

Frostburg State University Student Government Association
Senate Resolution 5-2025
SGA Student GPA Requirement Appeal

A RESOLUTION CONCERNING: Amendment of SGA's Senatorial GPA Requirements

To ensure diversity, equity, and inclusion in all facets, SGA will put forth an appeals process for the grade point average requirements that determine the eligibility of student senators.

WHEREAS: Ensuring equitable access for student participation in student government is essential for a successful student government.

WHEREAS: While Frostburg State University is an academic institution, it is important to note that incoming and current senators are not defined purely by their academic achievements, although academics are an important part of collegiate life.

THEREFORE BE IT RESOLVED THAT:

Senators that fail to meet the cumulative grade point average of 2.5 shall submit an appeal to remain on SGA. This appeal is open to senators of any class rank and transfer students and that are not on academic probation. Additionally, if a student fails to demonstrate academic growth, measured by their grade point average during the semester of their appeal, they shall be dismissed from office. This is a one-time process.

THEREFORE IT BE FURTHER RESOLVED:

Senators that fail to meet the cumulative grade point average of 2.5 shall submit an appeal that includes the following: a letter, written or typed, by the senator describing the circumstances that led to the decline of their grade point average and their plans for improvement; a letter of recommendation from one professor, or high school teacher or counselor; a letter from a professor, doctor, therapist/counselor, academic advisor, or other professional entity that may vouch for the circumstances a senator has outlined that resulted in the decline of their grade point average. This criteria will be reviewed and outcomes will be decided by the SGA President, Vice-President, and advisors.

ADDITION TO THE CONSTITUTION: ARTICLE VI SECTION C SUBSECTION 1:

All senators shall maintain a minimum 2.5 cumulative grade point average throughout the term of service. Failure to maintain such an average shall result in automatic dismissal from office, with the following exception: a.
