Freshmen

There are two options for freshman applicants to consider:

Early Decision is your best option if you are a high school senior and you are certain that FSU is the institution you would like to attend. You should submit all application materials by December 15; and if you are admitted to FSU under this option, you will need to withdraw all other college applications and pay a non-refundable $150 tuition deposit by February 1.

Regular Decision applicants are encouraged to apply by February 15. Applications received after that date will be considered on a space-available basis.

Freshman Application Checklist:

☐ Complete the front and back of Part I, Application for Admission.

☐ Complete the Residency Application if you wish to be considered for in-state tuition rates.

☐ Submit an optional essay from questions included in this form.

☐ The Request for Academic Record, Part III, should be given to the guidance counselor or other appropriate official at your high school.

☐ Submit official high school transcripts. Students who have received a General Equivalency Diploma (GED) must forward their score report and an official high school transcript which indicates the last completed year in school.

☐ Scholastic Aptitude Tests (SAT I Reasoning) are required unless the freshman applicant graduated from high school a minimum of three years prior to their application to FSU. The SAT code for FSU is 5402. Students who have not taken the SAT may submit ACT scores.

Transfer Students

Students who attended post-secondary institutions after graduating from high school are considered transfer students. Applicants for the Fall semester should apply as soon as possible but no later than June 1 prior to the semester start.

Applicants for the Spring semester should apply no later than December 1 prior to the semester start. Applications received after that date will be considered on a space-available basis.

Credits to be awarded for transfer are determined at the time of admission to Frostburg. Only college-level courses completed at a regionally accredited institution will transfer provided the courses are similar in nature, content and scope to courses taught at FSU.
