MISSION STATEMENT

“We, the Student Government Association, are here to assist in building a foundation: to help create and maintain a university environment conducive to the richest growth of leadership, scholarship, learning, teaching, research, service and respect for others. We provide a welcoming environment in which students can express their concerns and we will work with them to find a resolution while adhering to our constitution. The Student Government Association is here to help bridge the gap between students, administration, faculty, and staff while shaping tomorrow’s leaders today.”
