CARES Act

Higher Education Emergency Relief Fund (HEERF)

Amended Interim Report Through March 31, 2021

During the first quarter of 2021, FSU used the remaining funds from the initial HEERF I award of \$1,962,520 for both housing awards and emergency awards, with 3,911 students being eligible. Housing awards of \$375 were made to 1,421 students totaling \$532,875. Students had to apply for the emergency awards, indicating the amount they were seeking and had to provide proof of their expenses. They also had to show that they were eligible for Title IV assistance. The applications were reviewed by one of three FSU Vice Presidents, with awards being made up to a maximum of \$3,000. 114 awards were made to 113 distinct students (two students received a supplemental award upon providing further information) for \$173,832.05.

Upon extinguishing the funds from FSU's initial HEERF I award, the University began to use the \$520,000 from the subaward it received from the University of Maryland Global Campus (UMBC). Using the same criteria, 70 housing awards were made to students totaling \$26,250 and 318 emergency funding awards were made to 313 students for \$493,750.

Upon extinguishing those funds, FSU began using the funds it received from the HEERF II award. Through March 31, one last housing award was made for \$375 and 26 emergency awards were made to 26 students for \$44,822.23.

During the first quarter of 2021, 1,562 awards were made to 1,435 distinct students for \$751,904.28 from the two HEERF awards to FSU. If you include the \$520,000 subaward from UMGC, 1,950 awards were made to 1,541 individual students for \$1,271,904.28. Since FSU received the first HEERF award last April, 4,077 awards have been made to 2,008 distinct students for \$2,527,717.23.
