

Frostburg State University Grade Verification of New Members Form

Organization: _____

I authorize the Fraternity and Sorority Life Office (FSL) to review my academic records for the purpose of registering for FSL. To be eligible, I understand that Frostburg State University requires a minimum 2.50 grade point average and 12 earned credit hours to participate in recruitment and that some fraternities/sororities may require higher grade point averages. I understand that I am in no way required to complete this form, but I will have difficulty being accepted into an organization that has grade monitoring checks.

If I receive an invitation to join an FSL organization, I understand that my grades will be released every semester to: the chapter president, his/her designee, and/or the national office and advisor of the fraternity/sorority for the purpose of academic review by the fraternity/sorority and/or university with the understanding that this information is not to be disclosed for any other purpose than to grade check for the academic monitoring program and application process.
