Access PAWS from the Current Students Website at: http://students.frostburg.edu OR directly from the PAWS URL at: http://paws.frostburg.edu.

Login Details

Username:
A username and password are required to log into PAWS. Your PAWS username matches your FSU email username, including the numerals.

If you do not know your FSU email username, please contact the FSU Help Desk on-campus at x7777 or off-campus at 301-687-7777.

Initial password is as follows: first character of your first name in uppercase, followed by the first character of your last name in lowercase, followed by last 4 digits of your social security number.

Example: Js7785 for Joe Smith with social security number 353-54-7785.

Frostburg State University requires users to update their password on regular intervals. Passwords expire every 60 days.

Forgot your password?
To eliminate the risk of identity theft, the Help Desk staff will not reset your password over the phone. You will be asked to show a photo ID to have your password reset. Passwords will be reset in Pullen Hall 105C weekdays from 8:00am to 4:30pm, or online at http://www.frostburg.edu/computing/passwords.htm.

FSU ID and SSN

Students have been assigned a new FSU ID (also known as EmplID), which will be used as their primary identification code. This ID will replace the use of the social security number as an identification code. Students will keep their FSU ID throughout their educational career at FSU. Please memorize or make note of this ID.

Important Message on Registration Deadline and Financial Obligation

You must register and pay for summer session courses or enroll in a payment plan by the deadlines listed on the Summer Session Calendar. If you register or change your schedule after this date, you will be assessed a late registration fee and a late payment fee totaling $60. Once you are registered and if you choose not to attend, you must submit an official Withdrawal Form to the Registrar’s Office. Official withdrawal from all courses in any summer session on or after the first day of classes obliges you to pay a prorated portion or the entire amount of the bill (see Refund Schedule page 10).

Course Load

You may register for two courses, or a maximum of seven semester hours of credit per session. If you are on Academic Probation, you cannot register for the third four week session.

Distance Education (DE)

FSU’s distance education program uses live interactive video and multimedia technology to transmit learning activities to and from up to three geographically distinct locations in real time (without delay).

Instructors will be available for individual teleconference time at the beginning and end of each class period. Instructors originate a portion of the classes from each site.

A student facilitator at each classroom site will provide support by setting up and operating the system components and assisting instructors with course materials and proctoring exams.

See the course offerings listed as “telecourse.”

These are not on-line courses. See Page 15 for on-line course information.

Course Descriptions

You may request an FSU catalog which includes course descriptions by calling the Admissions Office at 301-687-4201 or visiting our website at www.frostburg.edu.

Independent Study/Research Paper

For independent studies, research papers or projects, you must submit your completed proposal form when you register. The proposal form requires approval signatures by the faculty supervisor and the Department Chair. These forms may be obtained from the academic department chair.

Final Grades

Paper grades are not mailed to students. Access the PAWS System for grades. If you need an official copy of your grades, you will need to order a transcript.

Graduate Students

Permission to Register

Graduate courses may be taken toward completion of one of the master’s degree programs, credit beyond the master’s degree, master’s equivalency, or professional development as a non-degree student.

All graduate students must file an Application for Graduate Study. You may obtain an application from the Office of Graduate Services, Pullen Hall, Room 141, phone 301-687-7053. Should 18 months elapse without a registration, you must submit a new application.

Advisement

You are assigned an advisor upon admission. Assistance is also available from the Department Chair and Graduate Program Coordinator. A student enrolled in the Biological Sciences Programs must meet with his/her Advisor for registration activation.

Undergraduate Students

Permission to Register

Students having regular admission to the University may enroll in the Summer Session. If you are from another college or university, a high school student entering your senior year, or an area adult, you may register for Summer Session by completing the Summer Session Enrollment Permission Form and Registration Form (included in this booklet). This form contains instructions for processing. If you are a high school student who will become a senior in the next school year, you must obtain a recommendation from your high school counselor or principal.

Permission to enroll in the Summer Session in no way constitutes admission to undergraduate programs at the University.

Advisement

Before you register you must meet with your Advisor for registration activation.

Course Repetition and Grading

Any course taken at Frostburg State University for the Core Skills Requirements of the General Education Program must be repeated until a satisfactory grade is achieved - at least a C in all courses.

A course may be counted toward graduation requirements only once regardless of how many times it is repeated unless the officially approved course description states that the course can be repeated for credit.

Beginning with courses repeated in fall 2007 and after, when you repeat coursework in which you earned a grade of A, B, C, D, F, FX or WF, the last grade earned, whether higher or lower, will count in your cumulative grade point average. Only a grade of A, B, C, D, F, FX, WF, or P (in courses where all students are graded P/F) can replace the previous grade earned. The earlier grade will continue to appear on your transcript, but the credit hours attempted or earned and the grade earned in the previous attempt will not be used in calculating the cumulative grade point average and cumulative credits. The coursework must be repeated at Frostburg State University.

I understand that submission of this course request to FSU obligates me to pay the bill generated, that upon official withdrawal from all courses for the Summer on/or after the bill payment deadline obliges me to pay a prorated portion of the entire amount of the bill (See Refund Policy included in this booklet), and that failure to submit an official withdrawal, a drop slip, at the Registrar’s Office or at the Hagerstown Center results in a grade of F or FX and obliges me to pay the entire bill (See Drop Procedure included in this booklet).

How to find On-Line Courses in PAWS

When searching for on-line courses in PAWS you will now find them all listed in one location. Using the Basic Class Search feature under Campus choose Online Courses. This will list all available online courses.

Registration Information

- The registration deadline for each summer session is listed on the Summer Session Calendar, Page 2. Registration after this date carries a late registration/payment penalty of $60.
- You may register in person or, if you are a continuing student, online using PAWS at http://paws.frostburg.edu/students. Make sure to change the campus to ONLINE when searching for courses to access the online course offerings.

If you are not a current FSU student, you may register for Intersession by completing the Enrollment Permission Form and Registration Form, which is included in this booklet.

- Please be aware that payment for summer courses must be made at time of registration. Full details on payment methods and deadlines are provided in this booklet.
- Each online course requires a minimum number of students in order for the course to be offered. If, for some reason, the course you have selected does not have adequate enrollment, you will be notified by the Registrar’s Office. Course tuition will be reimbursed (fees are reimbursable if you are not enrolled in another course); however, you must write the University and Student Billing Office to request a refund. Otherwise, the refund amount will be applied to your subsequent semester’s account.

- If you wish to withdraw from an online course you may fax a written request or the Drop/Add Form included on Page 10 to the Registrar’s Office (301-687-4597). In this case, your signature will be the only one required.
