not authorized except in accordance with the University.

Cooking Equipment
Student rooms are not designed to be used for cooking of meals, other than through use of the microfridge units. Personal electrical equipment will be limited to small appliances without open coils. Cooking units (such as personally owned microwaves, grills, toaster ovens, hotplates, etc.) for use in student rooms are prohibited. A Microfridge unit is provided in each room. NOTE: George Forman Grills may be used in the residence hall kitchens only.
Doors, Propping or Tampering With
For the safety of all residents, locked exterior doors may not be propped or otherwise disabled. Student room or cluster doors should not be tampered with or propped open.

Drug use, possession and/or sale of drugs and/or paraphernalia
The use, possession and/or sale of drugs and/or drug paraphernalia, other than those used under the direction of a physician, are strictly prohibited. Violators will be referred to University Police and/or local authorities and may be subject to suspension or expulsion from the University.

Fire Drills/Fire Safety
Fire drills and the evacuation of each building whenever a fire alarm is sounded are for the protection of all residents and their guests/visitors; failure to exit the building any time a fire alarm sounds is a violation of University policy. Any fire hazard/obstruction or misuse of fire safety equipment found in a student room during the regular inspections will be removed and/or brought to the student’s attention for immediate correction and/or disciplinary action, as well as possible criminal proceedings.

Fire Equipment
Tampering with fire extinguishers, fire alarms, smoke detectors, sprinkler systems or any type of fire safety equipment is strictly prohibited when no fire or immediate danger exists. Violators are subject to suspension, expulsion or termination of Housing Contract, as well as referral to the criminal court system.

Flammables, Weapons and Explosives
Candles, candle warmers, incense, firearms, ammunition, fireworks, open flames, explosive substances and other illegal contraband in the residence halls are strictly prohibited. BB guns, pellet guns, paintball guns, etc. must be registered and kept with University Police. Students found responsible will be subject to a recommended sanction of removal of housing.

Gambling
Gambling is prohibited in and around the residence halls.

Guests
Prior consent of one’s roommate is required for overnight guests on each occasion of the guest’s visit. Overnight guests must be accommodated in housing spaces according to their gender, in order to insure the appropriateness of bathroom/shower facilities. Overnight guests may visit for periods no longer than two consecutive nights in the residence halls and for no more
than a total of 10 nights in a semester unless special permission is given by an Assistant Director of Residence Life. Residents are responsible for the behavior of their guests, and must ensure that the guest complies with all University policies.

**Pets**

Animals are not permitted in the student rooms or commons areas. The only animals allowed are fish. Fish should be taken home over semester breaks. Professional staff living year-round in a residence hall apartment are subject to a separate pet policy.

**NOTE:** With the exception of microfridges, all electrical items (including aquariums) are unplugged during breaks. The University will not be held responsible for the safety of fish in the event of electrical power failures.

**Public Disturbances**

An atmosphere conducive to normal living and studying must be maintained 24 hours a day in the residence halls. As always, respect for the rights and freedoms of other residents should be the basic guideline for your behavior. Hall sports are prohibited. Excessive noise or other public nuisances created or permitted by residents is strictly prohibited. Conduct shall be deemed such a nuisance if it penetrates into the room or cluster areas of other residents, unwillingly subjecting them to an unreasonable disturbance or inconvenience. Snowball fights, water gun fights, shaving cream battles, burning of incense, etc., shall be considered public disturbances and shall be handled as such.

**Quiet and Courtesy Hours**

An atmosphere conducive to normal living and studying must be maintained 24 hours a day in the residence halls. As always, respect for the rights and freedoms of other residents should be the basic guideline for your behavior. All students must assume responsibility for maintaining the quiet/courtesy hours. It is the responsibility of all residents to enforce the quiet and courtesy hours, which are established by the RLO.

Radios, stereos and TV sets must be played discreetly at all times. Stereo speakers are not to be played out of your window. With the exception of non-electrical guitars, musical instruments are not to be practiced in the residence halls. Excessive noise or other public disturbance created by residents are strictly prohibited.

As a general rule, the period between dinner and breakfast is the time most people choose to study. Please be considerate of other residents, and remember that you are responsible for maintaining and enforcing quiet hours as voted upon by hall residents during Opening Week. Courtesy hours are in effect at all other times. This means that, if another resident asks you to reduce your noise at any time, you are expected to do so.

**24-HOUR QUIET HOURS ARE IN EFFECT DURING FINALS WEEKS**
Responsibility for Visitors/Guests
Students are responsible for their own activities and the activities of their visitors/guests. Residents who use or permit the use of their assigned rooms for any purpose which constitutes a violation of law or University regulations will be subject to disciplinary action. Students with guests found in violation of policy can expect to receive the same sanctions as if they themselves violated the policy.

Room and Common Area Care
It is your responsibility to help the housekeeper(s) maintain the cleanliness of the public areas of your hall. You are expected to clean up after yourself when you use these areas in the hall. You are responsible for cleaning your own room. There is no individual room housekeeping service. You may be billed for extra cleaning should an excessive mess occur in the public areas or when checking out of your room.

Room Use/Room Changes
The Residence Hall contract is for space for the exclusive residential use of the applicant while he/she is enrolled as a student at FSU. Assigned rooms may not be sublet. Students may change rooms only after first receiving official authorization from the Office of Residence Life. Unauthorized room changes may result in an administrative charge. Each individual is responsible for finding a roommate at room change time. Students may be expected to consolidate to achieve double accommodations within a residence hall. Every effort will be made to accommodate students.

If one of the occupants of a room moves, the student(s) who remain agree(s) to accept an assigned roommate(s) or to move to another room upon request. Residents who misrepresent the truth, intimidate assigned or prospective occupants or otherwise attempt to manipulate the housing assignment process are subject to being moved to another room, disciplinary action and/or contract termination. At the termination of the contract period, or when moving to a new room assignment, students must turn in their keys and have the condition of their room assessed as part of the residence hall check out procedure. Students who move from their hall without properly checking out will be billed the appropriate fee. In cases where damages are incurred beyond normal wear and tear, students will be charged for the expense involved in returning the room(s) to its original condition.

Smoking
Smoking is prohibited within all residence halls. In consideration of others, outdoor smoking is not allowed in close proximity to
building entrances or windows, to avoid smoke entering the building. Hall Councils may extend smoking limits by a majority vote of all residents.

University Smoking Policy: Smoking is prohibited within 20 feet of the entrance of any fully-functional, University-owned building, any entrance to residence halls, The FSU Bobcat Arena, any sporting facilities, air ducts, open windows, and within University-owned vehicles. This policy shall apply to all FSU students, faculty, staff and Aramark employees.

Solicitation
Solicitation and sales of any service or product door to door in a residence hall or by way of the University telephone system is prohibited. Solicitation/sales by registered student organizations of any service or product in the lobby of a residence hall must have approval of the AC two school days in advance of the sale. Commercial sales will not be allowed from individual student rooms or other areas within the residence halls. Anyone interested in selling within the residence halls must come to the RLO to receive information and permission. Residents may not use residence hall rooms or residence hall telephone numbers as a place of business or for purposes of solicitation or for any purpose other than as a residence. Advertisement, sale or solicitation of alcoholic beverages is not allowed in the residence halls or student mailboxes.

Visitation Hour’s Violation
Any student living in a limited visitation area will be required to abide by the designated limited visitation hours. Violators will be required to move to another residence hall.

Waterbeds, Ceiling Fans and Fuel-Powered Equipment
Waterbeds, cooking appliances, personal air-conditioners, ceiling fans, fuel-powered equipment and gasoline are not permitted on the premises.

General University Policies

Student Academic Responsibility
You (the student) are responsible for planning your academic program and for meeting the requirements of the University and of departments.
It is your responsibility to obtain, retain, and consult regularly the sections of the applicable catalog that govern your graduation requirements.

Academic regulations and procedures, other than degree requirements, may change during the period of your enrollment. It is your responsibility to be aware of, and follow the academic regulations and procedures currently in effect. Changes are published in the current catalog and the Undergraduate Registration Guide.

Your advisor’s role is to assist you. It is your responsibility to request and use this advice
wisely.

It is your responsibility to promptly declare or change your major so that an appropriate advisor can be assigned.

The full statement of Student Academic Responsibility can be found in the current undergraduate catalog and in the Undergraduate Registration Guide.

**Policy on Closing University Due to Inclement Weather**

The policy of Frostburg State University is to remain open during all weather conditions unless an announcement is specifically made that the University will be closed. For closing information you may listen to the radio or call the Campus Switchboard at 301- 687-4000 option 2, consult the University Web site, or listen to the radio.

Announcements of closing will be channeled through the media. No public announcement will be made if the University is to remain open.

Frostburg State University has implemented the e2Campus™ emergency notification system to notify the FSU community of emergency closures or evacuations of the campus.

Participation in the service is optional and free to FSU students, faculty and staff.

To enroll, go to [http://www.frostburg.edu/computing/fsualert](http://www.frostburg.edu/computing/fsualert)

**Mid-Semester Warnings**

Faculty members will assess students' progress in all 100 and 200 level courses and in all courses that meet the Core Skill requirements in the General Education Program prior to mid semester. Students performing at the "D" or "F" quality level will be issued a mid-semester warning early in the seventh week of classes. Students are responsible for discussing their performance with their instructors immediately. Students who receive mid-semester warnings will receive a letter instructing them to meet with their Hall Supervisor, who will provide advice, guidance, and resources for students to get back on the right track.

**University Identification Cards**

University identification cards are issued to all students when they first enter Frostburg State University. Students must carry their ID card at all times and should be ready to surrender their card upon request of any university official (includes dining service management). Primarily your student ID card is your access into your assigned residence hall. Many university facilities (e.g., Lane Center, Library, PE Center) require ID cards to be presented for admission to/for their respective facilities/services. The ID card does not serve as proof of birth date. The ID card is the means to access the Bobcat Express program, which is explained in detail under the head-
ing Bobcat Express Program.

1. The University's ID Office is located at the south entrance of Chesapeake Hall (directly across from Cambridge Hall). Regular office hours are 8:00 a.m. - 4:30 p.m., Monday through Friday, with extended hours at the beginning of the fall and spring semesters. Students should direct inquiries pertaining to ID cards to this office.

2. The ID card serves as a meal card as well as providing access to selected exterior doors of a resident’s assigned hall.

3. If a student moves off campus, he/she will keep the same ID card. The resident dining plan will be inactivated and access to the dining hall will be via Bobcat Express, through a Traveler's Meal Plan, or cash at the door. Additionally, card access into the assigned hall will be deactivated.

4. The University will replace ID cards that, in the opinion of the ID Office, has disintegrated because of normal wear and tear. The right is reserved, however, to charge a $20.00 replacement fee for any card that appears to have been tampered with or abused. If you have difficulty entering your assigned residence hall, please direct inquiries to the Residence Life Office. Do not punch holes in the cards.

5. If a card is lost or stolen, students should do the following:
   a. Lost cards are reported to the ID Office immediately by phoning X4196 during regular business hours. You can also report lost cards to any cashier at food service locations on campus. You can also freeze your account online. Go to www.frostburg.edu and enter Bobcat Express in the search. Click on the first line and then click on the Online Card Office on the left. When the Bobcat Online Card Office Screen comes up enter your student ID number (no hyphens) and your first pin number is 1111. You will be prompted to change your pin to any 4 digits. Then click on report lost card.
   b. A replacement fee of $20.00 can be paid in the Business Office in Pullen Hall with cash, check, Discover, MasterCard or Bobcat Express, or in the ID Office with cash, check or Bobcat Express. Once the receipt from the Business Office is presented or payment made in the ID Office, a new card will be issued. You can also add $20.00 to your account online following the above directions and the charge can be done in the ID Services Office.
   c. If the lost or stolen card is also used as a meal card and it is after regular business hours, the loss must be reported immediately to any dining hall cashier or contact the dining hall manager. Also, see section a.
   d. The replacement fee is a non-refundable fee. If a new card is issued and the original card is found or returned, it will be kept on file and will be made available if the card is lost, stolen or damaged.

Roommate Connections

The Residence Life Office would like to welcome all of you to your new home for the next year. We hope that your transition so far has been a good experience and that it continues to be that way as the year progresses. The following are important questions to think about while getting to know your roommate(s) and other helpful information to consider while living with someone else!

The Alarm Clock
Will you both use the same clock or have your own?
When will it be set? What about the snooze button?

The Phone
How late is it okay for friends/family to call without disturbing your roommate?
Where should messages be left and in what format?

Room Guests
If people drop by while one roommate is studying, how will you handle it?
Do each of you get enough “alone time” in the room?
Are overnight guests acceptable? Under what conditions?
If one of you is gone for the weekend, is it okay for a guest to use your bed?

Our Stuff
Will you both have equal access to the computer, stereo, TV, etc., no matter who brought them?
Is it okay to borrow one another’s clothes, sports equipment, etc.? If so, under what conditions?
What is okay to share? What should stay put?

Roommate Issues
What type of environment helps you concentrate on your studies most effectively?
Are you a morning person or a night person? When do you typically go to bed? Wake up?
What is your view on alcohol, other drugs, and smoking?
Is neatness important to one or both of you?
Can the TV/radio be on while sleeping or studying?

Personal Characteristics
When jokes or derogatory comments are made about other people, how do you handle it?
What really annoys you?
How can people tell you are stressed or angry?
Are there any touchy subjects you’d prefer not to discuss?
Respecting Safety Concerns

Sharing a room also means sharing the responsibility for making it a safe place. You and your roommate may have different takes on what safety means. Discuss items such as: locking the room, carrying keys, following policies, visitors, and hosting guests! This discussion will keep your room, your belongings, yourselves and one another safe!

Remember to Communicate!

Avoid gossip!
Go to the source!
Don’t beat around the bush!
Talk with your roommate!

Want To Make A Difference?
Want To Have Your Voice Heard?
Want to Make The Halls The Best Ever?
Be a part of your Hall Council & Residence Hall Association.

Hall Council is open to all students living in the hall. Please see your Resident Director, Head Resident or Resident Assistant for more information on Hall Council.
RHA meets every Thursday at 5:00pm in Compton Science Center 226. Meetings are open to all residential students!

If you would like to be a part of RHA please contact Doug Baer in the Residence Life Office at x4121.

Interested in Becoming A Resident Assistant?
For more information about the RA position or other jobs available through RLO contact the Residence Life Office at x4121.
Notice of Availability of the Frostburg State University
Annual Security Report

The Crime Awareness and Campus Security Act of 1990, known as the Clery Act, requires all institutions of higher education collect and make information available to students/prospective students and employees/prospective employees upon request. The report includes statistics for the previous three years concerning reported crimes that occurred on-campus; in certain off-campus buildings or property owned or controlled by Frostburg State University; and on public property within, or immediately adjacent to and accessible from, the campus. The report also includes institutional policies concerning campus security, such as policies concerning sexual assault, and other matters. You can obtain a copy of this report in the Pathfinder by contacting the Office of Student and Educational Services or accessing the following web site: www.frostburg.edu/admin/ses/pathfinder.pdf.
