#### **Amended Interim Report Through December 31, 2021**

During the fourth quarter of 2021, there were 3,949 eligible students. We focused on the students with the smallest expected family contribution towards tuition and other costs, as well as those with the most unmet need. Four levels were established with varying awards made depending on how the students met those two categories. 2,506 awards were made to a total of 2,424 students for a total of \$1,980,695.27 from FSU's HEERF III Award. The remaining HEERF III funds will be used during the first quarter of 2022.
